The Season

2019/20 was a 'challenging' season for Wests Cricket!

Firstly, having to deal with the 'drought East of the Princes Highway' (as described in the 'Illawarra Mercury') as our main ground Figtree No 1 was recovering from an extensive subsoil drainage installation during the off season and the drought not helping in the recovery process.

Bush fires in December / January, plus mid-January unable to use Figtree 2 synthetic wicket & ground for training and games. Closed to allow the installation of the AFL training lights and ongoing ground repositioning for winter sport and in time a new cricket pitch for next season.

Next came the extreme rain to the back end of January, continuing through February and March and finally late March, the worldwide COVID-19 virus health pandemic hit, forcing the cancellation of grade finals.

All combined - setting up many obstacles for the club to deal with over the course of the season.

On the Field

Our season looked good for our higher grades with some quality recruiting and player retention taking place during the off season. Zach Churchill was appointed 1st grade captain in August 2019 along with Troy Redman to remain as senior coaching coordinator for the 2019-2020 season. We also managed to retain the services of Udara Jayasundara for part of the season until he secured a playing contract in Sri Lanka for the back end of our season. Other quality players joining the club were Jake O'Connell a young all-rounder from South Coast who went on to represent the Greater Illawarra seniors at the Country Championships and Cricket Illawarra in the Plan B Regional Bash and was awarded Cricket Illawarra Under 21 player of the year. Blake Smith continued his senior cricket with Wests and also represented the Greater Illawarra at the Under 19 Colts carnival and represented NSW Imparja Cup team along with another new recruit Yarren Fair Townsend.

A low point in the season came in round 9 when our 1st grade game against Dapto was deemed by the umpire on the day, that Figtree No1 was unfit for play and the match was abandoned. From this controversial decision the flow on affect had a major impact on both our 1st and 2nd grade teams and the ability for our club to utilise the main ground to run our Junior Blast and Master Blast entry level programs and general training on the ground.

Both our first & second grade teams found themselves without a ground. First grade were forced to play the remaining season away and Second grade were forced to play at UOW No3 turf wicket which was very substandard, where in round 11 against Keira this game was also abandoned due to the wicket being under prepared and too dangerous for play.

Fortunately, no games were called off due to the bush fires, but the rain had a major effect on the amount of cricket played. 2nd grade went 7 weeks without bowling a ball or picking up a bat. Firsts to their credit had maintained 2nd position on the ladder until the last round in which they were washed out and unable to play Dapto. First grade were in a very vulnerable position and were forced to wait on other game results to see if they would even remain in the top 4, however finished in 4th spot meaning that there was no insurance against a wet weather wash out.

Battling through all the challenges presented, the club managed both teams to secure spots in the semi-finals, something that had not been achieved since 2007 under the guidance of Graeme Smith.

This was a great credit to Zach our first-grade captain and Pottsy a club stalwart and second grade captain along with the guidance of Troy and his coaching throughout the season. Congratulations boys on your achievements.

In our lower grades we did not perform as well as we have done in the past with third and fourth grade finishing mid table.

Overall, as a senior club we showed much improvement, and this can be judged by finishing 5th in the Club championship, moving up a notch from last season.

Our junior club had a reasonable season with our under 15A's being defeated in the semi-final and our under 13A's defeating Keira in the final to be crowned premiers. Our juniors dropped a spot in the junior club championship rankings which was a surprise considering that we still managed to produce many junior representative players for Cricket Illawarra and also the Greater Illawarra representative teams.

Sponsorship

One of the impacts of the COVID-19 virus was the forced closure of Wests Illawarra Leagues Club, our major club sponsor, with the government banning of public gatherings, we were unable to hold our regular senior and junior presentations. The closure of the club and the uncertainty of when things will be back to normal, we are looking at having a combined presentation and season launch as new season events.

Sponsorship of our club is essential to allowing our junior and senior teams play and be competitive, so a big thank you to our sponsors.

(Major) - Wests Illawarra Leagues Club

(Gold) - Elite Landscaping, KJ Scaffolding, New England Constructions, Maguire & McInerny Lawyers, Cram Tiling

(Silver) - Lyn Waldock

(Associate) - New Millennium Trophies, Dorahy Meats

The Future

With all the uncertainty that surrounds all sporting bodies in the Illawarra, there is no doubt that our game may have to make some changes and sacrifices in the starting time that the season begins, and the way that we are required to comply with any new Government & governing sporting body rules that are introduced in 2020. Whatever we are presented with as a club we are in a financially sound position and have solid club structures, so that we will be able to work our way through any challenges presented to us.

Finally, I would like to thank our junior and senior committee for their efforts during the season and look forward to continuing to improve as a club next season and to see all our junior and senior players returning for another successful season.

Mark Waldock – President

Treasurer

For the FY2019-20 the Cricket Club recorded an operating profit of $7,324.88 for the period ended 30th June 2020, leaving an operating balance of $24,544.97 to commence the new season.

Pre-season Wests Illawarra Leagues Club (WILC) supported the club with a slightly reduced (but comparable) sponsorship to the previous season with the ongoing Leagues club renovations. The sponsorship agreement remained similar with 'usable dollars in hand' being offset by a 'sponsorship in kind' component to be utilised within the Leagues Club and assist in the way of prizes with external fundraising activities.

At the end of March, with the advent of the worldwide coronavirus health pandemic (COVID-19) WILC advised all remaining monthly sporting club grants for the financial year were suspended (and then forfeited) as WILC trading operation ceased by government regulations and public lockdowns in place. The outcome did cause some inconvenience and budget revising.

Although the end of year operating balance may look quite healthy, early indications next season will present many challenges and unknowns coming out of the lockdown. Grants and sponsorships may be very limited with the economic downturn. Therefore, the vast majority has been earmarked towards protecting the club's viability and operation (an example, restocking club uniforms and some gear purchases are on hold until quantities are determined to minimise stock held).

The major income avenues were membership fees, a Club raffle, a successful trivia night and WILC as major sponsor, plus the retaining of most existing external sponsorships.

The major expenditure items were again in the areas of practice & equipment, clothing & uniforms, council ground fees & the various association costs. Club trophies were purchased although the club presentations could not be held (a cost saving) at the time.

