U10	4
U8	3
U6	No limit
U5	No limit

* Hold limits and rating average include the coach’s child

C. Player Ratings

1. All players are assigned a rating from 1-10, 10 being highest.
2. The rating is based on their prior season through in-season evaluations by their coach, who is to submit their own player’s ratings, and the Board can also conduct ratings for comparison. The ratings are then reviewed before finalizing ratings.
3. Players without a rating are invited to attend pre-draft evaluations.
4. Unrated players who cannot be evaluated before the draft are assigned a rating of 5 and drafted last.
5. Unrated players cannot be reserved under player holds unless the player is the child of the coach.

D. Draft Committee

4. Sequencing shall begin with the lowest team # to highest team #, then reverse from the highest to lowest team # and repeat until all rated players are rostered.
5. Players aged in the second year (older) of the age group are assigned by ranking in descending order.
6. Players aged in the first year (younger) of the age group are assigned by ranking in descending order.
7. Unrated players are drafted by second year in the Age Group, then first year.

3. A team manager is highly recommended to oversee non-sporting needs. When the coach and assistant are absent for a game, the team manager may stand-in as coach of record for in-house games. Travel/regional league games are subject to the sanctioning league rules which may not allow this option unless the team manager also has coaching credentials.

E. Game Parameters and Interaction Referee/Officials

3. For In-house games, teams shall meet at midfield and lineup opposite each other prior to kick off for pregame introduction and mutual instruction.
4. Coaches shall remain within 10 yards of field center line.
5. When perceived issues occur with a referee that require immediate attention, the coach can contact the on-site LBSRA coordinator to bring the matter to their attention. If available and deemed necessary, the coordinator will come to the field to address the situation.

F. Playing Time Requirements

1. All recreational players – whether in-house or regional play – are to play a minimum of 50% of each game.
2. The time does not have to be contiguous/continuous and precise timing is not required. Honest, best judgment is satisfactory.
3. Late arrival or unwillingness to participate can be considered as part of the time requirement.
4. Late arrival and unwillingness to participate should be discussed with the parent/guardian to clarify why a player did not receive expected playing time.

1. Discussion. Verbally discuss with the parent/guardian the issue to determine if there is corrective action that can be taken to resolve the problem.

1. Authorized Field Entry

Coaches or team parents are permitted to enter the field to provide care for an injured player, but only after receiving explicit direction from the referee. This protocol ensures that the game remains orderly and respects the referee's authority over play.

2. Exceptions for Significant Injuries
