“Talent is nothing without dedication and discipline. Dedication and discipline is a talent in itself.”

EFFORT

The effort it takes to reach the ultimate goal. Small efforts go a long way, for example: After pennant “the effort to ask others how they went”- build club culture.

“Success is dependent on effort.”

EXCELLENCE

Deer Park Club invests providing excellence for its members - not only the facilities but the investment the club makes in the bowling section. It's time we strive for excellence on the green. Whenever the shirt is worn, strive for excellence.

“Excellence is a result of always striving to do better.”

RESPECT

The culture of respect isn't one of just playing together, it's one of respect- trust and care for one another- both on and off the green.

“You cant force people to respect you, but you can refuse to be dis-respected.”