To sponsorship, (see full list on cover page)

- Wests Illawarra Leagues Club – the Club sincerely appreciates and thanks it for the ongoing support as major sponsor. It should be noted the annual operating sponsorship follows a strict partnership agreement where the 'in kind' sponsorship will become the norm rather than 'usable cash in hand'.
- External Sponsorships – the club retained most existing sponsors from the previous season and hopefully will continue again next year. Unfortunately a few chose not to renew, citing value in return.
- Sponsorship Commitment – nowadays all 'sponsorship agreements' are increasingly becoming very much a two-way street! The challenge for the Club and members, will be its ability to secure and maintain sponsors in the medium to longer term. Members are encouraged to assist seeking new sponsorship opportunities. To retain potential sponsors every effort by all is required to support, promote, utilise those sponsors' endeavours (WILC and external), wherever possible. Simply I would encourage all members (and their families) to join and visit Wests Illawarra. For our external partners please consider favourably its offered products and promotions to families, friends and neighbours.
- Sponsorship Support is our life blood – its assists in keeping the membership & playing costs affordable.

A 2020-21 draft budget has been prepared covering all traditional club operations. At this stage, no correspondence has occurred with WILC Board for its submission and consideration. Given the unknown season start and likelihood of limited support for the new season, an emphasis will be required on securing alternative funding and sponsors to help meet the proposed season objectives.

In summary, the Cricket Club met all its commitments, operating to and within its budget and its financial position is currently sound.

Neale Benson – Treasurer

Junior Chair

For the season 2019/20 Wests fielded 11 sides in the Illawarra and Combined competitions. We were one of two clubs able to field teams in every competition. Our overall player numbers of 116 were on par with the previous season.

2019/20 saw Cricket Illawarra and the Combined competition move to 'odd' age groups. This meant competitions were run for age groups U11, U13, U15 and U17. The season also saw the completion of the Cricket Australia Staged rollouts with stage 3 being implemented in the U15 and U17 competitions.

Briefly, Stage 3 saw all cricket move to one day matches (no 2nd innings) over 30 or 40 overs depending on the age group and format. Ball Retirements of 40 (15B) and 60 (15A) were introduced while Under 17s had unlimited balls.

We continue to have positive numbers in our entry level programs, particularly in the Junior Blaster program where we had 31 participants. This bodes well for our future and hopefully there are some future Wests stars coming through the ranks. We also had 24 participants in the Master Blaster program participating on both Friday evenings and Saturday mornings.

On the field we had two sides narrowly miss the semis after being in contention with a couple of rounds remaining. Shane Rayners 13B Blue charged home after Christmas to end up 5th. Neale Bensons U17s had the opportunity to finish 4th but were unable to get the results they needed in the last two rounds. It was a great effort from our 17s who ran with 15 players. I praise the coaching and parent group for their support and understanding of the tricky situation.

Our strong 15A side finished minor premiers only to bow out in the semis after a disappointing effort with the bat put them behind the 8 ball. Overnight rain then gave them little chance the following day, with conditions not ideal for their quicks. Well done to Dan Abela and the team. I am sure we will see them in contention again in the next couple of seasons.

Our 13A side coached by Travis Burton had a most interesting season. In what was a strong and even competition the side went through some peaks and troughs winning up to 7 games on the trot and then after Christmas losing 3 in a row. Then the rain kicked in and the boys managed only 1 game in a month leading into the semis. Along with washouts and some fortunate results the team ended up finishing 2nd on the ladder. In their first semi-final against the minor premiers the boys put on a complete performance with bat and ball to easily account for Keira Black and qualify for the Grand Final.

The following Saturday they again played Keira Black in the Grand Final and after a fantastic team performance with the bat were able to dismiss Keira comfortably short of the total to seal Wests only Premiership for the season. Congratulations to Trav and his players.

This saw Wests finish 3rd in the Club Championship, however quite a distance behind the top two clubs.

I would like to make special mention of the following people who make my life that much easier and have great passion for the club.

Neale Benson – treasurer, equipment and ground manager and anything else you can think of.

Kerryn Morrison – looked after our junior clothing including orders and distribution and was always happy to help out where required.

Chris Wright – who managed and coordinated our junior grading days and assisted with team selections.

Natalie Nicastri – Natalie again took on the role of our Child Safety Protection officer and also contributed to the social side of the club, taking on the responsibility of running our Trivia night which was a great success. In addition

Natalie took over the reins to arrange our Christmas BBQ. Also thank you to Michael Nicastri who helped at the trivia night and Christmas BBQ.

Richard Ruse – Richard is our Junior Blaster guru. We would be lost without Richard. He did a fantastic job of looking after our 30 participants.

Mark O'Keefe, Michael Piela and Liam Mikleus – who all did a great job setting up and running the Master Blaster program on Friday evenings and Saturday Mornings.

Thank you to all our coaches and managers who dedicated their time to their teams for 6 months. Thank you to all the parents who scored and umpired throughout the season.

Thank you to Mark Waldock and the Wests Committee for their continued support of myself and our junior cricket.

Thank you to our sponsors, in particular our major Sponsors Wests Illawarra whose support allows us to be a strong force in the Illawarra competition and to provide facilities to our players that are second to none.

Whilst we rely strongly on the support of Wests Illawarra, in these times of lockdown I encourage you all to support our club when normality resumes.

At the time of writing this COVID-19 has much of the world locked down. The opportunity to celebrate the season together was not possible. We hope everyone remains well and safe and that if all goes well, we will have the opportunity to play some cricket at the back end of this year.

Paul King – Junior Chair

First Grade

A successful campaign saw first grade reach the semi-finals for the first time in just under a decade. Although results were inconsistent towards the back end of the year, better performances at the start of the year allowed 1st grade to qualify for the finals. In addition, several close wins throughout the season also contributed strongly to semi-final qualification, which skipper Zach Churchill describes as some of the best games he has played in. The games included Balgownie in round two, Wollongong in round eight, and Keira in round eleven.

Balgownie Round 2:

Being sent into bat on a wet-wicket, West's struggled but managed to sneak to a total of 100, with Bailey Edwards posting a much needed 23 not out. Considering Balgownie had the likes of Batty, Berwick, and Fisher, and had won the previous three premierships, defending a small total appeared ominous. However, a 5-wicket haul from Udara Jayasundara and two crucial wickets from Lachlan Coughlan-Ryan allowed Wests to bowl Balgownie out for just 70.

