## PROFILE

Established in 1989 by President, Vincent Tucker, Quality Moving Services has provided professional relocation moving services and corporate relocation services throughout the state of Virginia for over 34 years. We've handled thousands of clients with residential, commercial, local, state, and federal government relocations. From this extensive client base, Quality Moving Services has received the highest customer service and service ratings in the moving industry. Being locally owned and operated, Quality Moving Services has the advantage of dealing directly with our customers, thereby providing them with a level of customer service that other companies may lack. Quality Moving Services has a long and respected list of satisfied clients who can attest to our trained professional staff and a variety of corporate move management services provided. We are a Better Business Bureau Accredited Business with an A+ rating.
