"PASTOR'S CORNER"

Welcome Back!

"Therefore welcome one another as Christ has welcomed you, for the glory of God." – *Romans 15:7*

After a season of summer adventures, travels, and well-earned rest, we are excited to say: **Welcome back!** The church is alive with the sounds of fellowship, worship, and laughter as we gather again to grow in faith and community.

This fall promises to be full of opportunities to reconnect, to serve, and to be renewed. Our worship series will invite us to reflect deeply on what it means to walk with Christ in a changing world. Families can look forward to the return of church school and youth gatherings - spaces where young hearts and minds encounter God's love in creative ways. Adult study groups will offer room for honest conversations and fresh insights into Scripture.

We're also planning special events that bring us together beyond Sunday mornings - community meals, service projects, music, and fellowship opportunities that strengthen the bonds between us. Each of these moments is a chance not only to participate, but to belong, to share your gifts, and to be reminded that in Christ, we never walk alone.

As we step into this new season, may we carry with us both the joy of summer and the hope of God's promises. Together, let us make this fall a time of renewed commitment to worship, service, and love.

So welcome back—whether you've been away for a week or a while, there is a place here for you. We can't wait to see what God will do in and through us this season!

Pastor Hughes

FROM THE PASTORAL ASSISTANT

“Witnessing our faith”

Every Sunday people of faith from all over the state of Florida - Christian, Jewish, Muslim, and people of no faith - are gathering at the gate of “Alligator Alcatraz,” the notorious prison facility located in the heart of the Everglades.

Along with members of the Miccosukee Tribe, whose village complex is located within walking distance of the prison, this diverse gathering of over 150 souls raises its voice in song, prayer, poetry, and proclamation in opposition to the cruelty and injustice represented by the treatment afforded these prisoners, the majority of whom have no criminal record!

Each week a delegation from a different part of the state makes its way to this location to give voice to the cause of justice.

How do we give evidence of our faith? How do we witness to our commitment to the principles of equality, justice, and mercy, as taught by our Savior and our forbearers in the faith? It may be by visibly demonstrating, participating in a vigil, like our friends in Florida, or like Jesus’ earliest apostles, Peter and John, who boldly declare to the authorities who demand they no longer declare that Christ had been raised, “We cannot keep from speaking the things we have seen and heard.” (Acts 4:20).

More often it is within the concourse of our daily encounters with friends, co-workers and strangers we meet along the way, as we seek mercy, do justice, and walk humbly with our God.

Yours, in Christ,
Rev. Allyn Foster

Adult Education: Sermon Discussion

Adult Christian education classes will pick up where we left off in May with our sermon discussion group. Each Sunday we will view a recording of the previous week's sermon, then we will discuss it.

No preparation is needed to attend and discuss. The discussions are not cumulative, so each session is self-contained; come when you can, don't worry about missing any. We'll start by discussing the sermon from the prior Sunday but we can take requests as well; for instance, maybe there's a sermon from the past summer you'd like to dive into.

Classes start on Sunday, September 14 and will be held in The Meeting Place. Please note the time: classes will start at 9:15 and run about forty-five minutes (longer if we're really getting into it). Dave Brummer will be facilitating the discussions. Contact Dave (dgbummer@gmail.com) if there are any questions. Hope to see you there!

AMAZING AMELIA HEADS TO EUROPE

Our Interim Music Director Amelia Wroblewski has moved many in the congregation with her exquisite musicianship at the piano since her arrival last November. As a graduate of SUNY Fredonia who double-majored in Elementary Education and Piano Performance, Amelia brought sensitivity, skill, and passion to her musical offerings. Arriving with a basic background in playing the organ, Amelia jumped at the opportunity to improve her organ skills at the OPPC Austin organ, and she succeeded admirably. She also conducted the Sanctuary Choir, the Bell Choir, and facilitated several appearances by talented guest musicians who contributed to our Worship services. Amelia has remarked often about the welcoming atmosphere at OPPC, and she has appreciated the opportunities for creativity in musically expressing spiritual themes.

As young people often do, Amelia has responded to an opportunity that was too good to pass up. She has been invited to teach language at the university level in Poland, and will begin teaching there this October. We will bid farewell to Amelia on September 7, her last full day at OPPC.

Our heartfelt thanks go to you, Amelia, for all the care and joy you put into the music that added a wonderful dimension to our Worship services. Your friends at OPPC wish you all the best for your European adventure, and hope you will remain close in spirit.

A Note from Amelia

It has been a joy to spend this past year with you as Interim Music Director. I am especially grateful for the warmth and welcome you extended to me and your willingness to get involved with the music here, whether you were a part of the choirs, collaborated with me, or extended a hello after service. OPPC is truly a special place; I often find myself talking about the great atmosphere and spirit you have created here because it is inspiring to witness your authenticity and kindness.