Wollongong Round 8:

After a strong opening partnership by Tyson Barrett (50) and Brendan Redman (40), Wests had a middle order collapse where they lost 8 for 100 and were bowled out for 199. While the total wasn't ideal, Wests were confident that they could restrict Wollongong and still win the game. The Wollongong top order batted well, with Lachlan Maddinson leading the way with a quick-fire 40 off 40 balls before Shannon Bonnie bowled him out swinging across the line. At 3 for 100 and Wollongong skipper Duncan Maddinson still at the crease, Wests needed to turn things around to ensure the win. With a terrific spell from Jake O'Connell and Shannon Bonnie, Wollongong lost 3 for 40. While this put the game in the balance, Jason Welsh looked to take the game from Wests by hitting a fast 30 of 30 balls. In needing just two runs with two overs to go and one wicket in hand, the situation was not looking good for Wests. However, with Welsh on strike facing Alex Jenkins with the field in the ring, Welsh smacked the ball in the air and straight to Zach Churchill at cover. A brain explosion by Welsh in the end was the difference, with Wests taking a two-run win.

Keira round 11:

With the ladder looking very tight coming into the back-end of the season, Wests played Keira in a crucial match. In the weeks leading into the match there had been a fair amount of rain around the Illawarra, and although the pitch looked sound, skipper Zach Churchill decided to bowl in the hope of sneaking a few early wickets in the first session. Although veteran Mark Johnston was bowled by Jake O'Connell for a duck, Dan Constable (62) and Tane Nunn (103) stabilised the Keira innings and lead Keira to a total of 4 for 290. Chasing 290 was quite daunting for Wests, who had been quite inconsistent in the batting department for most of the year. However, Grant Newman (111) and Zach Churchill (116) both posted centuries and got Wests into a very strong position to win the game. A middle order collapse then followed, with Wests losing 7-79, leaving the final pair Shannon Bonnie and Trent Woods with 12 runs to win. With one over remaining in the day and 5 runs to win, the game could have gone either way. With the game tied with one ball remaining, Woods was hit on the pad and a loud appeal ensued. To his credit, Bonnie was backing-up well at the non-strikers end, and after Woods was given not-out, the boys scampered through on a leg-bye to win the game. Wests did the unthinkable and chased down 290, something that had not occurred in the Illawarra competition for a long period of time.

Overall, there were some great performances throughout the year, with some of the best games of cricket anyone is likely to see. The team was quite inconsistent throughout the year, but this is something that will be improved in the coming seasons. Although the season ended in disappointing fashion to the premiers, Northern Districts, in the semi-final, the fact that 1st grade made the finals after such a long finals absence was still a win for the club.

Special thanks must be given to Troy Redman, who played a crucial role in game-day organisation. Although Troy had many other commitments outside of cricket, he was consistent in turning up to training, provided afternoon team on game-day, and scored every week.

Zac Churchill – captain

Second Grade

The 2019/2020 season started with a sense of potential after retaining the core of the previous season's team, with the addition of a few new (but old) faces. In quite a unique season which was impacted by drought, bushfire, smoke haze, the closure of Figtree Oval after being deemed as having an unsafe outfield, rain, flood, more unplayable grounds (Uni 3 this time) and Covid-19 which saw playing regulations altered and the ultimate abandonment of finals by Cricket NSW, 2nd grade only managed to get on the field 5 times after the Christmas break, with 3 of those playing days being the T/20 semi-final and the regular competition semi. Remarkably 2nd grade only had 3 playing days in the last 10 weeks of competition.

Season 2018/19 saw 2nd grade win only 5 games and finish a disappointing 8th. Roll on 12 months and 2nd grade sat in the top 4 all season, finishing the regular season 2nd. This included an appearance in the T/20 semi V University where unfortunately the team fell short with only 2 balls remaining. In the regular competition we played a strong Keira team, our Nemesis team for the past several seasons. In a rain marred game, we bowled Keira out for a modest 138, but sadly, were bowled out for under 100 in reply. With playing regulations changed due to Covid-19, which included an umpire ruling himself out of the game literally minutes before the start of play, Keira were declared premiers after the abandonment of the final after a recommendation from Cricket NSW.

In comparison to the 5 wins (10 losses), 8th position in 2018/19, second grade as a team performed much more consistently...managing 8 wins (5 losses, 1 tie) and 2nd position. The season was built around team performance rather than individuals and the success of the team was largely due to this team performance, with everyone at some stage, contributing to the success of the team.

Individually there were some outstanding performance...Liam Mikleus showed his true potential as an opening bat, scoring his maiden grade hundred, a fine 104 V Helensburgh (with Grant Newman scoring 72). Milky should have had another ton when he scored 89 V Port Kembla 3 games later. The team's weakness in previous seasons had been its batting, with the bowling unit mostly holding their own. Season 2018/19 saw Milky the only player to average @ 20 with the bat. This season batting was the team strength...Club legend and Life Member Paul Brockley showed why he is regarded across the district as one of the finest cricketers to play in the Illawarra, averaging @65 across the season (including winning the district 2nd grade batting averages @76). Brock had scores of 56* (in an unbroken 121 partnership off 12 overs with Pottsy), 53, 65 (in a 152 partnership with ACR), 56* (in a 119 partnership with Rob) and 60*. This was supported by Milky @32, Adam Coughlan-Ryan @28 (HS 79), Grant Newman @64 (HS 72), Andrew Johnson @26 (HS 55), Dave Potts @34 HS 59*), Rob Cauduro @44 (HS 52) and Lachy Coughlan-Ryan @34. Unfortunately, our batting failed us in the semi with 7 wickets only contributing 24 runs.

In the bowling department, all bowlers contributed, and the wickets were mostly evenly spread. Matt Cram and ACR lead the way with 17 a piece, Rob and Lachy Brown 15 a piece, with Johnno 10, Brock 5, young Jack Kerr 5, LCR and Harry Yates 4 each. Special mention must go to Lachy Brown who has struggled in the past for consistency with his line and length. He learnt by season end that if he pitched the ball full, the ball swung and moved, and he was a very dangerous bowler the last month of cricket and at times was unplayable. Jack Kerr greatly profited from playing with Brock, bowling his left arm tweakers and bowled 17.5 over's straight against Dapto for figures of 3-38. In the same game ACR bowled 18 over straight for figures of 3-28. Lastly, I must mention the efforts of my good friend and great clubman, Matt Cram. Those who know Crammy know he is one of the greatest bowlers to play for this great club of ours. He bowls with such heart and determination and has probably not received the accolades in the past that he has deserved. I have been lucky enough to play with Crammy many times over the years and he has never bowled a bad spell. We were lucky to get Crammy to play several games in 2's throughout the season, including the semi-final. Waking up around 8.30am on the Sunday morning of the semi-final after only 2 hours sleep after I finished night shift I noticed I had received 2 concerning tests from Crammy telling me he'd been up since 3am, vomiting and wasn't sure how much he could contribute, or if he could even play at all. Roll on 6 hours later and Crammy had single handily tore the heart out of Keira, taking amazing career best figures of 7-45 off 14.4

overs. Crammy finished 2nd grade with his 17 wickets at 7.06. Thanks mate, you are a great cricketer and even better bloke!

