**The Season**

With our new look playing kit rolled out this season across the senior and junior club, which was thanks to the continued support of Wests Illawarra Leagues Club and the hard work putting it all together by our clothing committee, the club look to set the season on fire on the back of last season's 1st grade premiers.

Unfortunately it was not to be this season, with our 2nd graders lead by Paul Brockley and Tyson Barrett the only grade team to make the final, falling short to ND's, while in the junior ranks our Under 15A fell short to Keira and Under 13B Red fell short to Corrimal.

Our youthful 3rd grade team lead again by Bart Thompson forced their way through the Saturday semi-final defeating Wollongong Maroon and into the Sunday preliminary final against Wollongong Black but were a little underdone with the bat to hold Wollongong off. Our Under 17's were beaten by Keira Black in the semi-final.

On a positive there were plenty of young 15's and 17's that were happy back up on a Saturday afternoon to help the senior grades and I'd like to thank the players and the parents for getting their boys to the games. It is great experience for the boys to be able to play with the older guys.

Our 1st grade team under the captaincy of Aaryn Kornberger looked the goods at the start and the end of the season but were a little rocky before Christmas with some disruptions to our squad during this period that crippled their momentum. Unfortunately, we only just fell short at the end of the season by not picking up a couple of crucial bonus points that could have set the course for another opportunity to defend our title. Hopefully the boys will learn from the season and will be back next season to pick up where they left off.

A big thanks to the Brock & Tyson, Bart and Steve Ryan the lower grade captains for their patience at times when selection issues were becoming difficult, but it was quite obvious after Christmas once the 1st grade pecking order was settled it became easier to have consistent teams on the paddock each week and it reflected in the club's results.

Off the field the club (jointly with Figtree AFL) secured a grant for 65k to build a new electronic scoreboard for the main ground, which I'm confident that we will have it ready for next season and a grant 500k for new change rooms and storage rooms towards Figtree no 2. That project could take a little longer to get off the ground.

**Sponsors**

Again, a huge thankyou to our Major sponsor Wests Illawarra for their continued support of our club and our other valued sponsors for the season

- Craig Arthur's – Amcal Chemist at Woonona
- Maguire and McInerny Lawyers
- New England Constructions
- Woolworths Figtree – Peter Cutajar

**Committee**

A big thank you to Paul King and his junior committee making sure the juniors are one of the top ranked junior clubs on and off the field, this is being reflected in the talented players that we are now seeing coming it our senior ranks.

A special thanks to Kerryn Morrison and Paul Brockley with managing the design, purchase, and distribution of our new clothing kit to our club members.

Our Junior and Master Blast programs were co-ordinated and run well by Michael Piela, Tim Somerville, Jai-Dev Vyas and Richard Ruse. I'd like to thank them for their efforts throughout the season.

Wests had a significant presence on social media this season and that can be attributed to the behind the scenes work of Paul Brockley, hopefully he will continue to maintain our socials next season and we thank him for his work.

Thank you to our management committee and those that always help when there are jobs that need to be done to keep the club a success.

Let's hope we continue to improve and look forward to next season.

*Mark Waldock – President*

# Treasurer

FY2022-23, the Cricket Club recorded an operating loss of $8,280.61 for the period ended 30th June 2023, leaving an operating cash balance of $13,942.32 to commence the new season. The year also represented a return to traditional financial operation with no disruptions as seen in recent years.

Wests Illawarra Leagues Club (WILC) again supported the club with a comparable grant as the previous year.

The club was successful in two cricket related grant applications; Cricket Australia Grassroots Cricket Fund & Cricket NSW HomeWorld Community Grant (Thunder Nation territory), for specific nominated club equipment purchases geared towards female participation.

The new Cricket Australia digital platform 'PlayHQ', primarily a competition & player registration management system, came online this season allowing full online registrations (senior & junior) and simplifying the financial reporting & burden. The system worked well, although the club must absorb the costs with the credit card transaction fees incurred per registration.

