President

The 2023/2024 season commenced with some changes both on and off the field. Long time Treasurer Neale Benson stood down from the position of which he has held for over 20 years and I'd like to take this opportunity to recognise the dedication that Neale has committed to the treasurer role at the club and his attention detail that he applied during his tenure to ensured that the clubs financial affairs have been kept in order to the highest degree, leaving the finances of the club in a very strong position for the future.

With Neale standing down we welcomed Jason Kriss to the Treasury role and Jason has done a fantastic job in bringing himself up to speed on the inner workings of the Clubs finances, Jason not only handled the finances of the club in his stride but also covered a lot of the duties that I would have done during my time away on leave during the season and I would thank Jason for his huge effort this season it was greatly appreciated by myself.

In addition to the off-field restructuring of the club, we lost 6 of our first grade players from last season to other clubs. With this news the club saw the opportunity instigate some change in the coaching structure of the club and appointed former Wests Illawarra coach and player Stephen Jenkin to the position of Club coach and Udara as his assistant. With Stephen's state, national and international coaching experience he introduced better structure to training and enhanced the development of the younger players coming through the grade ranks. Although the results of the club's positioning on the competition ladders wasn't the best overall in the grades, there was solid foundations built for the club to be in a stronger next season. We look forward to Stephen coaching the club again in 2024/2025.

Another change to the club was the construction of our new 4.8m x 2.8m LED scoreboard positioned at the Northern end of Figtree Oval. The scoreboard was funded by a 65K grant from NSW Government and the remaining funding was raised by the cricket club and Figtree AFL, the total value of the project was 98K.

Our junior club again under Paul Kings direction was well run as it always is with Paul in charge, our success on the field was only measured by 1 premiership win going to the Under 13 B team, but 5 of our teams made the semifinals. What was more encouraging was the increase in player numbers and the additional number of girls that played this season. Paul Brockley should be recognition for this with the new mid-week girls cricket blast program that was introduced and the school holiday cricket blast programs that we conducted, Thanks both Paul's for your efforts.

Another initiative that Paul Brockley introduced was the women's Thursday night Social Smash. We had some great feedback from this program with all the ladies enjoying themselves and we look forward to all the Ladies returning next year to have another go. Thank you to all those involved in running the Thursday nights.

I would like to congratulate Bailey Abela who has played all his junior and senior cricket with Wests Illawarra and had a very impressive season representing in 1st grade for Wests, Cricket Illawarra, Greater Illawarra Zone in the men's and Under 19 Colts Country Championships and then gained selection in the NSW Country open men's and Under 19 Colts to represent New South Wales Country at the National Country Championships respectively. He was names Wests and Cricket Illawarra's Under 21 and won the district batting averages. Unfortunately, Bailey will be leaving the club to progress his career in the Sydney Premiership competition next season and wish him the best of luck and hope that one day he returns to play with the mighty devils again.

Sponsors

Again, a huge thank you to our Major sponsor Wests Illawarra for their continued support of our club and our other valued sponsors for the season. Steve Ryan needs to be congratulated on his work to secure new sponsorship during the season, these additional funds raised assisted closing the gap with additional expenses associated with the new scoreboard.

