Team Size: 4-8 adults (18+)
See note below regarding children under the age of 18

Description:

- ✚ Short-term missionaries will teach high-quality, evangelistic English classes to young adults alongside an existing staff of long-term missionaries. These classes are an important part of the outreach ministry of the sponsoring church, located on-site. Each class session is four weeks, and the school provides an established, easy-to-follow curriculum along with teacher training and preparation. You do NOT have to be a teacher! The ability to speak English and a heart for sharing the gospel is ALL you need!
- ✚ In addition to teaching, the ministry focuses on building meaningful relationships with students outside of class through inviting them to share meals, play board games, attend church events, compete in pickleball, explore the city together, etc. This is how students are exposed to what a gospel-inspired life looks like and become curious to ask more and deeper questions about Jesus!
- ✚ Older children may be teaching assistants, provided they are able to constructively engage with 8-10 hour ministry days including 4 hours of classroom instruction per day.

Estimated Investment:

- ✚ \$2,600 – \$3,400 for 1 adult (private apartment)
- ✚ \$4,600 – \$6,400 for 2 adults (sharing 1 apartment)
- ✚ Flights and travel insurance are the biggest cost determinants
