Fifth - Eighth Grade Supply List

2026-2027 School Year

Dear Students and Families,

Welcome to another exciting year at Dawn Treader Christian School! My name is Ms. Jessie Davis, and I am thrilled to be your middle school teacher this year. I am looking forward to partnering with you as we work together to make this a year of growth, learning, leadership, and achievement.

Middle school is an important season of growth. During the 7th and 8th grade years, students begin developing the habits, skills, and character that will prepare them for success in high school and beyond. This year, our goal is not simply to complete assignments or earn grades. We are working to develop thoughtful learners, effective communicators, responsible leaders, and young men and women who honor Christ in all they do.

In our classroom, students will be challenged to think critically, write effectively, communicate confidently, and demonstrate leadership both inside and outside the classroom. We will read engaging literature, conduct research, participate in discussions and presentations, and strengthen the organizational skills that are essential for success in high school and life.

Our middle school culture emphasizes:

- Academic excellence and high expectations
- Organization and responsibility
- Critical thinking and problem solving
- Leadership development
- Strong communication skills
- Biblical character and Christian worldview

One of the keys to success in middle school is organization. Students will be expected to maintain their binders, keep track of assignments, and manage long-term projects. These habits will help prepare them not only for high school but for future leadership opportunities as well.

As we begin this school year together, I encourage each student to come ready to learn, grow, serve, and lead. There will be challenges, opportunities, and moments of discovery along the way, but I am confident that through hard work, perseverance, and God's guidance, this will be a year of tremendous growth and success.

I am excited about the year ahead and all that God has in store for our students. Thank you for your support and partnership!

Blessings,

Middle School Teachers
Dawn Treader Christian School
