

# Show Up

## 7-25-5 Starter

Show Up is a seed-safe 50/50 liquid starter that can be applied with liquid nitrogen. Polyphosphate extends nutrient availability as it is broken down by soil microbes and released in the seed and root zone. Low-rate application allows for other beneficial products to be added to your starter program.

### DIRECTIONS FOR USE:

**IN-FURROW:** Apply 2 to 4 gallons per acre.

**2x2:** Apply 3 to 5 gallons per acre. When applying less than 5 gallons per acre, grower may want to supplement this application with the addition of Liquid Nitrogen, up to 5 gallons.

**NOTES:** Foliar apply any remaining product at 1-2 gallons per acre.

### 7-25-5

#### GUARANTEED ANALYSIS:

Total Nitrogen (N).....	7%
6% Ammoniacal Nitrogen	
1% Urea Nitrogen	
Available Phosphate (P <sub>2</sub> O <sub>5</sub> ).....	25%
Soluble Potash (K <sub>2</sub> O).....	5%

Derived from: Ammonium Polyphosphate, Potassium Hydroxide, Phosphoric Acid, Urea

**BULK WEIGHT/GAL:** 11.2 LBS AT 68°F

**GENERAL INFORMATION:** Sugar Creek Ag suggests growers conduct soil tests and amend the soil accordingly. This product should be applied as a supplement to your overall fertility program. We suggest conducting a jar test prior to mixing with other ingredients to establish compatibility. If the solution is left in the spray tank overnight, agitate thoroughly before spraying. To avoid crop damage due to high temperatures, it is suggested to apply early morning or early evening. Product should not be stored where freezing is possible. Product may settle in storage and should be agitated before use.

**WARRANTY AND CONDITION OF SALE:** Manufacturer warrants that this material conforms to the chemical description on the label, and this product is reasonably fit for use as directed. No other warranty is made, either expressed or implied. Buyer acknowledges and assumes all risk and liability resulting from handling, storage, and use of this material. Manufacturer shall not be liable for claims resulting from use of this product not in accordance with the general information, application directions, and warnings on the label.

**WARNING: KEEP OUT OF REACH OF CHILDREN.** In case of contact with eyes, flush with water. Contact physician if irritation persists. Dispose of container in accordance with local, state, and federal regulations.
