Green Funerals

White Rose Aqua Cremation's commitment to sustainability has led us to become the first funeral home in the San Diego area to be certified as a "green" funeral provider. If you are environmentally conscious, this may be the perfect choice for you and your loved ones.

White Rose Aqua Cremation only offers "Green" or "Natural" Burial options and Alkaline Hydrolysis.

White Rose Aqua Cremation does not offer embalming. Except in certain special circumstances, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement, such as direct cremation or immediate burial, that does not require you to pay for it.
