

THE CLUB

FROM GREG HYNES • GENERAL MANAGER • GREGHYNES@WINDYKE.COM

Thank you for the great turnout at Fall Fest! We hope you and your families had as much fun as we did. Our next big event is Pasta Night on Friday, November 6, and it is always a favorite! With live chef stations on the patio and the wonderful smell of garlic filling the building, it is a night you won't want to miss. We still have a few tables available, so contact Natalie at events@windyke.com to reserve your spot.

If you enjoy wine and want to learn more about how professionals pair wine with food, we have two excellent opportunities this month! First, join us Wednesday, November 4, for an Italian wine tasting featuring a selection of wines paired with Chef Keith's delicious appetizers. This is a relaxed, come-and-go event where you can speak with a wine representative, sample the selections, and choose a favorite bottle to have waiting at your table for Italian Night the following Friday. Our second opportunity is the Jackson Family Wine Dinner on Thursday, November 19. Jackson Family Wines is one of the largest wine producers in the country, with an impressive portfolio of outstanding labels and varietals. Chef Keith and Anna have put together a wonderful selection of wines paired with an incredible menu. It promises to be an enjoyable evening of great food, wine education, and fellowship.

Sandwiched between these two events is our Bourbons & Bonfire Night! Held around the fire pits, this is a great opportunity to relax, enjoy excellent food, and learn a little more about bourbon in a beautiful outdoor setting. One participant from last year described it as an "incredible outdoor setup with superb cuisine!" Contact Natalie at events@windyke.com for more information or to reserve your place.

Let us take care of the cooking and cleaning this Thanksgiving so you can spend more time enjoying your family! We will offer Thanksgiving lunch reservations from 10:30 a.m. to 2:00 p.m. Please see the flyer in this newsletter for details and reservation information. Chef Keith has also prepared a selection of Thanksgiving takeout specials for those who prefer to celebrate at home or bring something delicious to a family gathering.

We will continue our regular Friday night dinner service in the Grille throughout the month. Please note that on Friday, November 6, for Pasta Night, and Friday, November 27, the evening after Thanksgiving, we will offer only the After 4 Menu rather than the full dinner menu.

Looking ahead to December, Chef Keith has published the menu for our ever-popular Brunch with Santa, scheduled for Saturday, December 12, and Sunday, December 13. Reservations will open by email only at 8:00 a.m. on Tuesday, November 3. Last year, we sold out in less than 10 minutes, so be sure to review the reservation form in this newsletter ahead of time. Emails received before 8:00 a.m. will not be accepted for reservations, so please plan accordingly and email events@windyke.com beginning at 8:00 a.m. on November 3.

The early November forecast looks promising for getting out on the course in your favorite sweater vest or pullover, and our courses remain in excellent condition. If you are looking to add a new favorite piece to your fall golf wardrobe, Brent has selected some great outerwear options in the Golf Shop. Our golf staff works hard to offer quality merchandise at competitive prices, so make a point to stop in and see what is available during your next visit. >>>

THE CLUB

FROM GREG HYNES • GENERAL MANAGER • GREGHYNES@WINDYKE.COM

Continued from page 1.

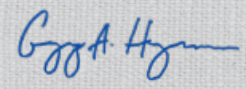

There are two simple ways every member can make a meaningful difference in the condition of our club: fix your ball marks and rake the bunkers. These are basic responsibilities that help ensure every member has the best possible playing experience. Caring for the course and respecting the traditions of the game are part of what makes Windyke special, and we all have a role in maintaining those standards. We have also received complaints about sunflower seeds on the putting greens. Please do not spit sunflower seeds onto the greens. These reminders may sound familiar, and we know we address them regularly, but they remain important. Let's all do our part to keep Windyke in the best possible condition. **Help me make this a topic we no longer need to revisit every month!**

As we approach the end of the year, I want to take a moment to say 'thank you'. Thank you for supporting Windyke, participating in our events, and recommending our club to your friends and family. Your support and feedback are what make this such a special place.

We take your suggestions seriously and work hard to provide the programs, amenities, and experiences you want within our available resources. As we begin planning for the coming year, I would love to hear from you. What did you enjoy most this year? What could we improve? Are there new activities or programs you would like to see added to our calendar?

Please reach out and share your thoughts. Your feedback helps us continue to improve, and we appreciate the opportunity to make Windyke an even better club for everyone.

Thank you for being part of the Windyke family!

It is hard to believe that we are getting close to the end of 2026. It has been an honor to have served as President of the Windyke Golf Association. It has been an amazing year! Thanks to all that have participated in many of our wonderful events we have here at The Club.

This is the time of the year we show our appreciation to the hard-working staff at Windyke. All members will be billed $25 this month for our Employee Appreciation Fund. This is a reward given to the staff we all know very well and even the ones who work behind the scenes. It because of these staff members we get to enjoy our wonderful club. Please note, this is an optional charge. If you do not wish to participate simply deduct $25 from your statement with a note stating you do not wish to participate and your account will be deducted accordingly.

Our last tournament of the year is coming up, The Turkey Day Golf Scramble will be held on November 28. Please be sure to register with the pro shop. As always, please remember to rake the bunkers, repair ball marks, smooth your divots after filling with sand, and most importantly, have fun!

Our objective as the Board of Directors is to serve our members. We welcome any feedback. Our promise to you is to listen and take your concerns to the appropriate team members of Windyke.

Ben McCullar
Windyke Board of Directors President

TIP FROM THE PRO

Brock Shafer
Director of Instruction
Cell (901)238-7974
Pro Shop (901)755-3160
brock@windyke.com

Here's a quick tip describing the changes that take place from address to impact with a list of changing parts:

1. Weight is significantly more in the left foot. primarily through the movement of the hips a few inches toward the target to a vertical position of the left leg.

2. The shaft leans 5-10 degrees more to the target at impact. These are the two emphasis points as related to the picture and the white/green line changes. How about a few more that are not highlighted:

3. Rory's shoulders (as seen in the buttons of the shirt) and his hips (movement of the belt center) turn toward the target.

4. Notice the more subtle movement of the back of the left wrist where it points horizontally as opposed to upward (red arrows). This bowing/flattening of the wrist works with the leaning of the shaft. The leaning can make the face open a bit, but the bowing/flattening the top wrist closes the face to correct the shaft learn while accomplishing two other positive things (delofting of the iron for more distance and moving of the divot to the target side of the ball). Fiddle around with your top wrist a bit and get the club to close by flattening the wrist. This is a common technique of better players.

Come on out for a lesson for help with these techniques!
