VERIFICATION AND EVALUATION OF HSD/GED, TRANSCRIPTS

Proof of HSD or GED must be submitted to the school at the time of enrollment. Students must provide an official transcript for prerequisite courses. An academic grade of “C” or above is required for all pre-requisite courses for admission to all programs.

Transcripts are recognized by United States Department of Education (USDE) or the Council for Higher Education Accreditation (CHEA). In certain rare specific instances where conditions prevent the procurement of required verification of graduation the Academy may opt to coordinate testing or independent third-party review in lieu of normally required verification. These instances include specific documented events and/or conditions which render the high school record unavailable. All such instances require the approval of the school Director or President.

It is at the discretion of other educational institutes to accept courses taken at CAAN Academy of Nursing as to be transferable.

There is no advanced placement and/or credit given for experiential learning.

CAAN Academy of Nursing does not guarantee employment.
