

**His Kids Daycare & Learning Center
8376 Normandy Blvd
Jacksonville FL 32221**

Open Door Policy

His Kids Daycare & Learning Center maintains an open-door policy with all parents/guardians of enrolled children. Parents/guardians are not only welcomed, but highly encouraged to volunteer and visit their child's classroom.

Parents/guardians and all visitors are required to check in with the Director or acting supervisor before proceeding to the classroom.

Parents/guardians are encouraged to help with certain tasks such as cutting out items for the classrooms, sharing information about their job or hobby, or to read to a group of children.

The teacher will always remain responsible for the student's health and safety while in the care of His Kids Daycare. Parents/guardians will have immediate access without prior notice to the center. In situations where there are custody or domestic issues, the center's Standards of Conduct will apply at all times.