Although the end of year operating balance may look quite healthy, the vast majority has been earmarked towards restocking new clothing (size dependent needs) and specific grade balls pending CI competition structure decisions.

The Club financials operate on 'Cash' (money In & Out) basis. However the transitioning to new clothing this year, offered an opportunity to report and monitor the actual stock levels & dollar value on clothing & balls (ie Inventory on Hand) being used & available, separately offline. Monitoring accordingly should benefit and assist in future decision making, as inventory represents unusable cash until sold.

This season the old style (but new) unused clothing stock was grouped, packed and is being donated to needy cricket causes.

Review,

- The major income avenues were membership fees, the cricket related grants, WILC as major sponsor, plus the support of some existing external sponsorships.
- The major expenditure items occurred in the traditional areas of practice & equipment, free issue season clothing & uniforms, club presentations, council ground fees & the various association costs.

To sponsorship, (see full list on cover page)

- Wests Illawarra Leagues Club – the Club sincerely appreciates and thanks it for the ongoing support as major sponsor.
- External Sponsorships – there was a slight drop. The Club retained most existing sponsors from the previous season and hopefully will continue again next year.
- Sponsorship commitment & support is our life blood – all members are encouraged to assist seeking new sponsorship opportunities. Every effort by 'all' is required to support, promote, utilise those sponsors' endeavours (WILC and external), to retain potential sponsors, wherever possible.

The 2023-24 budget has been prepared covering all traditional club operations, which has been submitted to the WILC Board for its consideration. An emphasis will be still required on securing alternative funding and sponsors to help meet the proposed season objectives.

In summary, the Cricket Club met all its commitments, operating to and within its budget and its financial position is currently sound.

*Neale Benson – Treasurer*

# Junior Chair

Coming of the wettest season on record, the outlook was not promising however the 2022/23 season turned out to be a beautiful season with only one round affected by wet weather.

It was a big off season for the club with the launch of a new clothing line and the move to a new Cricket Application. Both provided significant challenges to the club but were both handled very professionally. I would like to acknowledge the efforts of Paul Brockley and Kerryn Morrison in their handling of our new clothing range and Neale Benson for his superhuman efforts in getting his head around PlayHQ and making the transition a simple one for our club.

I would like to acknowledge our major Sponsor Wests Illawarra for their ongoing support of the club and their generous contribution to our new clothing line.

On the field the club had a mixed season with our 13B Red and 15A sides both losing tight grand finals. Our 17As punched above their weight only to be knocked out in the semi-finals. We saw under 10s return to Saturday morning cricket and in the early part of the season both sides had the opportunity to use the clubs Flicx wickets on the glorious Figtree #1 oval.

Pleasingly we fielded a girls' team in the U13 mid-week competition, and they had a fantastic time. We hope to continue to grow our numbers in the girls' mid-week competition.

The club continues to run a thriving Blaster program on Saturday mornings for 5–8-year old's and this was well run by newcomer Tim Somerville and the now "veteran" Michael Piela. A huge thanks to them for their efforts every Saturday morning.

With the Ashes in full swing, let's hope that inspires large numbers of boys and girls to play cricket next season!!

*Paul King – Junior Chair*

Under 10s in action on the Flicx wicket

# First Grade

West Illawarra 1st Grade season had its ups and its downs. The campaign started well in the T20 comp, winning both games and just missing out on a finals game. Lachlan Welsh had an outstanding game against Balgownie taking 6/19 off 4 overs to win us the game.

1st Grade then went into the Cricket Illawarra One-day competition. We started off losing to Balgownie, then picked it up from there. Round 4 is where we ran into problems with two former team-mates causing issues within the team. This resulted in on field dramas, team segregation and loss of interest in a few of our players. One person left to go to another club, but the issues continued with the other person causing an upset to the club and multiple players within 1st / 2nd Grade with his antics. This was resolved when this player was asked to leave, but the damage was already done.

