# 31 YEARS OF IMPACT

For 31 years the 100 has been blessed to serve as a beacon of leadership by utilizing our diverse talents to create environments where our children are motivated to achieve and to empower our people to become self-sufficient shareholders in the economic and social fabric of the communities we serve.

**The 100 Black Men of West Texas has:**

**MENTORED** **OVER 1,500**

at risk youth, many who are serving as role models for their communities.

**AWARDED** **\$670,000**

in scholarships to students attending prestigious institutions as Texas Tech, Lubbock Christian, Harvard, Texas A&M, Xavier, Grambling State, and the Universities of Alabama, Miami, and Texas.

**SPONSORED** **30+**

health & wellness programs, including cancer and prostate screenings, and our Life Together Couples Conference to highlight mental health and community health issues that disproportionately affect our community.

**HOSTED** **Annual Kids  
Fishing Derby**

Providing youth mentees and their families a unique outdoor opportunity to learn a valuable survival skill from a mentor and at the same time learn to exercise the virtue of patience.
