The Prize is valued at \$250.00 CDN each.

The Prize is awarded “as is” with no warranty or guarantee, either express or implied, and cannot be exchanged for cash or other substitutes. The winner will be subject to all terms and conditions for use of the Prize as

dictated by the Prize's retail supplier. Heart & Stroke is not responsible for any costs associated with assembly, usage, training or setup of the Prize. Heart & Stroke reserves the right to change, substitute or cancel the Prize at any time, without notice.

## 5. WINNING

All Entrants during the Contest Period will be eligible to win the Prize. On July 2, 2026, at approximately 1:00pm EST, one (1) name will be drawn from all eligible entries. The winners will be contacted by email or phone, from Toronto. Heart & Stroke reserves the right to modify the scheduling of the Contest without prior notification.

The Prize will be emailed to the winner within four (4) to six (6) weeks of the Draw. The Prize will be emailed to the winner and therefore a valid e-mail address must be provided to Heart & Stroke in order to claim the Prize. Failure to provide a valid email address will result in forfeiture of the Prize.

Odds of winning the Prize depend on the number of eligible entries received during the Contest Period.

In order to be declared a winner, an Entrant must be in compliance with the Rules including, but not limited to, the following:

- a) A representative of Heart & Stroke must be able to reach the potential winner by email or phone informing them that they are the potential winner, subject to them being in compliance with all the Rules. The potential winner is required to respond to the email or phone notification within forty-five (45) business days of the email being sent or phone call being made by Heart & Stroke. Potential winners who are contacted by email will receive an email confirmation that their email response was received. If the potential winner is unreachable during this timeframe, another potential winner will be selected from the remaining eligible entries and the same selection procedure set out in this section will be followed. An e-mail notification that is returned to the Heart & Stroke sender as undeliverable may result in the selected winner being disqualified and an alternate selection of a potential winner may be drawn.
- b) The potential winner must correctly answer a mathematical skill-testing question administered by Heart & Stroke or its agent by telephone within forty-five (45) business days of being contacted by Heart & Stroke.
- c) The potential winner, or another authorized representative of the winner's organization, must complete, sign and return a standard release and waiver form in favour of Heart & Stroke, its affiliates and its directors, members, employees, officers, licensees, licensors and agents, and respective advertising and promotion entities and any person or entity associated with the production, judging, or administration of the Contest (collectively, the "**Releasees**") forty-five (45) business days from the date on which the form is sent to the winner.

If a potential winner does not meet the eligibility requirements or is not in compliance with the Rules, the Contest judges reserve the right to disqualify such Entrant from the Contest and randomly select further Entrants from the remaining eligible entries until a winner is finally declared. Entrants will not be individually contacted, except for the potential winner.

## 6. INDEMNITIES AND DISCLAIMERS

Entrants agree to indemnify and hold Heart & Stroke and its affiliates and its directors, members, employees, officers, licensees, licensors and agents, and respective advertising and promotion entities and any person or entity associated with the production, judging, or administration of the Contest (collectively, the "**Indemnitees**") harmless from any and all claims, cause of action, damages, expenses, costs (including but not limited to reasonable attorneys', accounting and other professional fees) and liabilities (including settlements), brought or
