

Croatia Epic Executive Experience

Coaching, consulting and collaborating to solve complex problems.

Welcome to the Epic Executive Experience

Are you ready to break free from the conventions of traditional executive, life, or career coaching? Step into a journey that shatters the boundaries of the boardroom and ballroom, launching leaders into the heart of Croatia for a truly transformative adventure. The Epic Executive Experience fuses adventure, connection, and cutting-edge coaching.

What sets our experience apart?

- **Transformational Coaching:** Unfettered access to master coaches to uncover solutions to your challenges and the next evolution of your leadership. Your next breakthrough on a sea kayak, a café overlooking the Adriatic, or fast catamaran.
- **Interactive Adventures:** Step outside your comfort zone, engage in leadership scenarios set among Croatia's dramatic landscapes, and discover new strengths.
- **Immersive Connecting:** Bond with leaders from diverse industries and backgrounds, building a global network that supports your growth beyond the event.
- **Leadership Challenges:** Tackle complex tasks with minimal planning, leading teams through ambiguity and rapid change.

Transform Your Leadership, Transform Your Life

After this experience, you'll never return to the life and leadership you once knew. This is a launchpad for transformation, equipping you to lead boldly and live ignited.

Imagine what's possible in your organization:

- Moving profits from stagnant or shrinking to growing again
- Proven framework to recruit, retain and motivate employees
- Leveraging inflation to strengthen rather than weaken your business
- Scaling your business up from a plateau you're stuck on

- Ready your business to sell and yield the highest sale price

Imagine what's possible in your life:

- Clarity crushes confusion
- Growth rises from stagnation
- Engagement supplants indifference
- Passion, purpose, and your path emerge

Why Croatia?

Croatia is a tapestry of ancient cities, sparkling seas, and vibrant culture—a setting as epic as your ambitions. Picture yourself wandering the storied streets of Dubrovnik, tracing the Roman walls of Split, savoring the medieval charm of Trogir, and sailing among the breathtaking Dalmatian Islands. This journey isn't just a change of scenery—it's a catalyst for change in you.

Expert Coaching and Leadership

Greg Laszakovits of GDL Insight is a passionate partner who helps leaders figure out solutions to their biggest challenges: rapidly changing marketplaces, employee dynamics/dysfunction, misaligned resources, and lack of clarity. He founded GDL Insight because he knows the value of having a trusted partner in the journey, and nothing gives him greater joy than partnering with leaders to overcome these obstacles and watch their dreams become reality.

Ben Walters of SuperPumped Consulting is a doer, a problem solver, and passionately optimistic leader who has bought, built, scaled and sold numerous businesses. Ben has a keen ability to recognize what's possible in others, often before they see it themselves. He's helped disabled entrepreneurs start businesses in Africa; created a system for persons experiencing homelessness to get back into the workforce; and guided churches in making bold moves. He's worked for CNN, UPS, and Marriott and partnered on a joint start-up venture with Silicon Valley companies DoorDash and Chowbotics.

Jay DeFazio is an author, artist, & clarity-builder. He creates and delivers courses and workshops on a variety of topics, from diversity in the workplace to arts integration, creativity, communication, and storytelling through art. Jay is a skilled communicator with a passion for helping clients find creative ways of connecting ideas and audiences. In addition to traditional methods of writing, speaking, and teaching, he also uses the universal language of art: a multifaceted approach to exchanging ideas and creating unique experiences.
