

Cal-zone

10% Soluble Calcium

Cal-zone is a complementary source of Calcium that can be both foliar and soil applied when calcium is needed. It can be used on a broad spectrum of field, fruit, vegetable, and forage crops. Cal-zone is 100% water soluble and immediately available to the plant.

DIRECTIONS FOR USE:

When applying with Liquid Nitrogen, apply 1 gallon of Cal-zone per 10 gallons of Nitrogen.

General Application Rate:

Apply at least 3 gallons per acre.

If base saturation of 60% or higher: Apply 3 to 4 gallons per acre.

If base saturation below 60%: Apply 4 to 5 gallons per acre.

Cal-zone can be applied by itself, with liquid nitrogen or ATS.

IMPORTANT: TO AVOID THE FORMATION OF INSOLUBLE PRECIPITATES, DO NOT MIX WITH MATERIALS CONTAINING PHOSPHATE OR POTASH.

NOTES: We suggest conducting a jar test prior to mixing with other ingredients to establish compatibility.

BULK WEIGHT/GAL: 11.04 LBS AT 68°F

GENERAL INFORMATION: Sugar Creek Ag suggests growers conduct soil tests and amend the soil accordingly. This product should be applied as a supplement to your overall fertility program. We suggest conducting a jar test prior to mixing with other ingredients to establish compatibility. If the solution is left in the spray tank overnight, agitate thoroughly before spraying. To avoid crop damage due to high temperatures, it is suggested to apply early morning or early evening. Product should not be stored where freezing is possible. Product may settle in storage and should be agitated before use.

WARRANTY AND CONDITION OF SALE: Manufacturer warrants that this material conforms to the chemical description on the label, and this product is reasonably fit for use as directed. No other warranty is made, either expressed or implied. Buyer acknowledges and assumes all risk and liability resulting from handling, storage, and use of this material. Manufacturer shall not be liable for claims resulting from use of this product not in accordance with the general information, application directions, and warnings on the label.

WARNING: KEEP OUT OF REACH OF CHILDREN. In case of contact with eyes, flush with water. Contact physician if irritation persists. Dispose of container in accordance with local, state, and federal regulations.