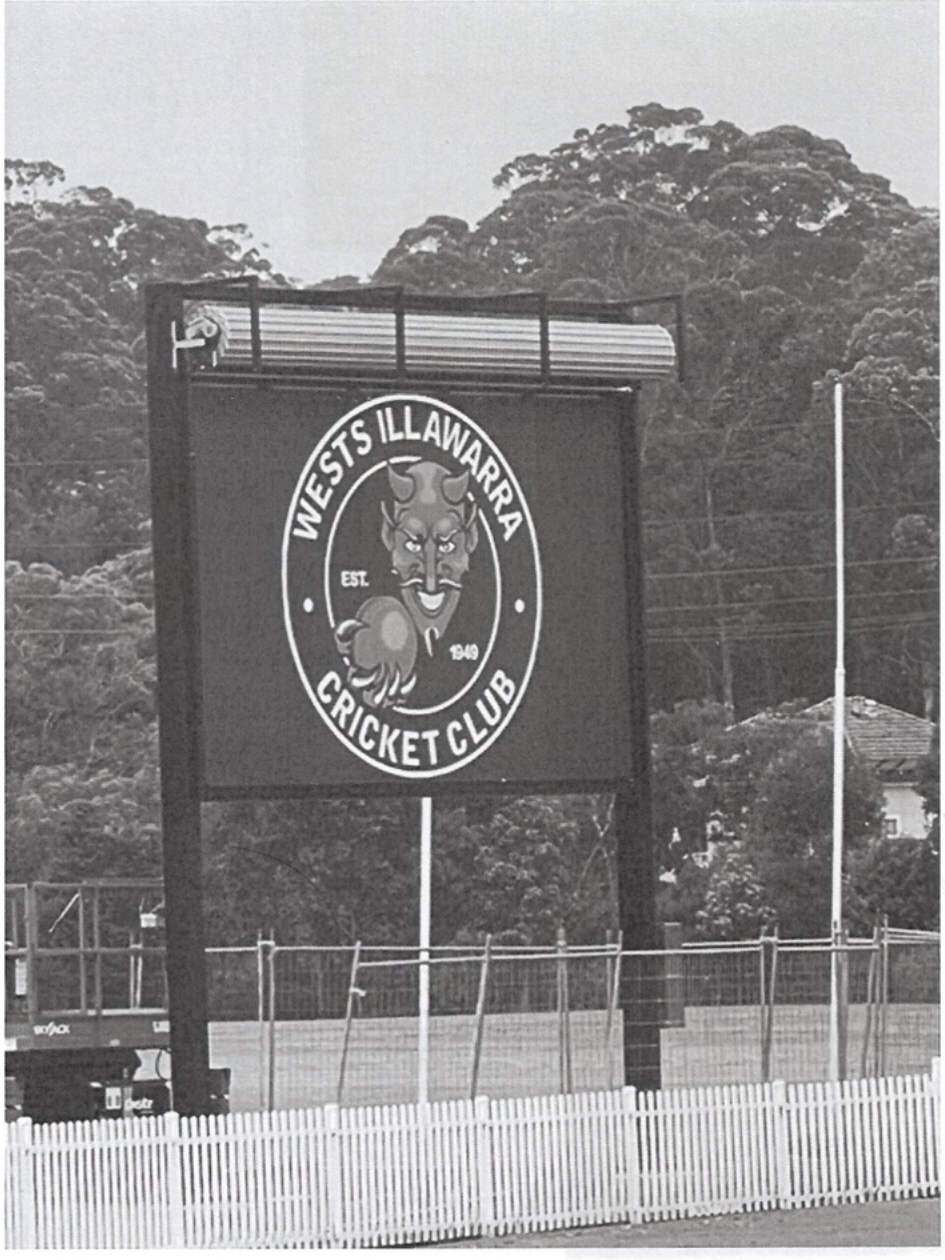

Committee

I'd like to thank the committee for their work off the field to keep the club running while I was working away and on holidays.

A special thanks to Kerryn Morrison for her work on ordering the club uniforms and managing distributing to all the members, your efforts are much appreciated.

Let's hope we continue to improve and look forward to next season.

Treasurer

Season 23/24 saw a change of Treasurer at the Cricket Club for the first time in many years, with long standing Treasurer and Life Member of the Club Neale Benson, not seeking re-election. It would be remiss of me not to acknowledge the significant effort and legacy Neale has created at this Club, especially with his Treasurer duties. On behalf of the Club, thank you Neale.

The Cricket Club recorded an operating loss of $7,706.08 for the period ending 30 June 2024. The main reason for this loss was our contribution to the new scoreboard at Figtree Oval, which I am sure members will agree, is a great long-term asset for the Club.

There was a Grant from the NSW Government (Department of Enterprise, Investment and Trade) that funded the majority of the construction and development, with Figtree AFL and Wests Illawarra Cricket Club jointly funding the difference. This contribution from the Cricket Club of just over $16,000 will be something that the Club can utilise during games days at Figtree Oval, as well as the future social events with the display of movies or Big Bash games.

The Club was also successful with some other Grants from Cricket NSW, which assisted in our development of the games for juniors and female participation.

We were also lucky to have the continued sponsorship from Wests Illawarra Leagues Club. The Club has been a long-time partner and sponsor of our Club, and without their generous support, the Club would need to increase their fees for members or complete a lot more fundraising events throughout the year. Please continue to support the Club that supports us.