1st Grade from there went on to finish off the campaign reasonably well with 11 wins and 6 losses. 1st Grade had opportunities to obtain bonus points in multiple games throughout the year and just didn't get it done. This meant 1st Grade did not see the finals, which I'm sorry about.

I believe our team under performed on many of occasions throughout the year, on and off the field. Training needed to be better, with attendance and quality of training. Multiple drop catches cost us on many occasions and hurt our campaign during the year.

Though I believe we did underperform, I also say we had a lot of great performances. Batting

- Zach Churchill in the second half of the season scored lot of runs and won us games (565 runs @ 56.5).
- Bailey Abela had an amazing season opening the batting all year (435 runs @ 29)
- James Chappell made full opportunity when he did bat and was pushed up to open (347 runs @ 31.55).

Our bowlers performed as well

- Udara was the highlight of our bowling and really showed his class with the ball. Udara may not have had a great year with the bat but did very well with the ball (2x 5 wicket hauls and 39 wickets in the 1-day comp).
- Lachlan Brown did well for the games he played.
- Lachlan Welsh's first year into 1st Grade was very good and he will be great for the club in the future. Very exciting.
- Timmy Sommerville had some good and bad games, but was a fantastic club guy, always helped.

Once issues had been resolved, the playing group for 1st Grade turned out to be good, with a good bunch of guys. A special thank you to Callum Harper who stepped up to 1st Grade to help with some issues we had with players and selections. He is a great guy and clubman, willing to do whatever for this club.

*Aaryn Kornberger – captain*

# Second Grade

2nd Grade Finalist – Defeated by Northern Districts @ Figtree 1
Archie Ohara, Tyler Davidson, Harry Egerton, Jai-Dev Vyas, Jason Kriss, Paul Brockley
Raman Wadhwa, Tyson Barrett ©, Martin Barrett, Noah King, Nicolas Nicastri

2022-23 saw 2nd grade finish runner's up in the competition. While not being able to match it with NDs in the Final it was an amazing result for this team.

With the mixture of youth, players from the U15's, U17's and those players in their first fully fledged season as a grade player being the majority, along with some old blokes assisting to help the youngsters become better cricketers. We got to the Big Dance at the end of the season.

The team sat in the middle of table all season but managed to put a couple of wins together leading into the final to allow us as a group, to achieve the position of second overall in second grade.

Most notable was that we gave ourselves the opportunity to probably played our (our grand final) best game in the semi-final against the number one team all year in Wollongong and knock them out of the premiership.

Congratulations to Raman Wadhwa who was our most consistent performer all year, taking out the batting and bowling awards for 2's. Congratulations also to Harry Egerton (5-22 vs Keira) and Raman Wadhwa (5-28 vs Helensburgh) who were able to pick up 5fa's during the season with the ball.

There were a couple of notably Major Club Milestones that occurred in our team during the season. Congratulations to these guys on their substantial contributions to our club over a very long period.

- David Potts - Breaking the Club Record for grade games (554 +) and still counting.
- David Potts - 900 wicket keeping dismissals for the club.
- Jason Kriss - 8000 runs for the club.
- Paul Brockley - 400 games & 8000 runs for the club.

As the official captain of the team, I took the opportunity to allow a young member of the club, that being Tyson Barrett, to captain for the second half of the season. Tyson was very good and gave the team great direction with his tactics and his feel for the situations in games, especially that semi-final game. Also, I like to pay a big thanks to Marty Barrett for everything he did off the field, being the driving force to do the covers week in and week out with the assistance of only couple of others during the year.

