Hello SPRING

It is said that March comes in like a lion and leaves like a lamb. Regardless of what storms may enter your life you can stay steady as long as you’re walking with God. He is our firm foundation, we will not be shaken. *P. Darby*

---

**Building on a Firm Foundation**

“Therefore everyone who hears these words of Mine and does them will be like a wise man who built his house on the rock. And the rain fell, and the floods came, and the winds blew and beat against that house; and yet it did not fall, for its foundation had been built on the rock. Matthew 7:24-25

**What's a positive quote for today?**

“Wherever you go, no matter what the weather, always bring your own sunshine.” “If you want light to come into your life, you need to stand where it is shining.” “Success is the sum of small efforts repeated day in and day out.” “Happiness is the only thing that multiplies when you share it.”
Congratulations to March Students of the Month

Striving for excellence in all areas is the goal of this month's Students of the Month. They have kept their eyes on their goal and are recognized for their tenacity to be their best. Congratulations to this month's students for achieving their goal.

“I can do all things through Christ who strengthens me.” - Philippians 4:19

Blair Philips - K          Luke Goodwill - 1st grade          Anyah West - 2nd grade
Faith Cervantes - 4th grade          Da' Ryanna Luck - 5th grade          Da'janae Thompson - 6th Grade
Anaiya Fyffe - 8th grade
WHAT IS “PI DAY?”

March 14th is a day to celebrate the geometrical constant, Pi. National Pi Day is a fun way to learn and create activities, (and sometimes snacks), with the students while they learn about the circumference of a circle.

The 5th-8th Graders were introduced to this concept and participated in an activity where they had to throw a ball to their classmates and keep it in the air for 3 minutes and 14 seconds, hence, 3.14, the number for Pi. After a few tries, they were successful in accomplishing their goal!

LEARNING THE PERIODIC TABLE OF ELEMENTS

Scavenger Hunt:
“FINDING THE ELEMENT”
(5th and 6th Graders)

The students had to find various items that contained elements of the periodic table using their periodic table chart. They enjoyed working as a team in finding and listing their items. They were learning while having fun.

Women’s History Month

Women’s History Month is a celebration of women’s contributions to history, culture and society and has been observed annually in the month of March in the United States since 1987. Women’s History Month 2022 will take place from Tuesday, March 1-Thursday, March 31, 2022.

Thank God for the women who had a positive influence in your life and have helped you in your walk with the Lord to accomplish your destiny.
UPCOMING EVENTS & DATES

March 28th thru April 1st - Science Fair
April 6th - Ms. Adriane Slater’s Remembrance Ceremony, 10 a.m.
April 15th - Good Friday, No school
April 17th - Resurrection Day

DT Open House
MAY 12TH, 2022 5PM - 8PM

Enrollment is now open for the 2022-2023 school year. Let your family and friends know that Dawn Treader Christian School is the place to be. Invite them to sign up their child now. Mrs. Montero would love to hear from them. Please give her a call at the school @ 973-345-9830.
