

WELCOME TO WILLOW RUN

The Willow Run Welcome Committee would like to welcome you as a new, or possibly returning owner here at Willow Run. You have already received your Owners Packet, and we would now like to give you some additional information to help you jump-start your stay with us, along with letting you know how to get involved and meet your neighbors.

In this packet you will find a map of the park, a tentative list of activities for the season, and a list of committees and their members so you can stay updated on the season's activities and get involved when you are ready.

You will also find a list of important contacts and resources as you begin to connect to the internet and phone systems, transfer electric and gas services, and log into all of the formats that are used to communicate within the park.

Lastly, here are a few goodies from the park to help you begin your seasonal journey. We are glad you are here!

Communication

Willow Run Official Website: willowrunrv.com (Member tab password - Members1983). This contains forms, the park declaration, bylaws and rules, along with a monthly calendar, board meeting notes, and other pertinent park information. Please take a minute to browse through.

Willow Run Official Facebook Page: **Willow Run RV Condominium Association, Inc** (for owners and family members only - must request to join) Contains more day to day information, updates and announcements

Willow Run RV Online Rummage Sale: A Facebook Page to either buy, sell or give away personal items

Willow Run Office: Open Mon, Wed, Fri, Saturday 9:00 am - 2:00 pm. 262-723-6030

Board Members Office Hours: Tues - 10:00 - 11:00; Fri - 12:00 - 2:00 pm; also by appointment

Newsletters: They will be distributed once a month via email, posted on the website, and the Facebook Page. They will also be printed and posted in the display cases, the clubhouse, and available in the office.

Spring and Fall Packets: They will be available for pick-up and distribution each season, containing items such as voter information, activities, meeting agendas, and rule changes, along with additional seasonal park information.
