# CHARLOTTE'S CLIMATE

Influenced by its location between the Appalachian Mountains and the Atlantic Ocean. Summers are hot and muggy, while winters are generally mild with short-lived cold snaps. Spring and fall are considered the most pleasant times of year, featuring transformative foliage and comfortable temperatures.

July is the hottest month, with an average high of 91°F, while January is the coldest, with an average high of 48.7°F. Charlotte typically experiences around 44 days of 90°F heat each summer and roughly 59 nights that drop to or below freezing in the winter. The city averages 43.6 inches of rain annually, which is distributed relatively evenly throughout the year.

Annual snowfall averages just 3.5 to 6 inches, though this varies significantly; some years see no snow at all, while major winter storms can occasionally bring heavier accumulations. While Charlotte is inland, it is prone to subtropical moisture from the Gulf of Mexico and can be affected by the remnants of tropical systems in late summer and fall. Thunderstorms are common during the summer months, and while rare, the region occasionally faces winter ice storms that can impact power and travel.

Kaila is a business woman, investor, dog rescuer, and adventurer. A former New Yorker, she found her home in the south over 25 years ago, where she has built her real estate company, The Trulane Group, to service clients looking to buy, sell, or invest in both North Carolina and South Carolina. Every client deserves an exceptional luxury experience, and that is what The Trulane Group brings to the marketplace!

Upon entering the real estate world, Kaila quickly saw a gap between what should be done and what the 'standard practice' was among real estate agents, and knew she had to do things differently. Her team focuses on making every client feel like they are the ONLY client. To this day, homes are not only sold quickly and for top dollar, but The Trulane Group offers the most extensive customer experience during and after the sale or purchase than any other team in the market.

In addition, Kaila is a Speaker, Coach, YouTube Host, and community leader in the goal of ending Dog euthanasia through fostering, fundraising, and education. With a strong focus on changing the world for the better, you will often hear Kaila using the phrase "Be the Change". It is her strong belief, and that of her team, that in order to create lasting change, you have to do the right thing no matter what.

Through this mindset, The Trulane Group fosters a community of team members focused on education, community, and business acumen to ensure you have an experience worthy of bragging to your friends and family about!

# TESTIMONIALS

"We were moving from Ohio to North Carolina and had no idea how to handle an out-of-state home search. We connected with Daniel at eXp Realty and couldn't be happier. He took the time to get to know us, sent great listings, and had multiple showings lined up when we arrived. We found our home quickly and, despite tight timelines and a few weather hiccups, Daniel and the team got us closed in just three weeks! Daniel was personable, responsive, and made a stressful process feel easy. Big thanks to Marvin as well! We love our new home and highly recommend Daniel and the Trulane Group/ eXp Realty."

Stacey Hiller

"As a first time home buyer and someone who was also moving from out-of-state, Kaila and her team were a God-send. Everyone we encountered from Kaila's team was helpful, knowledgeable, easy to work with, and super responsive! Going into this process, I was worried about finding a realtor that we felt we could trust. Kaila and her team were open and honest and were able to squash those fears pretty much immediately. Kaila was a rockstar with communicating with us, working through negotiations, and just helping guide us through this process! Amy, who walked us through countless houses, gave us her honest observations and was incredibly flexible – whether that meant sending us videos with amazingly detailed narratives while she checked out houses for us, or accommodating us on-the-fly when we came into town. She was fantastic!"

Tess Robinson

"I came across one of Kaila's very informative YouTube videos and from that point on, I started working with her and her amazing team (Amy & Marvin). Kaila is very knowledgeable about Charlotte and the surrounding areas. She and her team were very responsive and extremely helpful and supportive during my new construction home process. I highly recommend the Trulane Group."

Sonya L

"Kaila is simply wonderful. She helped us organize a whirlwind of tours when we were in town for only a weekend to look at homes. She worked with our wants and needs, and she fought for us tooth and nail during the closing process. I am personally very grateful and she handled my family and myself with the utmost care. Work with Kaila, you won't regret a thing!"

# TESTIMONIALS

"Kaila and her team were a wealth of information and insight. We are new to the Charlotte area, and her videos really helped us get our bearings. She referred us to a fantastic mortgage broker, was a keen negotiator during the purchase process, and helped us through the closing. Many thanks Kaila!"

Matthew Dennis 

"Kaila Lindsey was one of the best agents I have worked in my 10 years as a Loan Officer. Extremely responsive, professional, and always willing to jump on the phone to brainstorm when hurdles arose. I highly recommend to anyone in need of an agent in the Charlotte area. She will get the job done!"
