

War N-K

13-0-5 with Humic Acid, Fulvic Acid, and Seaweed Extracts

Powered by a patented biostimulant blend, War N-K supplies plant-available nutrition plus activated humic and fulvic acids, building better root systems, improving uptake, and helping crops tolerate drought and weather extremes.

DIRECTIONS FOR USE:

SOD AND TURF: Apply 1-4 qts per acre

ALFALFA, HAY AND PASTURE: Apply 1-4 qts per acre

CORN, SOYBEANS: Apply 1-2 qts per acre at planting or with herbicide application

CONTAINS NON PLANT FOOD INGREDIENTS:

Humic Acid.....	10%
Fulvic Acid.....	5%
Seaweed Extract.....	20%

Derived from: Urea, Potassium Hydroxide

BULK WEIGHT/GAL: 11.3 LBS AT 68°F

GENERAL INFORMATION: Sugar Creek Ag suggests growers conduct soil tests and amend the soil accordingly. **This product is intended as a supplement only and should be used in conjunction with a standard fertility program.** We suggest conducting a jar test prior to mixing with other ingredients to establish compatibility. If the solution is left in the spray tank overnight, agitate thoroughly before spraying. To avoid crop damage due to high temperatures, it is suggested to apply early morning or early evening. Product should not be stored where freezing is possible. Product may settle in storage and should be agitated before use.

WARRANTY AND CONDITION OF SALE: Manufacturer warrants that this material conforms to the chemical description on the label, and this product is reasonably fit for use as directed. No other warranty is made, either expressed or implied. Buyer acknowledges and assumes all risk and liability resulting from handling, storage, and use of this material. Manufacturer shall not be liable for claims resulting from use of this product not in accordance with the general information, application directions, and warnings on the label.

WARNING: KEEP OUT OF REACH OF CHILDREN. In case of contact with eyes, flush with water. Contact physician if irritation persists. Dispose of container in accordance with local, state, and federal regulations.