As many of you know, I have been teaching literacy and English for a few years. I will be beginning a new role teaching in the Department of English Philology at Jagiellonian University in Kraków, Poland, where I previously have studied Polish. While it is very far away, I already have plans to visit during the holidays and summer, and I hope that I will see all of you soon and collaborate musically during those times! It has been wonderful to create and share music together, and I look forward to seeing you in a few months. I am thrilled that Barry and Heather Dietsch will lead you through the upcoming program year and am excited to see what they have in store for the music at OPPC. Again, thank you so much for your care, collaboration, and passion for music at OPPC.

Sincerely,
Amelia

Welcome Heather and Barry Dietsch!

As OPPC bids farewell to Amelia, we also welcome new Co-Music Directors Heather and Barry Dietsch. Heather and Barry will begin their tenure as the new directors of music on Sunday, September 14, after serving in the same capacity for two decades at the First Presbyterian Church of Warren, PA. Both are retired music teachers and life-long musicians. Heather taught at Parkdale Elementary school in East Aurora and Barry at Lake Shore Central. Heather received her BM and MM degrees in piano performance at Fredonia and Bowling Green and Barry received his BA and MM in vocal performance at Allegheny College and Fredonia.

They are very excited about joining our music program and hope everyone will consider joining choir and/or bell choir. They also hope to get the youth of our church singing.

The Dietsches live in East Aurora with their daughter, Natalie, who is a sophomore pre med student at SUNY Geneseo. Heather and Barry also want us to know they are Bills and Bisons fans as well as Pirates fans!

We look forward to collaborating musically with Heather and Barry starting this September!

Jim York was introduced to handbell ringing as a youth at his hometown church in Castile, NY, where he developed a passion for the instrument. Later, he returned to ringing at First Presbyterian Church of Honeoye Falls, NY, where he also directed for many years as the bell choir grew from two to four octaves of bells and added three octaves of handchimes. He has also been a performer with the ROC City Ringers in Rochester NY and at the Wooster United Methodist Church. For the past three years, he has served as the handbell director at Baker Memorial United Methodist and he also performs with the Buffalo Bells under the direction of Linda Collett.

As both a performer and director, Jim is a lifelong learner who enjoys ringing, learning more about the bells, and helping others develop their own handbell skills and interests.

Stewardship 2025

Siblings In Christ:

The executive summary for our financial position through July remains as follows: not bad. Members are just about keeping up with their pledges (thank you). Folks who have not pledged have given more than we budgeted (thank you).

What's that "Other Income" and how did we get so lucky? Most of that money is from the pandemic (Paycheck Protection Program) and is a one-off: nice to have, but we won't see it again. Without it we would be in a negative net position.

	<u>2025 (Actual)</u>	<u>2025 (Budgeted)</u>
Pledged Income	\$130,426	\$138,833
Unpledged Envelopes	\$81,082	\$73,791
Other Income	\$165,908	\$30,684
 Total Operating Income	 \$377,416	 \$243,308
Total Operating Expenses	(\$350,984)	(\$351,363)
Net Position	\$26,432	(\$108,055)

And recall that a negative net position is just what we budgeted, to the tune of a \$185,000 deficit for the year. Recall also that any deficit is covered by money from our General Reserve Fund which is not inexhaustible.

Again, a heart-felt "thank you." Remember that you can pledge at any time during the year. As we've tried to highlight, your generosity has never been more needed.

Yours In Christ,

The Stewardship Committee

Michael Cid, Nancy Lesakowski, Doug Carpenter, David Brummer

2 Sundaes July 13 with Aug 24 Indoor Sprinkles!

Although weather reports for the two July and August Sundays that OPPC's Worship Ministry Team had planned to hold our morning services outdoors projected a strong possibility of rain, they knew that if they moved our *Sundaes Outside* inside to the Sanctuary,

there'd still be a **100% CHANCE OF ICE CREAM!** And just like the resilient, unflappable WNYers they are, our congregation weathered the change together. (The assortment of tasty toppings — and yes, sprinkles — available to them undoubtedly helped.)

OPPC Book Group Presents

Still Life by Louise Penny

Tuesday, September 16, 7pm in the Irene Irving Room

We resume in September with Louise Penny's first book in the blockbuster series about Chief Inspector Armand Gamache. The author lives in a small village south of Montreal, and in 2017 she received the Order of Canada for her contributions to Canadian culture.

In this engaging mystery, kindly Inspector Gamache and his team of investigators are called to the scene of a suspicious death in the rural Quebec village of Three Pines. A gem of a debut novel, this tale has charming characters, secrets revealed and clues hidden in plain sight. There are many sequels that are best read in order. But try not to watch the TV series about Three Pines, a disappointment after experiencing Louise Penny's masterful storytelling.

Please join us and bring friends!
