

Celebrating Black History Month

Dear Parents, Students, and Staff,

In February, Dawn Treader Christian School eagerly embraces a month filled with both learning and celebration. This special month highlights two important events: the 100th Day of School and Black History Month.

Throughout February, we are honoring the rich history and achievements of African Americans through various educational activities and heartfelt presentations. It was truly inspiring to witness the dedication and passion displayed by our students as they poured their hearts into their Black History presentations.

From meticulously researched projects to heartfelt speeches, each contribution exemplified a profound appreciation for the rich and diverse history of African Americans. Moreover, the unity and enthusiasm with which our school community celebrated this important month were truly mesmerizing. Seeing everyone come together in one spirit to honor and commemorate the contributions of African American leaders and changemakers underscored the power of education and collective reflection.

- 100 Days Smarter -

Our school recently celebrated the exciting milestone of 100 days of learning, growth, and achievement! The atmosphere was buzzing with energy as students arrived at school with creative costumes and accessories featuring the number 100. From colorful “100 days smarter” crowns to shirts decorated with 100 stickers, our students showcased their enthusiasm for learning and reaching this milestone.

As we look ahead to the next phase of our academic year, we are filled with excitement and optimism for the opportunities and adventures that lie ahead. With 100 days behind us, we are ready to embark on the next days of learning and discovery together.
