ELIGIBILITY CRITERIA FOR SPOUSE & DEPENDENT CHILDREN

Definition of a Spouse: A spouse is a person who is a resident of the same country in which the employee resides and is:

- Legally married to the insured employee; or
- If not legally married to the insured employee, cohabitates with such employee in a conjugal relationship

Definition of an Eligible Dependent Child: The child must be unmarried, is a resident of the same country in which the employee resides, and one of the following:

- A natural or legally adopted child of the employee; or
- A child living with the employee during the time of adoption probation; or
- A step-child residing in the employee's household and for whom the employee is financially responsible; or
- A child living with the employee and whom solely the employee supports, and who is a relative by blood or marriage, or is under the employee's legal guardianship.

In addition, the dependent child must be:

- A child who is under 21 years of age; or
- A child who is 21 years of age or older but not yet 26 years of age and in full-time attendance at an accredited educational institution; or
- A child who is twenty-one years of age or older who was insured under the plan prior to reaching age twenty-one and who is mentally or physically disabled and financially dependent on the employee.

Student Confirmation

- OPP Association members who have a child turning 21 who is attending an accredited educational institute on a full-time basis must submit an update prior to that child turning 21, otherwise their group insurance benefits will cease as of their 21st birthday.
- Confirmation of student status must be made on an annual basis according to the school year September 1st to August 31st.
- Information and forms regarding the student confirmation process are available on-line via the OPP Association website at www.oppa.ca by clicking on "**Benefits**", then "See All Benefits" and select "Target Benefits Forms Library".

Evidence of Insurability (medical approval)

- Evidence of Insurability (medical approval) is required unless applied for within 31 days of the following life events, i.e. marriage, cohabitation, divorce/marital breakdown, birth, adoption or death of a dependent.

UPDATING DEPENDENT/BENEFICIARY/MARITAL STATUS

Member information must be kept up to date with Target to ensure there are no coverage interruptions:

IMPORTANT THINGS TO REMEMBER

Active Members – Health & Dental Benefits Group Policy #44501

Retired Members and Surviving Family Members – Health & Dental Benefits Group Policy #6772

Services by an Ineligible provider will not be reimbursed under your group policy. Confirm your providers eligibility through the Resources and Find a Provider at My Canada Life at Work.

It is always advisable to submit a predetermination to Canada Life for any expense over \$200. Predeterminations may be submitted by mail to *London Benefits Payment Office, Canada Life, PO Box 5111 Stn B, London, ON N6A 0C5* or through My Canada Life at Work. Canada Life will reply in writing and advise what is eligible for payment under the health or dental plan.

Inquiries/information regarding processed claims may be directed to Canada Life at 1(800) 957-9777 or accessed through the ‘My Canada Life at Work’ login through the Canada Life website at www.canadalife.com or app using a smart phone; it is also advisable to document the information received, time and date, plus the name of the person who provided the information.

LEAVES OF ABSENCE

If a leave of absence requires the member to pay for all or a portion of the premiums, an invoice will be provided with an option to maintain or opt out of insured benefits and/or insurances.

If a leave is due to illness or disability; no changes may be made to members insurance coverage except for changes to dependents under insured benefits (Health & Dental).

Any coverage that was opted out of during a leave, will be reinstated on the 1st of

*Active Members
Group Policy 044501*

*Retired Members &
Surviving Family Members
Group Policy 006772*

the month following the return to work except for Critical Illness Insurance. If Critical Illness coverage is stopped during the leave, coverage must be re-applied for. To re-apply, a completed Group Insurance Form 800 is required, and the pre-existing condition clause will need to be re-satisfied. For coverage over the guaranteed issue amounts, a medical application is required.

The OPP Association may terminate any or all of the invoiced benefits and insurances during the leave due to a failure to respond or return a signed invoice. Upon return to work, coverage will be reinstated except for critical illness, which will remain terminated until a new application is received.

TELADOC (previously Best Doctors)

When facing the uncertainty of a medical condition, Teladoc Medical Experts provides clarity and understanding, helping to ensure the right information, the right diagnosis and the right treatment.

They provide access to more than 50,000 expert physicians in over 450 specialties and subspecialties worldwide. One call to Teladoc Medical Experts and a Registered Nurse becomes a personal health ambassador for members and eligible dependents, reaching out to the medical community on their behalf.

Teladoc Medical Experts offers an expert second opinion about surgery or a serious medical diagnosis, and will assist with finding a specialist, provide resources to understand a medical condition as well provide assistance with navigating the healthcare system.

Teladoc Medical Experts also offers Mental Health Navigator. Their mental health clinicians (a qualified nurse) will assist members throughout the care plan, from the initial visit to finding the right therapist, psychiatrist, or psychologist. Additional information may be found online at www.teladoc.ca/canadalife

Members may contact Teladoc Medical Experts at 1(877) 419-2378 or at canclientmembersupport@teladochealth.com. Your Canada Life Policy and ID number will be required.

E-DRUG/BENEFITS CARDS:

- Plastic cards are no longer issued or replaced but may still be used.
- Printed version can be accessed through “My Canada Life at Work” on Canada Life’s website at www.canadalife.com.
- Electronic versions can be accessed through “My Canada Life at Work” Canada Life’s app and can be saved to digital wallets on a mobile device.

