

Youth Bowls Academy

The Deer Park Club are proud to be establishing a Youth Bowls Academy in 2024. The focus of the academy is to provide the perfect platform for youth into the sport of bowls and continue through all levels of the Bowls Victoria and Bowls Australia Pathways.

Academy members will be supported and guided to become the best both on and off the green with an understanding on the balance between sport and life.

Access to State of the Art facilities, experienced coaching, educational programs, support and assistance along with mentoring will be available for all members.

Squads

Development

Currently in the early stages of development - focus on participation, technique, understanding of the game.

Emerging

Strong understanding of the game and technique, focus on skillset and consistency, playing in further events against tougher competition. Training habits and off green education.

Elite

High performance level. Focus to set strong goals and paths to achieve these goals. Further education to balance their sports and life, providing a platform for success both on and off the greens. Detailed training program.
