
GOING WHERE YOU WANT TO GO

Participant Notes

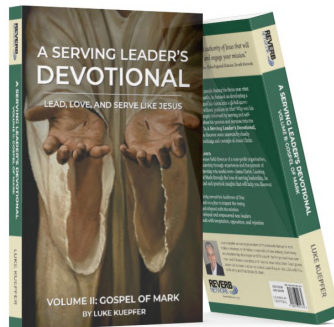

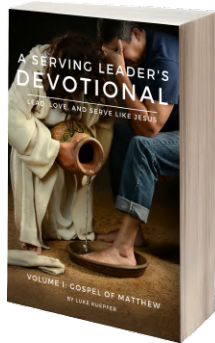

Going Where You Want to Go

NOTES

"Many people die at twenty-five and aren't buried until they are seventy-five."
-Benjamin Franklin

1. The **journey** is just as important as the destination.
2. Change is inevitable, but **growth** is optional.
3. It takes the most energy in the **beginning** to break out of the gravity zone of deeply embedded negative habits, mediocrity, status quo achievements, and present day tendencies you hold to that are resulting in little or no growth today.
4. Begin with the **end** in mind.
5. **Evaluate** your journey and consider how you can make the world a better place after you're gone.
6. "We make a living by what we **get**, we make a life by what we **give**." -Winston Churchill
7. "There are no **shortcuts** to any place worth going." -Beverly Sills
8. Expend great amounts of energy developing the hidden **character** of your heart and personal **integrity**.
9. Overcome three leadership temptations:
 - Choose **eternal** rewards over immediate gratification.
 - Use your God-given abilities for a **higher** purpose.
 - Avoid **shortcuts** to success.
10. "Will you look back on life and say, 'I wish I had' or '**I'm glad I did?**'" -Vicki Hitzges
11. "Who will attend your **funeral** without looking at his watch?"
-Bob Buford
12. Live for **testimonies** rather than **trophies** and titles.