ENHANCED GENERIC SUBSTITUTION:

A generic drug is pharmaceutically equivalent to a brand name drug. It contains the identical medicinal ingredients, in the same amounts and in similar dosage forms. If a generic drug is available and costs less than the brand name drug there are three options:

1. Purchase the generic drug at 90% coverage (\$10 dispensing fee cap)
2. Purchase the brand name drug and pay the difference in cost.

If a brand name drug is required for medical reasons the “Request for Brand Name Drug Coverage” form must be completed by the treating physician and may be found at www.canadalife.com.

HEALTH CASE MANAGEMENT:

Will apply to 13 drugs that are used to treat specific medical conditions. Plan members with one of these conditions will be connected with a health case manager to provide ongoing support in conjunction with the member and their physicians.

ONTARIO DRUG BENEFIT (ODB) – *Ontario residents only, reference the local provincial program for those living outside Ontario.*

The Ontario Drug Benefit (ODB) Program comes into effect at age 65. The group insurance coverage for prescription drugs will not change. The pharmacy will submit the claim to the ODB first and amount not covered (ODB annual deductible) will be submitted to Canada Life. ODB information can be obtained at www.health.gov.on.ca.

HEALTH CARE SPENDING ACCOUNT (HCSA)

Effective April 1, 2026, for Active Members Only (Policy 44501)

For the most current list of dependents and medical expenses eligible under the HCSA, please visit the CRA website by clicking [HERE](#) or visiting the following site:

<https://www.canada.ca>

Active full-time and regular part-time (RPT) members enrolled in the health and/or dental benefits plan will receive the following annual HCSA allocations:

- April 1, 2026: \$650
- January 1, 2027: \$800
- January 1, 2028: \$1,000

The HCSA supplements existing health and dental coverage and may be used for eligible medical, dental, and vision expenses to help offset co-pays and plan limits. The annual allocation is per family (member and eligible dependents combined). Note that dependent eligibility for the HCSA is broader and may include other CRA-eligible dependents.

Claims must be submitted by **May 31st** of the year following the expense incurred date. Unused HCSA balances may be carried forward for one calendar year and must be used by **December 31st** of the carry-over year. Any unused amounts as of December 31st of the carryover year are forfeited.

The Canada Revenue Agency (CRA) maintains the official list of eligible expenses, which may change without notice, along with the definition of eligible dependents for HCSA coverage.

OUT OF COUNTRY / TRAVEL ASSISTANCE

Travel Assistance provides access to a team of coordinators who are available 24/7/365, anywhere in the world, to help find the appropriate medical treatment, assist with arranging billing under the group benefit plan or assist with travel arrangements following an emergency. The plan provides benefits for the medical costs associated with an unexpected medical emergency for expenses such as but not limited to doctor's fees, lab fees, room fees and diagnostic testing. Provincial Health Care must be in effect to be eligible for Out of Country benefits.

An unexpected medical emergency would include sudden unexpected injury, an acute medical condition that was not previously identified or an acute episode previously identified but considered stable and controlled for a period of three months immediately prior to travel. In some cases, there may be a requirement to provide medical documentation indicating there were no complications such as hospitalizations, medication changes or doctors' visits, as well as no new or ongoing symptoms for that condition during the three-month period immediately prior to the departure date. Prescriptions required because of a medical emergency are eligible for reimbursement according to the guidelines set by the province of Ontario.

There is no coverage for scheduled testing and/or treatment even if deemed urgent when a patient's condition permits the member to return to Canada and no coverage for continued medical care following an emergency. Additionally, there is no coverage for purchase of maintenance medications or any paramedical services. There is no coverage for expenses related to pregnancy or delivery within 9 weeks from the expected due date of pregnancy or at any time prior to the 9th week if the patient's Canadian physician considers the pregnancy high

If the member does not have eligible dependent children, the spouse is insured for 60%, and if the member only has eligible dependent children, they are insured for 20%.
- **Note:** If both the Member and the Member's spouse are members of the OPPA, the overall maximum allowable under the Policy is \$500,000 per Member and \$75,000 per child. If both the Member and the Member's spouse choose family coverage and have children, the maximum Principal Sum each can elect is \$250,000. However, if there are no children, the maximum Principal Sum each can elect is \$300,000.

Critical Illness Rider – Member: A member who is diagnosed with a Critical Illness (“Critical Illness” means Blindness, Life-threatening Cancer, Severe Burns, Heart Attack, Kidney Failure, Stroke, Aplastic Anemia and Multiple Sclerosis, as defined by carrier) is eligible for 10% of the principal amount of AD&D in place up to a maximum of \$10,000. The plan must be in effect for over 90 days and the member must survive more than 30 days after being diagnosed, pre-existing condition clause in effect.

Critical Illness Rider – Spouse / Child(ren):

- An eligible Spouse (up to age 70) who is diagnosed with a Critical Illness (as listed above) is eligible for 10% of the volume in place for AD&D Optional Family Plan, up to a maximum of \$5,000.
- An eligible child(ren) who is diagnosed with Blindness, Life Threatening cancer or Severe Burns will be eligible for 10% of the volume in place for AD&D Optional Family Plan, up to a maximum of \$5,000.

Note: Pre-existing condition clause – for 24 months from the effective date no claim will be paid for a medical illness or condition that has been known by testing or diagnosed in the preceding 24 months.

Aggregate limits in place for those members who have coverage under a spouse's plan; the total amount payable under a claim is: member \$500,000 and child \$75,000