To Mark (President) and all the committee, thank you all for what you do for the club that allows us to play the game we love and the club to function. To all the lads who played 2nd grade, thank you for keeping this old bloke feeling young and keeping this club going forward. I hope you enjoyed the year that it was and look forward to seeing you all again in 23-24. For those (4) guys that leave the ball and get bowled, practice hitting it in the off season

*Brocks (PA Brockley) – captain*

# Third Grade

This season we improved and made the finals. Not many of our 3rd grade side had experienced finals cricket. For these players (young men), this achievement was only going to better their playing performances in the future, now knowing what standard they had to be, to be competitive in winning the almighty premiership.

As my 2nd year of captaining 3rd grade, I was blessed once again with having a great bunch of young men and elder statesman. Also, the support from the club, parents and friends was a massive help and very much appreciated. You don't realise all the little things help so much.

I was involved in watching some outstanding cricket this season. Jason Kriss century and Jack Kerr 5-22, but the most important thing I watched was that we were a team and we backed each other, week in & week out.

In the past, the club would lose a lot of players that don't make the jump into grade cricket. I believe being a part of a 3rd grade side is still a great gateway for juniors to experience playing against older and experienced players and still being able to play with their mates. Our side is made up of mostly young men just out of junior, juniors 2 to 3 older mentors. The more games, the more training, the more fun these young men have, the stronger individuals get & the stronger the club gets. Clubmen is what I am trying to achieve.

See you next season.

# Fourth Grade

Season 2022/23 was a mixed bag for 4th grade with some great performances mixed in with some unfortunate season ending injuries to key players.

We started the season off with a few new faces with some players returning to the game after close to a 20-year layoff.

So the T20 comp got our season underway and 4s were on fire winning the first 2 games and putting us in a top of the table clash with ND to see who would make the T20 Final. Unfortunately we lost with only a few balls to spare, however signs were good leading into the season proper.

But alas we went on a run of losses, while losing players to serious injuries with bones facing directions that only the x-rays could make us believe were possible. This put us in need of relying heavily on our juniors for a major chunk of the season, and may I say a huge thanks to all our talented juniors that filled in for us and performed amazingly.

We managed to finish the season off with a well-deserved win which keeps up an uncanny knack for 4th grade to win the first and last games of the year. Although we finished the premiership 11th out of 13, I can argue that we were not the 11th best team in the competition with multiple games lost by way of bad luck / injuries mid game and 1 very ugly incident of cheating by an opposition team that was beyond belief.

Our leading bowler for the season was Ryan Boncompagni with 25 wickets, and leading batter was Steven Ryan with 665 runs.

Hopefully, we can see everyone back again next season, healthy and ready to go.

*Steven Ryan – captain*

# Under 17A

(Stage 3 Level 4)

The 2022-23 season turned out to be a roller coaster and very enjoyable. The team ultimately finishing 3rd on the ladder being defeated in the semi-final by Keira Black.

The Under 17 competition started with 9 Illawarra teams (no South Coast entries), having 2 byes over the 18 round season. Ultimately one team withdraw just before Christmas creating a draw reschedule over the last 9 rounds, meaning teams would play another 2 teams 3 times in luck of the draw over the season.

The team consisted of 13 good-natured players, with players returning from the previous season two U17 teams and the progression of U15s, all with ranging skill sets. The underlying season team goal was to potentially qualify for the final series, as many had not done so before.

Given the player skill sets and the competition playing conditions, the aim was maximising opportunities for all, while also advancing the overall team performance. All players were given roles on a day to ensure all were involved and develop an understanding of team operations. To their credit all players & parent groups accepted the process resulting in great team harmony, supporting each other no matter what and the enjoyment it created.

All players did impress at various stages over the season and pleasing to report many players surpassing their previous personal bests in all areas.

To the season proper, after a wake-up call round 1 (ND White), a frustrating forfeit win round 2 (Port) and a more committed performance round 3 (ND Blue last season finalist), suddenly the team started to gel getting on a roll understanding their roles, going undefeated including round 8 (Balgownie) defending 63, emerging as the 'surprise' competition leaders at Christmas and early into the New Year (11 rounds).

