Learn to Swim is not a membership and Learn to Swim students are not to swim within members' lanes or the lesson pool before or after their lessons.

2

Please be aware that as a parent or carer you are required to be available throughout your child's lesson, and especially to be on pool deck at the end of their lesson.

3

WE ASK FOR YOUR CHILDS SAFETY YOU DO NOT ENCOURAGE THEM TO GET INTO THE POOL BEFORE THE INSTRUCTOR CALLS THEM OVER TO THEIR LESSON.

4

In accordance with Office of the Children's Guardian Guide to Child Safe Standards no photos or videos may be taken within our Aquatic Centre. We understand that families may want photos of their children learning to swim, however, in group classes there is a real danger of identifying foster children or children at risk to third parties.

5

Due to being at capacity, we will not be accepting casual swim visits (from non-Members) from 3:30pm to 6:30pm Monday to Friday. If you or your children would like to swim during our peak hours we invite you to become a member.

6

For the children's safety, parents are to walk in with their children. No child will be let into learn to swim without a parent.
