

Welcome to the 102nd Sing!

Wow! They say that “Time flies when you’re having fun!” Well, we definitely had a lot of fun at last year’s Sing! We must have been having a lot of fun since then, because here it is time again to celebrate together at the 102nd State Annual Singing Convention! Thanks to the best Board of Directors who work together with true dedication and feel so much like family. They have put in an enormous effort putting this year’s celebration together for all to enjoy. We welcome you, your families, and your friends to join us in the “Grove” for song, worship, ministry, and praise, all in the name of our Lord and Savior, Jesus Christ!”

Sincerely,
Danny Holland, President

Welcome To The Town Of Benson ...

On behalf of the Town of Benson, our Employees, and Board of Commissioners, I would like to welcome you to Benson and the 102nd State Annual Singing Convention. Gospel Music is an important part of the fabric of our community. There is a sound that comes from gospel music that does not come from anything else. It is the food for our soul. I hope you will be blessed by the amazing music and talented artists this weekend. The program is bigger and better, please do not miss it.

I would like to express my appreciation to the Singing Convention Board of Directors for their tireless work and dedication throughout the years to making this weekend one that you will genuinely enjoy. It is these public servants, like those on the Singing Convention Board, who make Benson a wonderful place to live, work and raise a Family. I hope that you enjoy the Singing Convention. Welcome To Benson.

Welcome to the Benson Singing Convention! Benson is proud of this 102 year old event and is happy that you are sharing the weekend with us. While in town be sure to visit our shops and restaurants.

Our businesses are thriving and thankfully we survived the pandemic with little interruption. Our community continues to grow and we are working hard to make Benson the best place to live, work, and play.

And if you long for a hometown that offers friendly people, charming and historic architecture, shopping and restaurants, quality services, affordable housing, great schools and varied recreation - all within a few miles – come and stay! Although growing, Benson retains our small-town charm and southern hospitality. See y'all at the Singing Grove in beautiful, historic downtown Benson!

Barbara

The State Annual Singing Convention Board of Directors is thrilled to dedicate this year's Souvenir book to two tireless volunteers – Howard and Barbara Stewart

Howard and Barbara have served The Sing with their whole hearts for many years. They ensure that the changing facilities and rest rooms are in tip top shape. They take immaculate care of the grounds during the entire weekend. If the Board of Directors need anything, they are enthusiastically available to find or fix or perform whatever is needed. And it's always done well and with a huge smile.

Howard and Barbara were married on September 21st, 1968. They raised their 2 children, Renee Stewart and James Brent Stewart in Benson. Howard worked in construction for the majority of his career and then for the town of Benson for several years.

Thanks for all the years of friendship and dedication to "The Sing"!

Howard & Barbara

What sweet servant hearts!

Howard

Truly good, Christian people that I am glad to call my friends!

2023 Dedication

Howard & Barbara Stewart

You see them and
you see nothing
but smiles and joy!

Barbara

They always go
beyond what their
assigned tasks are...
Always!

Barbara & Renee

Always remember
them being so ready
to help anyone and
do anything that
weekend.

Barbara worked at South Johnson High School in the custodial department from 1982 to 1995. She then worked for the town of Benson as head custodian from 1995 to 2014 when she retired.

During the time of raising their family and working in the community where they lived, they also gave back.

Howard and Barbara had attended the Benson Sing for many years with their children. They loved the atmosphere and family time spent together singing and listening to the gospel music.

Barbara and Howard began working at the Sing in 1995 and, now that they are retired, they continue to serve each year. They joined Free Will Baptist Church in Dunn in 1986, where they still attend today. The Benson Sing has always brought joy to The Stewart Family and is a tradition they continue to enjoy participating in and attending each year.

New Board Members

Joey Gore

Joey has been coming to the Singing Convention since he was a teenager. His first group, The King's Children, sang here many times. Joey's love for God and gospel music has been evident his whole life. Today he is the director of the Wilmington Celebration Choir, producer for Serenade Recording Studios, Worship Leader and pianist for several churches and sings with the Willing Heart trio as well. His travels have taken him all across the United States and countries around the world.

"I am honored to be asked to be a part of the Convention Board and am looking forward to serving many years!"