Unfortunately, the new year saw the team become the 'hunted' by the opposition, winning only 2 games in the last 7 rounds, scrapping into 3rd position, although many opportunities arose for the taking to finish higher. The main concern the team batting approach, unable to score runs collectively as a group consistently. The approach fluctuated greatly moving away from team oriented in control, to individual basis with little respect put on their wicket. The result being regularly 5 down inside the first 10 overs, unable to recover and build any respectable totals. The bowling was strong when in control and fielding great in parts when focussed to support the bowling.

The semi-final result was a game 'what could have been', batting again struggled but was competitive. In the field missed early and easy opportunities against their key batters proved the difference.

Many thanks for their support and assistance;

- Parent group and team supporters – match day cheering, and other general tasks.
- Team general – Matt Davidson providing coaching & umpiring support, while acting as a sounding board.
- Our dedicated scorer – Michael Eyb (Live Scoring), with assistance by Craig Langstaff & Denis Mikleus.
- The numerous players (U17s & U15s) who chose and assisted the grade teams throughout the season, with many making their grade debuts, performing well, and impressing the senior players. Much appreciated.

Finally, to the team, I trust you had fun, did enjoy the season, and learned something along the way. It was a roller coaster through some periods. Most importantly the respect and encouragement you all displayed towards the team environment is the key ingredient to being successful. Remember, believe in yourself, the results will happen!

Well done and congratulations. I hope all players will continue and advance their game again next season.

*Neale Benson – coach*

# Under 15 A

(Stage 3 Level 2)

Firstly and most importantly I would like to thank the parental group for their efforts in helping get the boys on the park each week. We were fortunate to have help getting the field and stumps set up each morning; tents set up; scoring and umpires – this was very much appreciated and not overlooked by Trav and I.

Secondly our thanks to Neale Benson for the efforts in preparation of pitches and marking of boundaries and inner circles. His efforts save all coaches many hours of additional work throughout the season and is much appreciated.

Thanks also the Travis for his coaching this season – always accommodating and flexible to step in whenever needed. The boys benefited greatly from having a regional academy head coach at their weekly disposal.

A pleasurable season saw our team make it through to the grand final in a competition with a strong top 4 teams.

Unfortunately, we went down to Keira in the game, however we were more than pleased with the way our boys handled themselves. A key to our success this season was the ability of all the boys to play a role in the team's success. We batted deep every game; all boys took wickets and contributed in the field.

Having been around this group of boys for many years the most pleasing observation is how they are developing as fine young men – again a credit to their parents and family. An easy group to coach and a pleasure to be associated with.

Finally, our sincerest of praise and thanks for the junior subcommittee for their efforts. The challenges of running a sporting club are endless and often thankless – so please accept this praise on behalf of every player and parent in our Club.

Signing off,

*Matthew Ohara – coach*

# Under 13 B Blue

(Stage 2 Level 1)

Overall not a bad season, boys. We played 16 games, winning 8. 2 games stand out where we lost our matches against Northern Districts White, the first by 6 runs and second by 8 runs. Those 2 games cost us reaching in the semis in the end.

We beat the teams that finished 4th, 5th and 6th which proves our team was able to play great cricket. At times we just fell away, with dropped catches proving costly.

Arlie Martin was very consistent throughout the season with his batting and bowling, getting 14 wickets and 121 runs. Thomas Whitmee batted well scoring 201 runs. Both boys played representative cricket for the Illawarra this year which will hopefully continue to push these boys to a higher standard.

Jack Baldassari had another consistent year. I can always rely on Jack's line and length bowling at the end of the innings.

Ryan Yeo batted and kept well again this year and at times his bowling was right on the money. Nate Warren played a handful of games this year and is a very skilful player. I hope you give cricket a real good go next year, mate.

Jack Hammonds' bowling was always dangerous and gave the batsmen problems. His batting improved greatly throughout the season.