The Club continued to receive support from a couple of long-term sponsors, whilst also generating new sponsors throughout the year. A list of these sponsors are as follows:

- Napbuild – Ex player Nick Knapp
- New England Constructions
- Maguire & McInerney solicitors – Ex player Brendan Pearce
- Figtree Travel – Current player Brad Pearce
- Woolworths Figtree
- Enhance Petroleum
- Illawarra Premium Food & Beverages
- Wild One Distribution
- Polava
- Wendys Figtree
- Gringeri Constructions

Thank you to these sponsors for your support.

The expenses were higher this year in part due to the Club's appointment of a Club Coach to support the current Captain Coach of 1st Grade. The Club Coach worked closely with our younger players, and we trust this investment in the Club will see some medium to long-term improvements to both individual performances and the Club results.

The other significant expenses continue to be the traditional areas of practice & development (eg costs of cricket balls), council ground fees, umpire's fees, club presentations and clothing & uniforms.

The Club will need to continue to generate new sponsors each year, or consider alternative fundraising events, to keep membership fees from increasing. If there are any players with links to local business that could consider small sponsorship amounts, we encourage you to source this for the Club.

The budget for season 2024/25 has been prepared covering all traditional club operations, and this has been submitted to Wests Illawarra Leagues Club for their continued support and consideration. Subject to this continued support, the Cricket Club will remain in a strong position to continue to develop and foster cricket in our local region.

Jason Kriss - Treasurer

Junior Chair

2023/24 was a successful season for the club with 5 teams competing in semi-finals, with our mighty 13B side taking out the premiership. Congratulations to Michael Knight and his side. More importantly it was season of growth for the club. We saw 90% of last seasons player return to competition cricket and we had substantial growth in our female numbers, which saw us field a 2nd side in the Girls League. We also saw growth in our grass roots program – Cricket blast with over 35 participants taking part, plus another 10 girls who participated in a girls only Cricket Blast.

The club continues to develop and produce excellent cricketers, with 14 boys and girls playing representative cricket. It is also exciting to see several promising juniors performing well in our senior grade side as well.

As always, without the efforts behind the scenes we would not be in the strong position we are today and I would like to acknowledge and thank the following.

- Our Major sponsor – Wests Illawarra Leagues Club for their ongoing support.
- Our Club President Mark Waldock and the Senior Committee for their support of Junior Cricket.
- Our Coaches, Managers, Scorers &
- Paul Brockley & Kerryn Morrison – Clothing
- Natalie Nicastri - Child Safety Officer
- Michael Piela - Saturday Morning Blaster coordinator and social media
- Paul Brockley - Girls only Blast, School Holiday and Saturday morning Blaster Coordinator
- Neale Benson - equipment, grounds maintenance, presentation and U17 Coach
- Jenna Purcell and Sophie Gould for the efforts and involvement in our Cricket Blast and Girls Cricket Programs.

Paul King
Junior Chair

Club Coach

Firstly, I would like to thank WICC for offering me the chance to put something back into the club I grew up playing with. Secondly, thanks for the support I received from Bart, Udara, Paul B, Chris W, Mark W and other senior members of the club with coaching and encouragement of the younger players.

The Illawarra cricket competition ran from early October 2023 to March 2024. The competition started with the T20 competition (WICC 3 teams) and 50 over competition with four teams competing from Wests.

Although not having the best season on the tables we had 54 players registered full time and part time and managed to be in the competition for semifinal positions in first and second grade to the last round.

We only needed to go outside these registered players twice during the season and call on players from our junior ranks. However, we still had our third and fourth grade teams disrupted in team selection every week. It made the work that Shane Raynor and Steve Ryan did as Captains mammoth and the club should give these two men a huge thank you. Paul Brockley and Udara Jayasundara did a great job of using and assisting the younger future players of the club and pushing them to greater heights.

The highlights of the season from my position start with the attendance at training on both Tuesdays and Thursdays. Attendance is always difficult in the ultra-time imbalance with work, family and sport. It must be mentioned that the best attendees were two junior players Josh Minovski 31 from possible 34 sessions, Tom McKinley 29, and then veterans Marty Barrett and Paul Brockley on 23.

The best highlight for the season was seeing the youth come through and performed well with the support of the older players in the club.

