

WINDYKE COUNTRY CLUB

NOVEMBER 2025 NEWSLETTER FOR WINDYKE COUNTRY CLUB

FOR MORE INFORMATION VISIT OUR WEBSITE WWW.WINDYKE.COM

Thank you for the great turnout at Fall Fest! We hope you and your families had as much fun as we did. Our next big event is Pasta Night, scheduled for Friday, November 7. This evening is always a favorite, featuring a live chef station on the patio and the wonderful smell of garlic permeating the clubhouse. We still have some table space available, so if you're interested in attending, please reach out to events@windyke.com.

Our Thanksgiving Lunch also has limited availability remaining. Let us take care of the cooking and cleaning so you can enjoy more family time. For those who prefer to stay home, Chef Keith has prepared several takeout specials that are perfect for an easy, delicious meal at home or to bring along to a family gathering. We continue to offer Friday night dinner service each week in the Grille; however, please note that on **Friday, November 7** (Pasta Night) and **Friday, November 28** (the night after Thanksgiving), **we will offer only the After 4 Menu**. Chef Keith has published the Brunch with Santa menu, scheduled for Saturday, December 13, and Sunday, December 14. We will begin taking reservations on Monday, November 3, at 8:00 a.m. by email only. Last year's event sold out in less than 10 minutes, so be sure to review the reservation form in this newsletter and email events@windyke.com at 8:00 a.m. on November 3 to reserve your spot.

The early November weather looks great for golf—perfect for that favorite sweater vest or pullover—and the courses remain in top condition. If you're looking for a new piece of outerwear, Brent has selected some excellent items to choose from. The golf staff works hard to ensure we offer top-quality products at the best prices, so make a point to stop by the shop next time you're here.

We do want to take a moment to remind everyone of two small but important things that make a big difference: fix your ball marks and rake your bunkers. Windyke would be an even better place if every member did these two simple things. This isn't just a request—it's a condition of membership and a key part of respecting the traditions of the game. We know we mention this often, but we're committed to keeping Windyke at its best. Help us make that happen and, hopefully, help us stop writing about it every month!

As we approach the end of the year, we want to say thank you for your continued support and for recommending Windyke to your friends. Our club is great because of members like you. We value your feedback and take your suggestions seriously as we plan for the year ahead. Please let us know what you've enjoyed this year, what could be improved, or what new activities you'd like to see added to our programming in the future.

ARE YOU A MEMBER IN THE KNOW? IF NOT, THEN GET SIGNED UP FOR OUR WEEKLY EMAILS. WE HAVE LOTS OF ACTIVITIES FOR THE WHOLE FAMILY. STAY UP TO DATE! EMAIL NATALIE: MEMBERSHIP@WINDYKE.COM

Just a Walk in the Park

*Whispers of leaves in the gentle breeze,
Amidst the stillness, time seems to freeze.
Lingering moments, thoughts intertwine,
Kaleidoscopes of nature, a solace divine.
In this sacred space, our spirits unite,
Nestled in shadows, where dreams take flight.*

GREETINGS FROM THE BOARD OF DIRECTORS

John D. Duncan
2025 Board President

I hope you and your family and friends enjoyed the Fall Festival recently! There's nothing that trumpets Fall like this signature Windyke event. The hay rides, haunted house, games, fire pit, with the smell of great food wafting through the air in our beautiful park-like setting is something magical, memorable.

I love this time of year, especially at the club. I usually walk more in the Fall when I play. The par three course becomes a unique stroll as well. Night tennis with a sweatshirt to keep you warm is therapeutic. Fire pit gatherings with your favorite elixir calm the spirit. Soups and chili hit our menu again as those Fall lunches just hit different, especially with the Italian Melt! The Fall clothing line in the shop encourages wardrobe upgrades coupled with Christmas gift ideas. As they would say on SNL, "...it's sweater weather!!"

It's that time of year when we show our appreciation for the hardworking staff at Windyke. All members will see a \$20 charge on their statement this month for our Employee Appreciation Fund. This fund is a way to thank all of our dedicated staff—both those we see every day and those who work tirelessly behind the scenes—to make Windyke the wonderful club we all enjoy. Please note that participation is optional. If you prefer not to contribute, simply deduct \$20 from your payment and include a brief note stating that you do not wish to participate. Your account will be adjusted accordingly. Thank you for helping us recognize and reward the amazing team that makes Windyke such a special place!

Enjoy this special time of year with family and friends at the park...
I mean, The Club.

See You at the Club!

I was bantering with one of my students last month about some classic players that utilized a swing method that doesn't always get much attention these days. Am I 'old school'.... you bet! Here are four classic players who utilize this unique technique from oldest to youngest: Bobby Jones, Ben Hogan, Payne Stewart, and Colin Montgomerie. All of these players had a distinct flow like rhythm. They truly swung the club.

How can one swing the club from a static start at the ball? After all, the swing must get started with some energy before the swinging motion can really get going, right? Can we just use our wrists to get the club into a swinging position? What is the key to getting this rhythmic swing motion started?

The key is to get the handle to move first in the backswing. By doing this, the club can swing itself to the top of the swing! Another great benefit is that when the grip moves first in the backswing, it usually moves first in the downswing. This is another key to a powerful, rhythmic downswing.

Come on out and take a lesson this fall. The swing I am describing is the most powerful swing, especially as one is aging. I would love to help you with it!

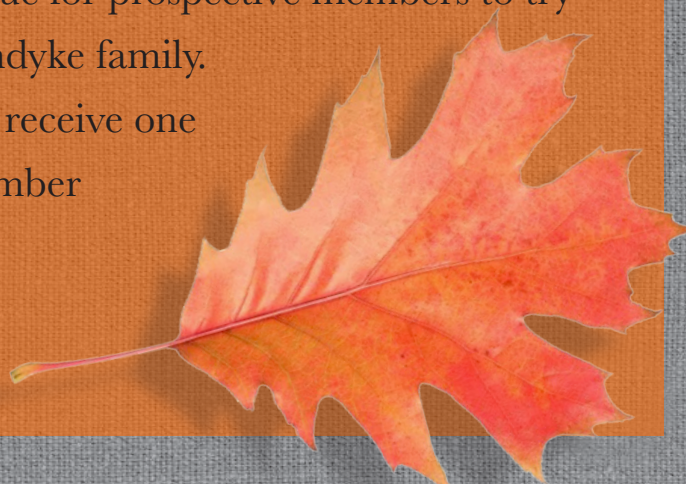

Seasonal Special

Have any of your friends or family been considering joining Windyke?
