

COVID FUNCTIONAL FRAMEWORK

COVID FUNCTIONAL FRAMEWORK FOR AFL NEB FEMALE FOOTBALL LEAGUE

AFL Victoria and its affiliated bodies seek to provide a safe, welcoming, and inclusive environment for people to experience Australian Rules Football, to overcome adversity and unite communities through the game of Australian Rules Football.

As the governing body, through the provision of leadership and being outcome focussed, we will focus on what can be done, to Return to Play and supporting our Leagues.

The COVID Functional Framework is to support Community Football for a Return to Play in 2022 and beyond recognising the potential impacts of any interruptions and being prepared for the various scenarios:

- It includes a set of agreed terms that will work as 'triggers'.
- It will remove ambiguity around decision making, reduce the stress and anxiety on administrators/volunteers and clearly outline the way forward in a simple, concise, and easy to understand format.
- The Framework is focussed on the provision of guidelines that will allow the management of a season following the cancellation of 2020 and impacted 2021 seasons.

In the COVID environment we need to establish a minimum viable season will be a version of our normal with enough features to be usable by leagues, clubs, and participants.

Don't let perfect get in the way of good.

What does this mean? It doesn't have to be perfect; the highest priority is to Return to Play in a safe and welcoming environment. Quality and equitability come a distant second to the goal of creating a season that gets underway, can be flexible with fixturing and can accommodate a finals series.

This Framework is built on the willingness to present a viable season that gives participants the opportunity to participate and provides the vehicle to feel connected in difficult times.

It is proposed that each League adopt framework which can manage the scenarios of an impacted season.

COVID FUNCTIONAL FRAMEWORK

Governing Principals

- That the health and safety of the community remains the highest priority
- That whilst balanced competition is important, that the opportunity to participate whenever possible be of higher priority
- That where possible the H&A and Finals shall be conducted within the traditional timeframes
- Equality in the draw be of lesser importance than opportunity to participate whenever possible
- If the Finals Series is cancelled, a Minor Premiership be awarded once a minimum of **8** H&A games be achieved
- That a minimum viable season which triggers a finals series be the maximum number of games possible and not influenced by traditional fixture requirements and expectations
- That a Finals Series be played with a minimum of 1 week (1 v 2) and up to the leagues traditional final's series
- Should any scenario occur which is not covered within this framework then the matter shall be referred to the League Executive to determine at their absolute discretion

Subject to changes in the Federal or State Government COVID Restrictions and AFL Victoria Protocols, a season may be impacted which shall trigger the implementation of the following framework.

1. Vaccinations Policy

Refer to the Victorian Government website [How we live: Information for Victorians | Coronavirus Victoria](#) and **Getting active**.

Refer to the [NSW Government website](#) for up-to-date Coronavirus information and directives.

Vaccination requirements don't apply to people involved in community sport (e.g., a local footy match) or people using swimming pools for essential medical care like hydrotherapy.

If the space is being operated only for the purpose of community sport, participants, spectators and workers (including volunteers), are excluded from the vaccination requirement.

2. Positive COVID TEST

Should a Player/Official receive a positive COVID Test Result, they must immediately follow either Victorian or NSW Health Authorities directions, relevant to where they reside.

The Player/Official must advise the Club immediately of the positive COVID Result and the Club assess the potential extent of exposure to its players and officials and notify the relevant League Manager immediately.

Based on the extent of exposure, should the number of players in COVID isolation affect their ability to field teams the relevant framework shall be enacted.

Public Health Authority shall advise on an individual's ability to return to training or playing.

3. Impact of a COVID Interruption to Open Age Team Player availability

- Should players be unavailable to play any game as scheduled by the league due to COVID isolation requirements, Senior games will be played provided that:
 - Senior teams can field a minimum of **10 players and 2 on the bench, 12 in total**

COVID FUNCTIONAL FRAMEWORK

- Should a team not be able to field **10 players and 2 on the bench, 12 in total**, the game shall be cancelled, and each team awarded 2 competition points
- Teams must have equal number of players on the field at the commencement of the match
 - Senior teams shall not share players
- Where games are cancelled, teams are encouraged to play a practice match where possible

4. Impact of a COVID Interruption to Junior Team Player availability (Under 17 and below)

- Should players be unavailable to play any game as scheduled by the league due to COVID isolation requirements, Junior games will be played provided that:
 - Teams can field a minimum of **10 players** in total
 - Teams are required to share players to meet the minimum requirement
 - Should a team not be able to field **10 players**, the game shall be cancelled, and each team awarded 2 competition points
 - Teams must have equal number of players on the field at the commencement of the match.
 - If one team has more players than the other team, the team with more players than the team with fewer players must share the excess players until each team has an equal numbers of players. If the number of excess players from the club with more players is an odd number, then the team with the greater number of players will retain one extra player on the bench
 - Teams may have unequal numbers on the bench
 - Where games are cancelled, teams are encouraged to play a practice match where possible

5. Impact of COVID on Umpire Availability

- Should umpires be unavailable to be appointed to matches as scheduled due to COVID isolation requirements, Senior matches shall be a higher priority than Juniors
- Should umpires be unavailable to be appointed to Senior matches as scheduled by the league/umpire association due to COVID isolation requirements, Field umpires will be appointed as first priority, and Goal umpires will be appointed as second priority.
- Should an umpire group not be able to appoint Field umpires to all Senior matches, or where only partial umpire panels are appointed (e.g., Field umpires only) or Goal umpires do not attend to officiate a match, the competing Teams may appoint an umpire(s) to officiate in those roles.

- Where a match is not appointed any league/association Field umpires, clubs will refer to the [AFL Laws of the Game, Law 8.1.4](#) where the competing Teams may appoint a Field Umpire each to officiate the match.
