GENERAL PRICE LIST

These prices are effective as of **1 January 2025** and are subject to change without notice.

The goods and services showed below are those that we could provide to our customers. You may choose only those items you desire. However, any funeral arrangements you select will include a charge for our services. If legal or other requirements mean you must buy any items you did not specifically ask for, we would explain the reason in writing on the statement we provide, describing the funeral goods and services you selected.

PROFESSIONAL SERVICES

BASIC SERVICES OF FUNERAL DIRECTOR AND STAFF----- ***2,900.00**

Our basic fee for the services of funeral director and staff includes, but is not limited to, staff to respond to initial request for service; arrangement conference with family or responsible party; arrangement of funeral; preparation and filing of necessary authorizations and permits; recording vital statistics; preparation and placement of obituary notices; staff assistance prior to, during and following the funeral including coordination with those providing other portions of the funeral, (cemetery, crematory and others). Also included in this charge are overhead expenses relative to our facility such as continue education, state license, insurance, maintenance and utility expenses, secretarial and administrative costs, and equipment and inventory expenses. Total cost of funeral arrangements selected will include our basic services and overhead fee. This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.

EMBALMING (normal case)----- ***850.00**

Texas Law requires that a body held for **over 24 hours** or in transit must be embalmed, refrigerated, or encased in a leak and odor proof container. Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial. Due to the lack of refrigeration facilities, **embalming is required within 12 hours of death by Kubena Funeral Home policy.**

OTHER PREPARATION OF THE BODY----- ***350.00**

Our charge includes cosmetology, limited hairdressing, dressing and casketing.
