Dazzling Dubai

A destination with a difference, **Dubai** effortlessly fuses old and new, modern and traditional, city and beach. From the peaceful serenity of the desert dunes and the buzzing streets of downtown, to chic waterfront promenades and pristine shores, anything is possible in this glamorous city. You can visit an impressive mosque before plunging into the streets of downtown, where restaurants and bars entertain late into the night. **Dubai Marina** and **The Walk** play host to hotels and restaurants which sit alongside boutique shops. To the east of **Dubai Creek** lies **Deira**, where you'll find the twisting streets of the souks and an abundance of cafés to while away the day. For those looking to soak up the sun, Dubai is home to some of the best beaches, such as **Jumeirah Beach**, with soft white sands and warm waters.

Where and when to travel

Most of this part of the world experiences sunshine all year round, with temperatures averaging around 35°C. July and August are typically the hottest months with temperatures reaching over 40°C and it can be much hotter in the desert. Cooler and more pleasant conditions are generally found between October and March and there is very little rainfall, if any at all, year round. Mountain regions enjoy a more temperate climate and are cooler with chilly evenings during the winter.

Savour the flavour

Dubai offers a sensational mix of possibilities for food lovers, from Michelin-starred dining to traditional street food. Opt for some delicious, sweet cakes and pastries washed down with a strong coffee or push the boat out and visit one of the many restaurants with a celebrity chef at the helm, the choice is yours. With influences from east and west, and catering well for vegetarians, vegans and meat eaters alike, there's something to tempt every type of tastebud.

Create your holiday, your way

Cultural explorations, beach retreats and wildlife encounters...why not enjoy them all? Tailor-make a holiday that's entirely your own with your travel agent and combine the best destinations and a variety of experiences to **create your multi-centre holiday**, your way.
