## TAX CREDIT

Membership subscriptions and donations to the Trust qualify for a tax credit if you have taxable income. You can claim 33.33 cents for every dollar you donate (this includes membership subscriptions) to the Trust. This is because the Trust is an IRD approved donee organisation.

All subscriptions and donations to the Trust will be receipted to enable members and donees to claim the tax rebate if they have taxable income. The effect of the tax credit is to return to a member or donee one-third of his or her subscription or donation.

## DR HOWARD TEPPETT SCHOLARSHIP FUND

The Trust hosts the Dr Howard Teppett Scholarship Fund. This is a special reserve fund to assist students leaving Manawatu College to pursue tertiary education within any field that advances human health and well-being.

Donations may be made to this specific fund in memory of the late Dr Howard Teppett, a much respected long serving Foxton medical practitioner.

## WHAT IS THE TRUST?

The Trust is a society of members incorporated as a charitable trust under the Charitable Trusts Act 1957. Membership is open to anyone. The purpose of the Trust is to advance the education of pupils of Manawatu College.

The Trust is governed in accordance with its Trust Deed by a Trust Board elected by members each year. The Trust Board is made up of past pupils, staff, student and Board of Trustee representatives.

The Trust has a capital fund. This is a protected fund, held on trust in perpetuity. Save for some limited exceptions, only the net income arising from the capital fund can be applied to carrying out the objects of the society. The capital fund has been established, and is augmented, principally by subscriptions from members.

The Trust distributes income in accordance with its purpose. Priority is given to supporting those activities that benefit groups of students, rather than individuals. The Trust from time to time fund-raises to support key capital projects, and for student scholarships.