Thank you to all the guys who played 2nd grade during the year and made the season a success on and off the field, particularly to the experienced blokes like Rob (congrats to Rob and Mia on their marriage earlier in the season) and ACR. Adam is a very useful source of knowledge and advice and has a future as captain should he choose to go down that path. Thanks Adam for our mid-week texts. Good luck to Johnno next year as he lives in Sydney due to work commitments. To the rest of the boys, I hope to see you all back to go that one step further next season.

And lastly, I want to thank Brock for all his advice and support. I was lucky enough to make my 1st grade debut some years ago playing under Brock so to play a season with him made the season all the more memorable. Brock has undoubtedly a great wealth of cricket knowledge. His knowledge of the game is only matched by his ability and he showed a lot of opposition players that he is still good enough to be playing 1st grade if he chose to. Thanks Brock for supporting me and guiding me in the right directions when I may not have been on the right track at times. Like Crammy, you are a champion bloke and the success of this season was largely due to your involvement and input.

Thank you to Mark and the rest of the committee for entrusting me with the captaincy of this team. It was a season in which I learnt so much about my own game as well as the role of captaincy. I look forward to next season.

To steal a quote from Brock, which after the season he had is appropriate to use, the season 2019/20 can be best described in one word.... "knobs".

David Potts – captain

Third Grade

Firstly I would like to thank all the players that played 3rd grade this year especially the 5-6 regular u17s that backed up after playing juniors in the morning, each and every week.

The first half of the year we were placed in the top 5 and had beaten most of the top teams, however the Christmas break didn't treat us well, only winning half of the games after Christmas.

We had a lot of the regular players out which hurt us as we made a run at the finals, which showed as we ended up running 6th.

The season highlight the T20 comp where we did a lot better making the semi-finals but lost in a close one to Wollongong White the eventual winners.

I would like to thank all the guys for making my first full year as captain very enjoyable experience.

Shane Rayner – captain

Fourth Grade

Fourth grade finished 10th out of 16 teams in what can most easily be described as a "mixed bag" of a year.

With the U17s having 15 players we had a constant rotation of different players coming into the team each week creating a little bit of an issue with consistency. We also had multiple weeks where we required players from U15s as well. The boys were great and enjoyed the comradery with the regular 4th graders, many laughs had. Hopefully the club can keep these juniors wanting to progress into the senior ranks as the club will be in good health with many top graders I see coming from this bunch.

In relation to the season we had some memorable victories chasing down totals with the loss of no wickets or only one. Unfortunately, we balanced that out with a fair number of close losses. Only a couple of times were we totally out classed by our opponents, so in total it left us in the middle of the table. However, we were still in the hunt for a finals berth with 3 weeks to play.

Our team mascot Keith Howson continued with his weekly supply of yummy snakes to keep the team refuelled. Congratulations to our top performers of the season with Matthew Young our leading bowler and Xavier Whitton our top performed batsman.

Looking forward to seeing as many of these players back again next season.

Steven Ryan – captain

Under 17 A

(Stage 3 Level 4)

Preseason the final rollout of the Cricket Australia Stage 3 junior program was implemented in the older age groups across the Cricket Illawarra and South Coast Combined competitions, which also moved to 'odd' age groups, including a new Under 17 age group.

The new U17 concept meant players who would traditionally progress to grade cricket from U16s (or not play at all) could again have another season in junior cricket to further develop their skills and confidence before progressing to grade.

For Wests, the concept was well received with the vast majority of the previous seasons' players returning. Those who were unsure about grade did return – a real positive! Other clubs struggled somewhat believing it was to the detriment of the players development.

For the U17s the change resulted in only one competition (not unexpected) being conducted by 9 teams (6 Illawarra). Wests won 3, lost 6, plus a bye to finish 5th on the ladder.

The U17A season is best described as 'challenging' (both coach & player) but rewarding & enjoyable! A lot of fun and laughs were had along the way.

The team consisted of 15 very good-natured players, with varying skill levels, however had the makings of a good well-balanced team. To allow the team to progress and develop with so many players, various playing options were presented to the players and parent groups. After feedback, a season player rotation was implemented allowing and ensuring all players to have a decent game each week, either juniors in morning or grade in the afternoon (if they chose to) and to maintain a team balance. Training throughout the season was well attended and keen.

Overall the team each game was quite capable, very competitive and was well positioned in nearly all games. Batting for the most part was technically good, however lacked consistency and regular partnerships. The bowling probably should have been more of its strength, as the team had a balanced attack from its fast bowling, to steady medium pacers; to a variety of spin options. The fielding attention on any particular day (or moment) was unpredictable (brilliant or a sleep) and probably proved to be its downfall.

- Round 1 a loss to Corrimal on the back of multiple fielding dropsies defending a winning position.
- Rounds 2 & 3 wins against the Wollongong teams through dominate batting and controlled bowling displays.
- Round 4 loss to Albion Park via fielding fumbles.
- Round 5 Kiama (basically a stacked representative side – the bench mark) a loss - mid order batting collapse chasing a reasonable target.
- Round 6 T20 Corrimal again. A strong win with revenge in all departments and looking good at the Christmas break among the top 4.
- Post-Christmas a round 7 bye (basically 5 weeks not playing), then the loss of Figtree 2 home ground (wicket & ground) for the new AFL training lights installation & ground redevelopment / re-alignment.
- Round 8 a low scoring game with an out of character team performance (batting & bowling) loss away to a lower placed Shellharbour / Oak Flats. Probably still recovering from the holiday break, however still in the hunt for a semi-final chance, before the wet weather arrived.
- Round 9 (reduced to a T20) batting extremely well on a long and heavy Sid Parrish outfield, then defending saw a very tight last over loss to a strong Keira side (crucial dropsies) which proved costly in making the semi-finals.
- Round 10 after a disciplined bowling & fielding display week 1 against Northern Districts, the team somehow found another way to help the opposition, only to lose by 5 runs (being 4-65 chasing 93) with overs and time to spare.