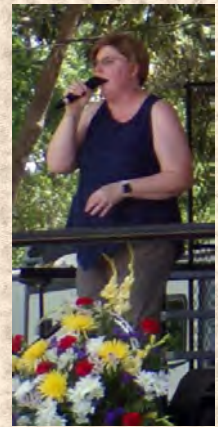

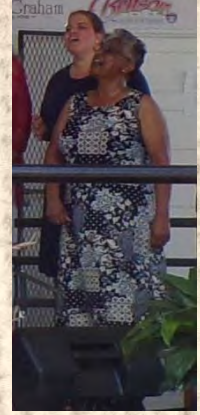

Kim Johnson

Kim Johnson has been involved in gospel music most of her life. She has many memories of participating in the Benson Sing with her family groups, the Johnson Sisters Trio and the Good News Family Singers. For the past several years she has been a member of the Joys and ministers with James and Vicki Addison. Kim served as the worship leader at Virginia Beach FWB Church for 14 years. She has a degree in music and taught music classes and directed choirs in North Carolina and Virginia schools. She worked as a Gifted Resource teacher in Virginia Beach and now works for Johnston County schools as an Advanced Learning Coach. Kim has met some lifelong friends at the Benson Sing and she is honored to serve on the Board.

Karson McCullen

Karson is a native of Newton Grove, NC and is currently 24 years old. Karson is very active in his home church, Mount Olive First Pentecostal Holiness Church in Mount Olive, NC. Along with serving in various ministry opportunities, you may recognize Karson behind a grill or serving a cup of coffee at The Farm House Cafe and Bakery located in Newton Grove, NC. Karson owns and operates this establishment, which opened in 2020, and specializes in breakfast, lunch, buffet, and catering. Karson has also traveled in ministry throughout the years with Rev. Tyler Jernigan as well as The Wilmington Celebration Choir where he sang across the country with them for eight years. You may even see him from time to time with the WCC on occasion. His love and heritage for Southern Gospel Music runs deep through his veins as he grew up in old fashioned campmeeting revivals, listening and singing the great old songs of the church.

Sunday Morning at the 101st

*Pastor
Tom Wagoner*

Central Baptist Choir

We had a wonderful service. God was in the Grove that day. Pastor Tom challenged us from God's Word and our hearts were directed to God in worship as the choir energetically sang the praises exalting our God.

Join us this year for Sunday Worship in the Grove!

The Littles will lead us in musical worship and
"Preacher Jack" Little will bring the message.

The Service begins at 10:30 am!

The Littles are
sponsored by:

Luby Wood Appreciation

Thank You

to Luby and Catherine Wood

Although not residing in or near Benson for years, Luby's love for his hometown area, including its State Annual Singing Convention, never wavered. This love has been evidenced by his generous donation for the purchase of the Baby Grand piano for the Sing and by the sponsoring of Grand Champion Trophies and professional Singing Groups.

Since 2018 to 2023, Mr. Wood has funded the cost of the Singing Convention's tent. Everyone has enjoyed this new addition to our Sing.

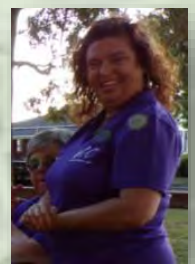

The local area has benefitted greatly from Luby's generosity. He served for several years on the Board of Directors for the Benson Museum of Local History, and he helped construct the first Habitat House in Benson. He was instrumental in building the Christian Ministry Center at Banner Chapel Advent Christian Church near Benson. He and Catherine have recently added another addition to the Banner Chapel CMC named The Edsel Wood Annex, named in memory of his brother Edsel Wood. The Center is named in memory of his mother, Mrs. Belle Wood. Luby's love and support to Campbell University is evidenced by his contributions to the new student resident hall, which is named in his honor. The Catherine W. Wood School of Nursing is named for his wife Catherine, who is a registered nurse herself. Luby is serving as a Life Trustee on the Board of Trustees for Campbell University.

The Woods are the parents of a daughter, Wendy Wood, and a son, Reid Wood, who lives in Huntersville, NC. Their daughter-in-law is Debbie Wood, and their grandchildren are Daniel and Leah Wood, all of Huntersville.

The Singing Convention Board of Directors extends their sincere appreciation to Luby and Catherine Wood for remembering and showing your love to the State Annual Singing Convention and to your hometown. They deeply appreciate your support and pray that God will bless you.

Enjoy the Music!

But Don't Miss the Gospel...

For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him Should not perish, but have everlasting life (John 3:16). That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised Him from the dead, thou shalt be saved. For whosoever shall call upon the name of the Lord shall be saved. (Romans 10:9 & 13)

If God is drawing you to Him, ask Him to forgive you. Turn away from your sins and follow Him. Trust Him as your Lord and Savior by believing Jesus' death on the cross and resurrection from the dead has given you eternal life. Then follow Him by being baptized, join a fellowship of other believers in a Christ-centered church, and study His Word—the Bible.
