PERSONALIZED MENU POLICY

Choosing up to 5 Dinner Entrée Choices

A personalized menu is a smaller, hand-picked
menu listing up to 5 restaurant dinner entrée
choices. These choices are picked by the guest
hosting their dinner party.

Once entree choices have been selected, you will
let our Office team know so they can create the
menu for you. This menu will list the 5 choices,
will have a title (if necessary/ ex: Happy
Birthday), and can be personalized with a color of
your choice for the border.

If you have difficulty choosing entrees, don't
worry! We are here to help! Give us a call in the
Office and we can walk you thru the process to
help you choose the best selections for your
family/guests.

Appetizers & Desserts can also be pre-ordered!