The change in the format rules (reduced to 40 over matches, no 2nd innings) combined with the 15 player roster was challenging. All players were provided and given opportunities, did develop and impress at various stages, which included many personal best performances. The constant team changes did contribute and hinder the teams' on field consistency, however the key goal was to ensure all players developed and enjoyed the game. Not a win at all costs approach.

It was a credit to the players and parent groups in their understanding, support and acceptance of the situation. The roles given on any particular day were to ensure all were involved, advance each and be enjoyed by all concerned. Many players even when rostered off in the morning, did turn up to watch and support the team and mates. A great display of unity and very much appreciated.

Many thanks for their assistance and support;

- Parent group and team supporters – match day cheering, team photos and other general tasks at various times.
- Our dedicated scorers – Scott & Kerryn Morrison (MyCricket Live Scoring) ably assisted by Warren Black (paper scoring) when required.
- Matt Davidson & Darin Collier (unsung heroes) – advice, team training and umpiring.
- Players who chose and assisted the grade teams throughout the season, with many making their grade debuts, performing well and impressing the senior players. Much appreciated.

Finally to the team, I trust you had fun, enjoyed the season (I did) and also learnt something along the journey. Although frustrating at times, the support, respect and positive team work demonstrated was a credit to you all. This is how the game should be played.

I hope to see all players advancing their game again next year.

Neale Benson – coach

Under 15 A

(Stage 3 Level 2)

The Wests under 15 team had a very enjoyable and successful season playing in the newly formed under 15A competition.

It was new rules, some new faces and our team represented the club in fine fashion finishing the season as minor premiers.

The season started strongly with a comfortable win over Dapto in round 1 followed by an outstanding dismantling of Keira the premiers from the previous season. Some good judges that witnessed our batting on day 1 of that game rated it some of the best batting in a club game of any age for some time.

During the regular season we only had one poor day when we were bowled out against Kiama. Other than that we played consistently good cricket with all team members contributing with bat, ball and in the field.

We were fortunate to have 3 of our batsmen feature near the top of the competitions run scoring and averages. With Angus Campbell, Noah King and Bailey Abela all scoring consistent runs at high strike rates. Importantly during the season there were strong contributions across the team when we needed it. A great example was the batting of the two Ryan's (Kay and Roberts) and Josiah when we were in trouble against a quality Northern Districts side or Michael Marzano's 40 in our second win against Keira.

Our contributions with the ball were well spread with every player contributing at different points in the season. We made life difficult for most batting sides with a strong pace attack with Angus, Josiah and the two Ryan's leading the way, with Noah, Bailey and Charith providing the spin. Ryan Kay's bowling was a key element to our plans and his performance on game day was reflective of his efforts at training each week. What was most pleasing was the improvement during the season of Lachy Welsh, Jayden Sanderson and Ash Burton with their control and movement getting better each week.

Despite the very successful regular season, it was a strange end to the season in many ways. Most of February was rained off with us only playing one T20 game the week before the semi-finals. Not a great lead in.

Unfortunately the semi-final was a game we would prefer to forget for many reasons. We were sent in to bat on a very slow outfield at Sid Parish by Dapto, a team we had beaten easily twice during the season. We seemed to be cruising reaching 0/25 in the 8th over when Bailey was hit in the Helmet by a beamer. One of the great things about the game of cricket is little changes in momentum can turn into tidal waves.

Unfortunately we were on the wrong side of the momentum change on this occasion. We lost our top 4 very quickly and before long were 8/50. Some lusty hitting from Josiah got us to 70 but despite the slow outfield still 50 short of what we needed.

Still we arrived day two confident of victory. What we did not expect was the ground to be under water at one end due to overnight storms. Understandably Dapto did everything in their power to get the game happening including bringing a super sopper to try and fix the run ups.

The umpires deemed the ground playable despite the fact we could not bowl our quick bowlers at all from one end. Quite extra ordinary. The boys showed their character by fighting hard keeping Dapto's scoring rate to just over one per over for the first 20 overs.

After two of our bowlers fell in their delivery stride the game was called off and we lost by 4 runs under Duckworth Lewis. In cricket you win games and you lose games, win premierships and lose them, but most important is the character you show. I am proud of our team, I am proud of our parents. Despite the circumstances where we should never have had to enter the field on day 2 our group retained humility and class throughout.

Finally, congratulations to the award winners from the team. It was great to see Noah King win the batting and bowling awards. He has been pipped a number of times in the past and deserved the accolades this season.

Angus Campbell won one coaches award for his outstanding play during the year. It was his first year at Wests and he impressed all who saw him play. He has an incredibly bright future if he continues his thirst to learn.

Lachlan Welsh and Jayden Sanderson also won coaches awards for similar reasons. They both came to every training session and every game with an outstanding attitude all based around improving their own games and putting the team first.

I really appreciate the support I received from the players and parents this year. I enjoyed the company of the team at training and on game day. We had some good laughs, improved our cricket and made great friends. Although we missed the chance to win the premiership, we can take the next few months of isolation to reflect on the positive things that happened, learn and come back better for next year.

Daniel Abela – coach

Under 15 B Blue

(Stage 3 Level 1)

We had a game plan from the start of the season to bowl to the top of off stump. By Christmas we hadn't won a lot of games, but Clayton Smith (our wicket keeper) was leading the number of catches showing the plan was working, but unfortunately the batting let us down besides some outstanding innings from Zac Jancetic.

After Christmas, the runs were hard to find and defending low scores was very difficult.

Again this season we had a captains group with different captains every week, all had a chance to pick batting / bowling line-ups, then take control of the game on the field.

A big thanks to all the dads that helped out. I couldn't have done it without them.

I cannot say a bad thing about any of the boys, they turned up every week and did the best they could. Unfortunately we didn't make the finals like last season but everyone had a fair go, learnt about team play and individual improvement.

See you next season

Bart Thompson – coach

Under 15 B Red

(Stage 3 Level 1)

The Under 15B Reds had a profitable season. Each of the boys clearly enjoyed their cricket and the camaraderie of being part of a team, as well as improving in their skills. The team's strength consisted in its bowling, with each of the boys making a contribution every week.

Bond Stergess, Caleb Barnes & Cooper Newell-Glaser could all be relied upon for their pace bowling, particularly at the end of the innings when the opposition was looking to attack.

Ronan Ward regularly captured early wickets with the new ball & Kieran Langstaff worked hard at developing his swing bowling. Chris Meek & Zac Cutajar provided much needed variety with their developing spin bowling and it was a real highlight for the whole team to see Matt Beattie experience the reward of claiming several wickets.