Mitchell Clark, Ben Agnew, Samuel Kempton, Thomas Klein and Harvey Martin all improved as the year progressed. The Boys' bowling and batting went to a new level. They all wanted to learn and improve their skills. It was easy to see they were all working hard at home too to improve.

It was a joy to see the boys enjoy their cricket and their skills getting stronger. Just remember boys, you only get out what you put in. Practice well and results will come. It's been a pleasure coaching again. Thanks boys.

*Mark Whitmee – coach*

# Under 13 B Red

(Stage 2 Level 1)

We came into the season with a core of players that had a couple of seasons of U11 cricket under their belt, combined with a few players coming in for their first season since the Blasters program, and we were hopeful of getting a few wins and being competitive in most games. We're proud to say that we greatly underestimated what this team could achieve.

They started the season well with three hard-fought wins as they slowly discovered their mojo with bat, ball and in the field. It all came together with the bat in round 4 when the boys put on 224 in their 25 overs to secure a comfortable win against Wollongong and establish themselves as the premier batting side in the competition.

They continued that theme in subsequent weeks and came up against the other undefeated team in Corrimal in round 7. They were able to produce their best all-round performance of the season to defeat Corrimal by 46 runs, with nearly every Wests player contributing strongly for the team. From there they continued to perform strongly and finished the regular season as minor premiers with only 1 narrow loss to Keira Black.

The semi-final saw them pitted against Keira Black with a chance to avenge their only loss of the season. The boys worked very hard in the field to restrict Keira to 6/115 and then got their innings off to a good start, largely thanks to Will Turner top scoring with 24 off 23. The boys had the run rate well in hand but kept losing wickets, so it was tight until Cameron Kelly and Eli Smith were able to steer the team home with 2 wickets and 7 overs to spare.

The preliminary final was the day after the semi-final and was against Helensburgh. Our boys batted first and put on a strong total of 153, thanks to Cameron Kelly's maiden half-century, Will Macleod with 31 and Kieran Phillips with 27. While they didn't have their best bowling performance, they were able to restrict Helensburgh to 3/117 thanks to a good effort in the field, to put them into the Grand Final against Corrimal.

The grand final was a tight affair. Wests were sent into bat first and struggled to regularly score thanks to a fine bowling performance from Corrimal, restricting us to 7-104. Only 2 batters reached double figures but did well to bat out their overs after losing a few early wickets. Our boys fought hard and took wickets regularly in Corrimal's innings, but they were scoring too quickly, and we ran out of time. It was a gallant effort, but it wasn't our day.

Significant individual highlights included

- Eli Smith's 3/3 to turn the game against Keira Red in round 8,
- Lachlan Bateman taking 3/1 in the opening over against IPCC,
- Tinuka Withanage's sublime 56no against Helensburgh in round 13, and
- Cameron Kelly's timely 54no in the preliminary final after coming so close to the milestone several times during the season.

However, every player had a number of significant contributions that influenced the outcome of a match, every player improved significantly as the season went on and we could not have achieved what we did without every single one of them. They all ended the season with a deeper passion for the game and we look forward to seeing what they all achieve next season.

*David Kelly (coach) & Peter Bateman (manager)*

# Under 13 Girls

(Stage 1 Level 1)

The under 13 girls' team won some games, lost a few as well, but they had fun every step along the way and most importantly, they all improved out of sight as the season went on.

After we often struggled to have seven players to form a team the previous season, it was great to see a squad of 12 put their hand up to play in the Wednesday night T20 competition this summer.

We came up with a system where the players shuffled in and out the line-up so they each got the same number of hits for the season and whoever didn't get a bat any given week got a bowl or kept wicket.

One of the most pleasing aspects of coaching this team is that they all accepted this without any complaints.

Most of the team this season had not played matches or at all previously and a couple literally didn't know how to roll the arm over.

But after a few training sessions and applying themselves, they all managed to take wickets and I think we unearthed a few batters of the future.

They all indicated at the end of the season that they were keen to play again next summer which is another highlight of this team.

