

# BrimStone 17

## 8-0-0 with 17% Sulfur

BrimStone 17 is a complementary source of nitrogen and sulfur that can be applied to a variety of crops, when the soluble and available nutrients represented on the label are needed. It can be used on a broad spectrum of field, fruit, vegetable, and forage crops.

### DIRECTIONS FOR USE:

**HAY AND PASTURE:** Apply 1 to 2 quarts per acre during the vegetative growth stage, as needed. Can be applied with Forage Factor and EARTHQUAKE Liquid Humic.

**SOYBEANS AND COTTON:** Apply 1 quart per acre during the vegetative growth stage. Can be added to an existing application, at a pint per acre during the reproductive growth stage.

**CORN AND WHEAT:** Apply 1 to 2 quarts in a 2x2 program, or 1 quart when applied in furrow. Apply 1 to 2 quarts per acre during the vegetative growth stage.

**TURF & ORNAMENTALS:** Apply at a rate of 1 to 1.5 oz/1000ft<sup>2</sup>. Apply .5 to 1 oz/gal of water in dip or drench applications.

**ALL OTHER CROPS:** Apply 1 quart per acre during the vegetative growth stage, as needed.

**NOTES:** Apply with 10 to 20 gallons of water. Can be applied with other Sugar Creek Ag products and most herbicides, pesticides, and fungicides. Can be applied through drip or overhead irrigation. BrimStone 17 can be impregnated on granular fertilizer at 1 quart per 300 pounds. Agitate before use.

#### GUARANTEED ANALYSIS:

Total Nitrogen (N).....	8%
8% Ammoniacal Nitrogen	
Sulfur (S).....	17%
17% Combined Sulfur (S)	

Derived from: Liquid Ammonium Thiosulfate

**BULK WEIGHT/GAL: 9.9 LBS AT 68°F**

**GENERAL INFORMATION:** Sugar Creek Ag suggests growers conduct soil tests and amend the soil accordingly. This product should be applied as a supplement to your overall fertility program. We suggest conducting a jar test prior to mixing with other ingredients to establish compatibility. If the solution is left in the spray tank overnight, agitate thoroughly before spraying. To avoid crop damage due to high temperatures, it is suggested to apply early morning or early evening. Product should not be stored where freezing is possible. Product may settle in storage and should be agitated before use.

**WARRANTY AND CONDITION OF SALE:** Manufacturer warrants that this material conforms to the chemical description on the label, and this product is reasonably fit for use as directed. No other warranty is made, either expressed or implied. Buyer acknowledges and assumes all risk and liability resulting from handling, storage, and use of this material. Manufacturer shall not be liable for claims resulting from use of this product not in accordance with the general information, application directions, and warnings on the label.

**WARNING: KEEP OUT OF REACH OF CHILDREN.** In case of contact with eyes, flush with water. Contact physician if irritation persists. Dispose of container in accordance with local, state, and federal regulations.
