

Fulvic FM

4% Fulvic Acid

Fulvic acid is a naturally occurring compound and is a component of humic substances. It has the ability to bind to minerals and nutrients, thus making nutrients more available to the plant – both applied nutrients and those present in the soil.

DIRECTIONS FOR USE ON ALL CROPS:

FOLIAR APPLIED: 1 to 4 pints per acre. Can be added to any foliar nutrient application. Can accompany applications of herbicides, pesticides, and fungicides.

SOIL APPLIED: 1 to 4 quarts per acre. Can be applied at planting, with liquid nitrogen and other NPK blends.

OTHER APPLICATIONS: At planting with starters 1 to 4 quarts per acre and with liquid nitrogen 1 to 4 quarts.

NOTES: Can be applied with other Sugar Creek Ag products and most herbicides, pesticides, and fungicides. Can be applied through drip or overhead irrigation. Agitate before use.

GUARANTEED ANALYSIS:

Fulvic Acid 4%

BULK WEIGHT/GAL: 8.75 LBS AT 68°F

GENERAL INFORMATION: Sugar Creek Ag suggests growers conduct soil tests and amend the soil accordingly. This product should be applied as a supplement to your overall fertility program. We suggest conducting a jar test prior to mixing with other ingredients to establish compatibility. If the solution is left in the spray tank overnight, agitate thoroughly before spraying. To avoid crop damage due to high temperatures, it is suggested to apply early morning or early evening. Product should not be stored where freezing is possible. Product may settle in storage and should be agitated before use.

WARRANTY AND CONDITION OF SALE: Manufacturer warrants that this material conforms to the chemical description on the label, and this product is reasonably fit for use as directed. No other warranty is made, either expressed or implied. Buyer acknowledges and assumes all risk and liability resulting from handling, storage, and use of this material. Manufacturer shall not be liable for claims resulting from use of this product not in accordance with the general information, application directions, and warnings on the label.

WARNING: KEEP OUT OF REACH OF CHILDREN. In case of contact with eyes, flush with water. Contact physician if irritation persists. Dispose of container in accordance with local, state, and federal regulations.
