THE CLUB

FROM GREG HYNES • GENERAL MANAGER • GREGHYNES@WINDYKE.COM

Summer is in full swing at Windyke, and we look forward to seeing you and your family enjoying everything The Club has to offer. Golf, tennis and swimming all have plenty of summer programming still ahead, so if you haven't joined in yet, there's still time! Reach out to one of our professionals in each area to learn more and get involved.

Along with our regular summer activities, be sure to join us for our Independence Day celebration on July 4. We have a full day of fun planned, including golf, tennis, fishing, pool games and activities for the whole family. The Par & Grille will be open throughout the day, and Chef Keith will be serving several special holiday menu items you won't want to miss.

Our Family Fireworks Festival returns on Saturday, July 11, and we can't wait to celebrate with you. We love seeing our members share this special evening with family and friends, so please take note of our guest policy. Guests arriving in the same vehicle as a member will be admitted at no charge. Hosted guests arriving separately must have a pre-purchased parking pass, which serves as both their admission and guest pass for the evening. Parking passes are available for purchase in the Golf Shop through 2:00 p.m. on July 11. Guests must present their pass upon arrival at the gate. This process helps us ensure everyone attending is either a member or an invited guest, allowing us to provide a safe and enjoyable experience for all.

Natalie, Anna and their teams continue to introduce exciting new events and activities for members of all ages. Be sure to browse this month's newsletter, watch for club emails, and follow us on social media so you don't miss everything happening this summer.

Thank you for your continued support of Windyke and all of our Club activities. As always, I welcome your feedback and suggestions as we continue working to make your club experience even better. We look forward to seeing you around The Club throughout July!

GET SIGNED UP FOR OUR WEEKLY EMAILS. WE HAVE LOTS OF ACTIVITIES FOR THE WHOLE FAMILY. STAY UP TO DATE! EMAIL NATALIE: MEMBERSHIP@WINDYKE.COM

COMPETITIVE GOLF

Brent Ratliff, PGA • Director of Golf

As you have noticed, all of The Club's Championships are coming up. It is your chance to see how you stack up against your peers in fun and exciting formats. Here at Windyke we pride ourselves as having some of the very best amateur golfers in the city and here is your chance to become crowned as 'the best of the best' in several different events. No matter your age or ability level, we have events for you. If you have never or rarely played in your Club's championships, then I challenge you to get out of your comfort zone and participate this year. Not only will you have fun during the events, but it will give you purpose for all of that practice you have been doing or motivate you to practice a little more.

To assist you in getting over the competitive jitters, we will be having a match play event during our upcoming Men's Nights that will prep you for all of the situations that you will encounter in these competitive events. This is probably the most fun and interesting event during the Men's Night season each year. So even if you have not played in one event all year, make sure that you play in this one. So get off the sidelines and get in on the action. I promise that you will have fun and who knows you just might get better in the process.

HANDICAPS

Jimmy Rainwater, PGA • Head Golf Professional

Handicaps aren't just for flighting tournaments and dotting scorecards. The ownership, administrators, and the members of Windyke Country Club have been heavily involved with the USGA from the beginning. When the GHIN system first began, Mr. Garner played a key role by requiring players to keep an accurate handicap to be part of The Club and compete in events. In more recent years the GHIN system has become more accessible to players via online access, apps and the administrative access that your golf professionals have been allowed. For the players, we recommended using your handicap and posting your scores correctly in order to improve your game and make it more enjoyable in the long run. With more up-to-date stat tracking and score keeping abilities, players now have a wealth of knowledge to be used for game improvement. Take advantage of these tools and play your best.

TOURNAMENT TIME

Summer is in full swing! Our 2026 Windyke Ladies' and Men's Member-Guest Tournaments were held last month, and both were a huge success! Congratulations to Vickie Smith, Bob Chapman, and Ron Riley for the awesome job organizing these events. Also, thank you to Greg Hynes, Brent Ratliff and the entire Windyke staff for their great support and service. Additional shoutout to Casey Nerren as both courses are in amazing shape!

There are still plenty of tournaments coming up.

Check out [//www.Windyke.com/tournaments](http://www.Windyke.com/tournaments) for dates.

As always, please remember to rake the bunkers, repair ball marks, smooth your divots after filling them with sand. Most of all enjoy your club.

Our objective as your Board of Directors is to serve our members. We welcome any feedback. Our promise to you is to listen and take your concerns to the appropriate team members at Windyke.