Hopefully the Illawarra district pathways for girls' cricket will become more formalised in the coming season so that there's Stage 1 and Stage 2 competitions.

The age-groups shouldn't matter so much, it's more about skill level for the young girls.

They are competitive on the playing field but also respectful of the rules and often after the games they'd forget to ask whether we won or lost which shows that the thrill of playing was more important than the pursuit of winning.

A special shout-out to Mark O'Keefe for being team manager/gear steward/official scorer for the season.

We divided our three coaches' awards into our leading scorer/wicket-taker (Joely), most enthusiastic player (Olive J) and our big improver (Olive S).

The mighty Wests Devils under 13s team: Annabelle Bugg, Emily Clark, Memphis Coble, Olive Jameson, Kulnoor Kaur, Ava Kelly, Andie Lawson, Bridie Lawson, Madeline O'Keefe, Kirra Smyth, Olive Stevens, Joely Suttor.

# Under 10 Blue

(Stage 1 Level 0)

The cricket season began with Paul King bargaining that he could put all three of my kids into the same team if I was to take up the coaching gig. The thought instantly resonated, "All three kids at the same ground, at the same time, on a Saturday morning, in the same car?" As quick as a flash I was now the coach of Wests Illawarra Under 10 Blues! And what an experience it was...

Standing in as coach and also the umpire at the non-striker's end in my first game, the spirit of Under 10 cricket was alive and well. As an adult forgetful of his own years as a junior cricketer, I was about to learn that the subtleties and nuances of the sport are often taken for granted.

I was standing in the umpire's position at the non-striker's end, our team was bowling and my signals to the scorers were on fire. We were perhaps in the fourth or fifth over of the first innings when the opposition batter struck a beautiful straight drive that was well fielded by our bowler, a mere two metres from the stumps. Nice shot, but no runs there....surely....

"Yes" came the cry from the non-striker batter who was eager to get on strike. And they were off, with the batter charging down the wicket. With the batter miles out his ground and our bowler with the ball safely fielded and, in his hand, this looked for all money to be the first runout of the season...surely...

Our bowler, who was all but five under 10 steps away from stumps, wound back his arm and with eyes as wide as Christmas morning he let rip a shy at the stumps. The ball went roaring past the stumps a metre higher than needed and off toward the boundary. "Again, Two!!" yelled the batter as the chance for overthrows beckoned.

Our mid-on fielder had collected the ball when there was a call of "Yes...run again". The batters had turned for a 3rd run. A strong throwback to the bowlers end... but there was no one at the stumps, our bowler had chased after his own shy at the stumps and was standing next to mid-on. As the throw went wide of the stumps heading toward the cover region, the was another call of "Yes!!! Run".

The batter at the 'keepers end took off for a fourth run, but his partner was yet to complete the 3rd run. With two batters heading to the same end, our cover fielder had the chance to affect the run out by lobbying the ball to the 'keeper's end. Now this time a runout ....surely?

With one batter home safely at the non-striker's end, and the other batter stranded ¾ down the pitch, in came the throw..... Our team whipped off the bails at the non-striker's end and appealed for the wicket. "Not out" I said.

The other batter made it back safely (almost running 5 in the process!) and with our team looking puzzled as to why it was given not out, at that point I realised I had some coaching to do!

And so began the instilling of the finer details of the game to our young club members. Backing up the throw in the field, throwing to the keeper or bowler, walking in with the bowler, backing up at the non-striker's end while batting, knowing when to throw and when to hold it back.

Those minor learnings aside, this wonderful team of under players all had a knack for the skills of batting and bowling thanks to the work Richard put in during their "Master Blaster" years.

Brock Smith earned the Gilchrist award - in the grudge match against the other Under 10 Wests team, Brock came out and hit his first ball of the innings for six.

Christian Walton showed his continual improvement with a player-of-the-match performance in his last game of the season highlighted by two consecutive pull shots to the boundary and also taking two wickets in 2 balls, and unlucky not to snag a hat trick.

