Where and when to travel

The Caribbean basks in year-round sunshine with little seasonal change, making it a dream destination no matter when you visit. However, the most popular time to go is December to May, when the weather is drier, less humid, and perfect for beach days. If you're visiting between June and November, expect hotter temperatures, with a higher chance of tropical showers and occasional storms. **Mexico**, on the other hand, offers a diverse climate shaped by its altitude and ocean currents. The **Yucatán Peninsula** and southern coastal areas enjoy a hot, tropical climate, while higher-altitude regions experience milder, temperate weather. Rain is most common between May and October, particularly along the coast, while the rest of the country stays relatively dry.

For those heading to the **Baja Peninsula**, expect a tropical desert climate with warm, pleasant winters from December to March and hot summers from May to October. Rainfall peaks between July and September.

A world of flavours

Embark on a culinary adventure where bold spices, rich marinades, and vibrant cocktails come together in an explosion of flavour. From sizzling street food to time-honoured traditions, every bite tells a story. In the Caribbean, indulge in the region's most beloved dishes, flying fish with cou cou in **Barbados**, smoky jerk chicken in **Jamaica**, or a comforting bowl of Caribbean pepperpot stew. Don't forget to savour a warm, roti stuffed with aromatic curry, a true taste of island soul food. Meanwhile, **Mexico** tempts with its fiery, flavour-packed cuisine. Dive into classics like tamales, savoury chiles rellenos, and cheesy, sauce-drenched enchiladas. And for a sweet finish? Crispy, golden churros, best enjoyed with a side of rich chocolate sauce.

Create your holiday, your way

Why settle for just one experience when you can have it all? Work with your TMDH agent to **create the perfect multi-centre getaway**, blending top destinations and unforgettable experiences. Island-hop through the Caribbean for the ultimate tropical escape, or mix the laid-back vibes of Jamaica, Barbados, or the Bahamas with the excitement of Florida, thanks to seamless flight options. Explore ancient ruins, marvel at natural wonders, and soak up Mexico's rich culture before unwinding on its sun-kissed beaches. Top it all off with a vibrant city stay, making this a once-in-a-lifetime adventure designed just for you.

A holiday with everything included

Indulge in the ultimate stress-free getaway with everything taken care of on an all-inclusive holiday. Knowing that all your meals and drinks are included means you can relax and enjoy your well-deserved break to the fullest.