Bryn Newton was playing his first full season of competitive junior cricket and soon showed himself to be quite a natural. His fielding and catching was outstanding, highlighted in one match when he was able to claim 4 catches. He displayed an ability to strike the ball well with the bat, and his accurate medium pacers invariably made the batsmen play.

Getting a competitive team total with their batting was the biggest challenge the team faced. To this end, the team regularly looked to Cooper Newel-Glaser to make a steady contribution at the top of the order. The team also benefited whenever Jacob Sotirovski made runs, as invariably his innings would be scored at a good rate.

Maiden retirement knocks from Chris Meek, Jack Taylor & Kieran Langstaff were achievements of which the boys should be proud. Caleb Barnes also contributed with some big hitting when required and provided reliable service behind the stumps with the wicket-keeping gloves, a role which he shared with Cooper & Jacob. Blake Sharman showed an ability to make some lusty hits with the bat, and offered the variety of being able to bowl either spin or pace with the ball.

The team was helped each week by a group of parents, and special thanks should be given to Matthew Meek for his meticulous scoring and to Kris Glaser for his help with training and umpiring.

I hope all of the boys are keen to return to play again next year, as they were a pleasure to coach this year.

Craig Langstaff – coach

Under 13 A

(Stage 2 Level 2)

The implementation of new age groups this year saw the inaugural Wests U13A team selected. With 9 team members, we relied heavily on the experience of Alby and Thomas early in the season. As the season progressed and the players settled into their respective roles, the team began to improve and produce consistent results, producing 6 straight wins across 8 rounds of competition.

After Christmas was a difficult time seeing us miss 3 rounds of games due to rain and Bush-fire smoke.

At the completion of the regular season we finished in 2nd position with 8 wins, 4 losses & 3 draws.

After winning the semi-final versus a very competitive 1st place Keira side, we qualified for the grand final which was a great effort by this team.

A drizzly grand final day saw play start late, but by putting on 6/144 (Thomas King 36, Alby Ferguson 23no) we were able to again restrict Keira Black to 106 (Liam Sandison 2/17 off 4.4 overs, Tyler Davison 2/17 off 4 overs, Connor Robbie 1/5 off 3 overs) to be U13A premiers. Player of the final was Thomas King 36 off 36 balls & 3 overs 0/5.

Overall it was a very pleasing season with all players improving and playing vital roles for the team. The most improved players were Tyler and Lachlan, both having excellent seasons with bat and ball. Tyler's batting was at times brutal as he would look to hit 4s off most deliveries, while Lachlan would find a way to squeeze runs around the ground and always bowl a consistent line and length.

Top 4 teams; 1.Wests, 2. Keira Black, 3. Keira Red, 4. ND White

A great season.

Under 13 B Blue

(Stage 2 Level 1)

U13 blue this season had an up and down year. We started the year with a win but then only winning 1 more out of our next 5 games it looked like we were in for a long season ahead.

But then something must have clicked with the kids as we went on a 7 game winning streak, plus a couple of washouts it was looking like we could sneak into the top 4, but we unfortunately lost our last game and ended up coming 5 out of 12, which was a great achievement from where we started the year.

Some of our best achievements through the year were Adam Carlotto scoring over 300 runs for the year and Radha Vyas scoring her first fifty. The best win we had was against Keira chasing down 153 and winning off the last ball with a single and with no wickets in hand.

I would like to thank all the parents for supporting the kids every week, especially the Mum cheer squad we had, and a special thanks to Richard, Mario and Dennis that helped with scoring each and every week.

In closing I can't wait to see everyone again next year.

Shane Rayner – coach

Under 13 B Red

(Stage 2 Level 1)

It was a roller-coaster of a season for the U13 Reds, in terms of results, but results is not everything at this level. The season surely ended on a high, with improved skills, strong bonds and great memories. U13 Red was an all-boys team made up of Joshua Bond, Jonathan Crowe, Tom Dugan, Prashane Fernando, Joshua Hewitt, Elijah Howarth, Bhargav Jagarlamudi, Michael Seales, Cody Sullivan and Caleb Vagg.

The boys lost their first game to Northern Districts Blue, but not without a valiant effort as the younger boys adapted to the rules of the higher age bracket. Cody and Jono stood out as our best performers, with 3 wickets each. The boys' second match was a good win over Dapto Gold, with a score of 135 and keeping Dapto to 66 runs. Josh B was our strongest batter and Prashane and Elijah were our top wicket takers for the game. Our third game was a loss to Helensburgh and game four was another loss, this time to Keira, so the boys were determined to win game five in some intra-club rivalry against Wests White – and win they did in perhaps the closest game of the whole season: Wests White were 7 for 85 and Wests Red were 6 for 86. Caleb was the top scorer for the game (if we put aside the help from Oliver Wright from the U11s) and Michael took his first wicket for the season.

The boys were on a roll now, with three wins in a row coming their way. Game six was an impressive win over Northern Districts Gold, with Cody and Prashane topping the scoreboard; Cody also took four wickets and Bhargav took three, amongst other strong performances. Game seven was against Dapto Blue, and it was time for some of the other boys to show how they had improved, including Tom who was to become the boy "who could not be bowled out" by the end of the season. Game eight was a win against Northern Districts White, with Prashane our top scorer, with Cody and Josh H also contributing strongly to the total of 244, the team's highest score for the season.

Unfortunately, the roll now came to an end, and the teams lost games nine, ten and eleven to Port Kembla and Northern Districts Sky respectively. It was time for the Christmas break and the boys breathed a sigh of relief – perhaps they would come back to the pitch refreshed and ready for a win. However, it wasn't to be – the boys suffered more defeats and a couple of games abandoned to weather before they were able to show what they were made of for their final game of the season with a win over Dapto Blue.

The game results don't tell the full story though – U13 Reds had some very talented players, considering a substantial number were playing their first or second season and others whose improvement during the season is a credit to their willingness to listen and learn, and to the wonderful coach they had in Veeru Jagarlamudi, himself a skilled cricketer who was selected for the NSW Over 40s indoor cricket side while coaching the boys.

Veeru was supported in all sorts of ways by the boys' parents – John Howarth and Ramesh Fernando helped out with umpiring, Dave Sullivan was our knowledgeable scorer and was always there for the team for any rule clarification, extra fielding sessions and a sounding board. Kaylene Crowe is now almost as good at scoring as Dave, along with Jason Bond, Rod Vagg and James Seales, Mr Crowe has helped us a lot with taking his camera out to take the action shots and team photos on high resolution. Susannah Powter's contribution to the team reports and this annual report along with scoring is invaluable. Lyndall Hewitt's cups of tea and coffee were a blessing on an early morning and all the parents were great sports, encouraging the boys through all the ups and downs.