The dynamic duo of Harper Smith and Amari Ferns would either open the batting or close the innings, not only mixing it with the boys but leading the way and showing them how it was done! Both of the girls bowled with good pace and accuracy, and Amari easily had the best handstands in under 10 cricket.

Lenny Ferns was into everything. Batting, bowling and just try stopping him in the field! Lenny would run from fine leg to the bowling end to back up throws and be ready at the stumps. A true allrounder!

Jackson Smith, the youngest of the team at only 7 took a running and full stretch diving catch that the other coach described as 'catch of the season'. Jackson improved each game and mixed it with the big kids all season.

Finn Kelly was our stand out bowler and the most improved player from the start of the season. Finn's second half of the season was full of wickets as he developed consistency and bowling style reminiscent of the great Glenn McGrath.

Arjun Malik proved to be handful with the ball and found himself on a hat trick a few times during the season. Arjun's batting will be one to watch, he developed an impressive cut shot which is not an easy shot for an under 10s player.

And last, but not least is Katie du Plessis. Coaching Katie was a real pleasure, always smiling, always eager to learn and always giving it everything. For the whole season Katie bowled right-handed with continual improvement every game. Then out of nowhere, Katie asked me "coach, can I bowl left-handed today?". It was the last game of the season so we thought why not. Well, Katie bowled equally as well left-handed, and it could develop into a unique bowling weapon. Katie did a 180 with her bowling style and will now be known as "Katie One Eighty"

*Adam Smith – coach*

# Under 10 Red

(Stage 1 Level 0)

Played 16 games, with 8 wins and 8 losses finishing 6th out of 10 teams.

This is the first year all the boys have experienced playing outdoor cricket after most of the boys had spent the previous few years at junior blast and master blaster. We had a mixture of boys aged from 7yrs old up to 9yrs old.

The start of the season saw us bowling way too many wides and no-balls (off the pitch) deliveries. But at training we focused on the basics of bowling and by the seasons end we were averaging less than half the extra's than we were doing at the beginning of the season.

Batting was similar with a lot of wickets being lost from silly shot selections early in the season, but every week the boys would come to training and we would work on easy-to-understand techniques which saw big improvements in all their batting.

Fielding is another part of the game that you really need to incorporate into training each week so they can not only learn how to catch or field a ball but learn about backing up.

Other components they learned in the first year were, backing up whilst batting, sliding your bat, walking in the with the bowler, backing up in the field. All these are a must learn skills for them to progress their knowledge of the game.

Overall I feel like we set the foundation for these boys to not only enjoy the game but to improve their skills. I hope this will result in all the boys returning next season to do it all again.

Top run scorers :

- Myles Augustyn - 189 runs
- Jack Pearce – 136 runs
- Neel Shah – 127 runs

Top Wicket takers :

- Neel Shah – 30 wickets @ 4.03
- Miles Augustyn – 19 wickets @ 8.84
- Jack Pearce – 9 wickets @ 20.78

Coach's awards went to Maan Barua, Darcy Hawkins and Tyler Robinson

*Brad Pearce & Ian Robinson – coaches*

# Blaster Programs

(Junior Blasters & Master Blasters)

This year we saw a drop in the number of participants, which can partly be attributed to the reintroduction of a Under 10 Competition.

Overall, around 32 boys and girls enjoyed beautiful Saturday mornings at the spectacular Figtree #1, where they were introduced to the basics of the game in a fun and relaxed environment.

The club was also in search of a new Junior Blasters coordinator and in his first season with the club Tim Somerville stepped up and did a tremendous job. He brought great energy and enthusiasm to the program and did a tremendous job.

Michael Piela once again did a great job setting up and running our Master Blaster games each Saturday Morning.

The club thanks Tim and Michael for their efforts as well as Jai-Dev Vyas who filled in when they were away.
