2022 Theme:

EXALT THE LORD WHO HAS ESTABLISHED US

This month has been filled with celebrations, learning, and observances of Teacher’s Appreciation Week, The National Day of Prayer, Mother’s Day, and Jewish American History Month.

Each year the United States sets aside the first Thursday of May for our nation to pray on behalf of our country. On May 5th we joined together to commemorate the National Day of Prayer. This year during our morning chapel faculty and students came together to petition God on behalf of our country. Certainly, we are told in scripture to pray without ceasing, but these times are unlike any that we’ve ever experienced.

The need for prayer and God’s intervention is even greater than ever before. The prayer was led by Dawn Treader Christian School staff and students, as parents and family joined in. We continue to stand on the word of God knowing that he hears us when we call on Him out of a sincere heart (2 Chronicles 7:13-14). Through prayer, we are able to tap into God’s wisdom, strength, power, and protection for ourselves and for our country. The power of effective prayer: praying without ceasing, praying without ceasing.

Jewish Heritage Month

Jewish Heritage Month is to remember the accomplishments and hardships of our Jewish American citizens. As Christians, our spiritual heritage is rooted in Jewish heritage. The Bible states that our salvation is of the Jews. Jesus himself, when he came to earth, grew in the faith and traditions of the Jewish heritage. It is because of Him that we have been adopted into God’s royal family. We celebrate with our sisters and brothers of the Jewish nationality, and thank God for them. We bless God and pray for the peace of Jerusalem.

Memorial Day—May 30, 2022

Memorial Day is a federal holiday observed every year on the last Monday in May. This day honors those who died serving in the United States military. In the United States, Memorial Day weekend signifies the upcoming summer season. Most schools, government offices, and businesses will be closed on this day. Armed Forces Day honors those who currently serve in the military and Veterans Day honors men and women who have previously served in the United States Military. It is on this day that we remember and honor the lives of those who fought for our country and gave their life on our behalf. We pray for the families of those who have lost loved ones. We are thankful to God for their bravery and sacrifice for our country.

DTCS Eighth Graders

The Eighth Graders have been preparing for their end of the year festivities. They have begun writing their Psalms, preparing for a trip, their end of the year ceremony, and so much more. This is sure to be a time of celebration and reflection as this has been our first full year back in school since the pandemic. Thank God for progress and the opportunity to safely celebrate our eighth graders as they head toward their next facet in life: High School. Let us continue to pray that they allow Jesus to direct their path and future decisions.