Under 13 B White

(Stage 2 Level 1)

2019/20 was a season where the boys in 13 White continued their cricket journey. We continued to build on the basics we had learnt in the U11/Stage 1 of cricket, where it didn't matter if you got out. We learnt how to play cricket and there are actually consequences to getting out.

Credit to the boys, we were one of, if not the youngest teams in the competition. Where all other teams had a mix of U12 & U13 players, we were a team of U11 & U12 cricketers. This held us in good stead where we didn't rely on a particular player to score runs or if we needed to bowl some tight overs I was comfortable to call on any of the boys. We were one of the more even teams in the competition, where there wasn't a large gap between our stronger and weaker players and all our players got to bat in every batting position and also bowled a similar number of overs. Looking forward to 2020/21 season the boys will have the confidence to play attacking cricket and to believe in their ability.

After our first 2 games we learnt although it is good not to get out, batting 30 overs for 60 and 67 runs was not going to be competitive. So we worked on if we could score around 90 – 100 runs (around 3 runs/over) our bowling and fielding would keep us in the game. From there we managed to win 5 games during the season (including beating ND Sky, the eventual Premiers) but also came within 6 and 7 runs of Minor Premiers Helensburgh, who only lost 1 match in the regular season, in our 2 games against them.

Losing Sam Bird at Christmas time, with his family moving back to New Zealand, left a big hole in our team but as a team every player lifted their game to cover the runs and wickets Sam scored and took for us.

The boys had a great attitude to training. They came to have fun but were also always looking to improve. In particular fielding training was never a chore and the results showed come game time where we were able to back up our bowlers and took some wonderful catches.

It was a pleasure to once again to coach this team and to watch them grow and improve as the season progressed. Looking forward to season 2020/21.

Marc Phillips – coach

Under 11 A Blue

(Stage 1 Level 2)

Wests Illawarra Blue Under 11 played in the A competition and after an up and down year finished 5th with 10 wins and 7 losses.

The season started well enough with a 14 run victory over Keira Black. However we then ran into the top two teams in the competition in Helensburgh and Keira Red and losses to both had us on the back foot. By the Christmas break we had won 6 games but had lost 5 and had fallen to mid table, well out of contention.

Hard work and some great performances saw the Blues come home strong winning 4 of our last 5 games with 1 wash out. That loss being controversial to the third placed Balgownie Black by a single run. This period also included a great win over Helensburgh, giving them just their second loss of the year and ultimately determined the premiership going to Keira Red.

Against Helensburgh they batted first and our bowling attack shocked the Helensburgh batsmen who were used to scoring freely. Josh O'Keefe led the way with 3/14 of 4 overs. He was ably backed up by Oliver Wright 0/11 of 4, Nate Warren 0/10 of 3 and Nicola Hudson 0/13 of 3. In reply Wests knocked off the runs with an over to spare, Nate Warren backing up his bowling with his best innings of the year of 24.

We were lucky to have 4 representative players in our team.

Oliver Wright and Josh O'Keefe were also the opening bowling tandem for Illawarra and performed outstandingly at that level.

Josh was out leading wicket taker with 21 wickets @ 9.14 average. Oliver backed up his bowling by being our leading run getter with 245 runs @ 16.33 average.

Our two girls also represented Illawarra with distinction.

Jasper Robinson kept wickets for us for all of the season and her natural talent for the game gives her lots to work with. Jasper's stroke play and technique will put her in good stead in the longer formats of the game.

Nicola Hudson was a team leader and a joy to coach. She was always active in supporting her teammates especially in the field. As she started to learn some of the tactical side to bowling she became very effective and we really saw a huge improvement in her game over the season.

Tom McKinley is another player with a great future. Unlucky to miss out on Rep honours Tom really was a strike weapon with his bowling. His 4/15 against Helensburgh the first time we met showed what he can do against one of the better batting teams in the competition. He would have been disappointed with his batting this season but he showed glimpses of what he is capable of. His 34 against Wests White was our top score for the season. Tom is another player who will benefit by playing a longer format of the game.

Nate Warren is a player who is blessed with a great natural talent in the field. He can take the hardest of catches and make them look easy and his aggressive nature and uncanny accurate throws ran many batters out. Nate chimed in with both the bat and ball and for mine his style seems suited to being a busy opening batsmen into the future. His high point with the ball being 3/6 of 3 overs against Northern Districts Blue and as mentioned earlier was the key contributor with the bat against Helensburgh.

On the first day of Cricket registration trials Joshua Wiedl stood out. His ability to bowl leg spin and to be accurate ball after ball made me want to pick him for our team. He did not disappoint. Being his first full year of cricket, Joshua had picked the hardest discipline of all and at times he struggled with the mental aspects of the game. But I did not see a harder worker and someone who applied himself and listened more than Joshua. By the end of the

season he had refined his technique and had worked on bowling different balls. He also developed his bowling strategy and worked more to a plan. I will be keen to follow just how far Joshua can take his cricketing ability.

Last but definitely not least Jett Tobias rounded out our squad. This also was Jett's first season in cricket and he brought to the team an energy and exuberance that was infectious. Whilst Jett struggled at times with the fundamentals of the game, there were also moments of brilliance. His slashing 17 against Dapto and his 21 against Northern Districts White brought back memories of the famous West Indian teams of the eighties. I will remember his look of joy and excitement as he cracked another four out of the middle of his bat. Whilst his bowling needs work again he showed what he could do in his final game against Balgownie with 2/17.

2019/20 we can look back and see that inconsistency against the weaker teams lead to our downfall. However the emergence of a number of Representative talents and the win over Helensburgh showed that this group of players has an exciting future in the game and will be part of Wests Illawarra for some time to come.

For myself and on behalf of Mark O'Keefe, we would like to say it was a pleasure coaching this team.

Chris Wright – coach

Under 11 A White

(Stage 1 Level 2)

We commenced this season confident in the fact we had a mix of younger and older players and this year we would be competitive in most games. All players except for 1 had a year of experience in this age group and we knew we had players in our side who would push for representative honours for the first time this year.

As a coach my focus for the year was to be on firstly winning games but also having fun. That being said I still believe that player development is the key goal at this age group. I thank the parents for dealing with me as I balanced those 2 areas this year and I feel that in the end every player improved and had fun. We managed to be competitive in all of our games but we lost nearly half our matches in close contests, sometimes by as little as a run or wicket. We pushed the top 4 teams every time we played them, and this is a credit to the boys.

As cricket is a team sport I won't be highlighting individual performance in this space and I would like to commend all of the team from their commitment to training, commitment to our team first ethos and for always playing the game in the right spirit. I should mention Beau and Nash who made their representative debuts this year for Illawarra and brought that experience back to club level. Each and every player developed over the year and my hope is they all return next season. Many of the boys will go up a grade next year and I send them along knowing they are ready and will do well.

I would like to thank all the parents for their support during the season. In particular I would like to thank Brendan Sergeant who acted as my assistant during the year. Finally, thanks to all the kids who whilst on the odd occasion may have driven me mad in the end filled me a sense of joy and pride with every step they made during the year.

In all my years of coaching this year has reminded me of the reason I do it and it's as simple as the smile on the boys faces when something goes right after often things went wrong. I will always remember the bemused smile on Ben's face after being hit for 3 fours in a row to lose a game or the look on Liam's face when he took the final catch of the season in the outfield. Coaching is made up of these moments. It may have been the tenacity at which Nate ran into bowl every week or the amazement when Austin just had one of those days when he couldn't hit the ball or when Linc ran in and bowled the ball just like he did at training to take a wicket. Perhaps it was Will finally getting hold of one of his famous slogs or for me as a parent, uncle and coach it probably was when Nash and Beau turned heads almost every week with their batting and bowling. A great season was had by all.

Under 11 B Red

(Stage 1 Level 1)

This was the clubs youngest and least experienced team. None of the team had played in a graded team prior to the season commencing. For that reason they were placed in the lower level and unfortunately finished last. That doesn't actually tell the true story of how competitive they were.

The season consisted of 18 rounds. Their results were played 15, won 2 and lost 13, with 3 matches abandoned. In the first round they lost by 2 runs. It was difficult to get the boys to understand how the scoring worked. They were batting second and when the last over started they were leading. They were busy saying we've won and then lost a wicket and ended up losing. In round 3 they lost by 3 runs and in round 9 they lost by 9 runs. Finally in round 10 (last before Christmas) they had their first win. The New Year due to bad weather meant they only played 3 games in the first 6 rounds. They won one of those and unfortunately didn't get to play against the bottom team.

The team had 9 players, one of which had an 8 week holiday. The structure of the competition was that 7 players were on the field. For all but 1 game, that meant substituting players on and off the field. Some opposition teams gamed this by only playing 6 players. This meant that their players batted and bowled more deliveries and also required us to give them a substitute fielder.

With parents help we had a scorebook copy of the match, an electronic version and help getting players on and off the field as required. It became obvious that the kids needed coaching in all aspects of the game. So although we started training in the nets, we switched training to Sid Parrish after round 3. This allowed the kids to bat in a game like simulation. It was also a way for me to get them to back up when batting and fielding. It was also good to get them calling when batting. In the New Year they returned to the nets to work on batting and bowling techniques.

We had a couple of children who really performed well and I can see them having a good future. All the children improved throughout the season. I'm not sure they will all return and some will be young enough to play U11s again. When watching them bowl in the game, at the end of the season. There were teams that had worse performers than our weakest players. All of the players could bowl past half pitch and none were letting the ball bounce twice.

In closing I think in future it would help to have a few skilled players in even the weakest team. It can be discouraging for a team that loses every week. I really want to praise this team. They never gave up and tried hard in every game.

Anthony Bourke – coach

Master Blaster Program

Wests once again had strong representation in the Master Blaster Program which was run on Friday evenings and Saturday Mornings. Wests were co-hosts of the Friday night sessions at Figtree oval. Usually 2 games were run on a Friday evening with Wests doing a great job running a skills zone in between the games to keep kids occupied and constantly learning. A big thanks to Mark O'Keefe for his help on the Friday nights.

The Saturday morning sessions were shared between Wests and Keira. Thank you to Michael Piela for once again looking after Saturday mornings. He was ably supported by Liam Mikleus.

The year ended up being a disruptive one with our main ground being out of action after Christmas, February was the ever reliable wet month and then covid-19 impacted our ability to finish off the season. I thank the parents and players for their understanding and support during this season and hope next season runs more smoothly.

A number of our participants will hopefully return for another season of Master Blaster, while some will make the transition to competition cricket.

Paul King – co-ordinator

Junior Blaster Program

We ended up with nearly 31 young boys and girls this season and the majority attended most of the sessions.

Each session went for 80-90 minutes from 8.30- 10.00 a.m. with three / four activities, with groups rotating from one activity to the next. Early on we graded the groups with many newcomers this season, so beginners worked together and the more experienced together. Activities were interspersed with quick drink breaks before the groups moved on to the next activity. Each activity was based on skill development from fielding drills, batting drills and bowling drills. These activities were supplemented with minor games to provide the boys and girls with the opportunity to see if their skills were improving and to develop team work through competition. At the conclusion of each session, we would ask questions of the group to see what they had learnt from the activities. We even had kids practising skills for homework.

As the season progressed, we mixed the groups up to enhance the development of the younger or more inexperienced children. By the end of the season the children had developed immensely, in terms of skill development and team work. During the season, we integrated some specific games days as well with the emphasis on fun during competition.

I especially, would like to thank the parents who helped this year. We welcomed Matt Cram as a helper when he was available this year. Matt has come back to grade as well. Brad Pearce was of invaluable assistance as well. Special thanks to Drew and all the other parents, especially the women volunteers who became involved in the activities during a difficult season. The impact of the bushfires and smoke with warm conditions did effect some of our early sessions. Our main ground became too dangerous to continue using, so we had to move to the number two ground and the nets. Then in February, we had washouts because of rain. When we thought we were going to be able to get back on track and finish with a flourish, we had to cancel our presentation and barbecue twice because of Covid-19 pandemic restrictions. So, this season was a mixed bag due to unforeseen circumstances.

I am hopeful that many of these children will enjoy a continued association with this great game next year in a variety of forums, some moving up to T20 blast and others returning to Junior Blast. With the world in a pandemic now it will be up to governments to allow cricket organizations back to some sort of post pandemic junior structures for next season. We will have to wait and see what they have in mind. Here is hoping we can return to something near normal for next season. Thanks again to all who helped this season.