The season of high performances from Bailey Abela have been recognized in his selection in Underage teams and squads, senior teams and at awards nights from Wests to association to country NSW cricket. He had a season where his performances and achievements were just rewards for all the hard work and time he sacrificed. Congratulations and we all at the club wish you the best in Sydney.

Udara and Nic Nicastri were also rewarded for their great seasons and congratulations on their awards.

The youth performed well with ball Lachie Welsh, Summit Tanwar, Harry Eagerton Trey Thompson, Thomas King, Tyler Davidson, Thomas McKinley and Noah King. With bat Nic and Bailey lead the way, but the future is bright with Archie O'Hara, Josh, Oliver Wright coming through.

The club suggested there was a need to bring younger players through and we started the process, however, without the talented older players and veterans this process would/will be difficult, we have made a good start. We need these players to continue to assist the club in its growth.

We also need and want the father son participants, and the players who wish to play with their friends, all are important to the growth of the club.

Stephen Jenkin
Club Coach

First Grade

We started the season with a very new look side from the previous season, having lost seven (7) players who started the 2022/23 season in the 1st grade team.

This opportunity allowed us to bring several young and talented players into the 1st grade side and give them an opportunity to perform in the highest grade. I want to highlight a few people who had exceptional seasons and were a big reason why we had some success through the year:

- Bailey Abela, an amazing left-handed opening batsman who starred with 510 runs @ 72.86 (including 2 x 100's) We wish him the best of the luck in the future with him going to Sydney Premier Cricket next season.
- Nicolas Nicastri, our wicketkeeper who improved a lot from the previous season, 359 runs @ 29.92.
- Kyle Brockley, a senior member of the team who brought plenty of cricket experience to the group and performed accordingly when we needed, 25 wickets @ 15.52.

Despite these efforts, unfortunately it did not always convert to wins for the team overall. The wins we did have were very enjoyable (especially the two x 2-point bonus wins vs Port and Corrimal) and we enjoyed each other's company post-game. We were unlucky to have 4 x washout rounds against opponents that we had a good chance of defeating.

Overall, 6 wins and 8 losses to finish in 7th position was disappointing; however, there was lots of positives to build on for next season and I'm hoping we can keep all of the squad together and continue to strive to play finals cricket in the 24/25 season.

Thanks to Stephen Jenkin for his guidance through the week at training and on game day. Thank you to Rob Cauduro for organising the scorebook and administrative tasks behind the scenes that people don't see.

Thanks so much to all the 15 players who represented 1st grade in the 2023/24 season! It was a pleasure to be the captain of the team – your respect towards me was much appreciated and I hope to see the team improve next season

Thanks
Udara Jayasundara
1st Grade Captain & Club Assistant Coach

Second Grade

This season saw 2nd grade finish 5th in the competition. While not making the finals this could have been a different story as there were several games that we should have won. We used 25 players which is tough to create consistency for a team, so finishing fifth and with another year of new young junior players involved, next year looks bright.

This is also the second year in a row that 2nd grade has been the highest finishing grade team for the club. This can only be done by a club/team first mentality approach and put individuals' self-interest aside for the betterment of all and club.

I would like to thank Stephen Jenkin (Coach) and those senior players in 2nd grade for their support of the philosophy and vision for 2nd Grade. With the guidance of Stephen and the mixture of experience senior players to assist, guide and educate our younger players, we saw some of these players achieve some notably performances with the ball.

- Trey Thompson 5 – 10 vs Dapto (T20) & 5 – 22 vs Corrimal
- Tyler Davidson 5 – 8 vs Dapto
- Paul Brockley 6 – 15 vs Helensburgh

Unfortunately, with our batting we didn't have anyone score a hundred, this also show that all our batters need to work harder at their game as we only had 3 players score over 200 runs for the year.

Congratulations to Phil Warren for scoring over 300 runs and being our leading batter when he played. Also, Tyler Davidson for being our leading wicket taker with over 20 wickets.

Again, I like to pay a big thanks to Marty Barrett for everything he did off the field, being the driving force to do the covers week in and week out with the assistance of others during the year but also for his role as (vc) and doing a great job when I wasn't available.

To Mark (President) and Jason (Treasurer) especially, thank you for what you do to make the club to function, as well as the rest of the committee. To all the lads who played 2nd grade, thank you for keeping this club going forward. I hope you enjoyed the year that it was and look forward to seeing you all again in 24-25.

0

Third Grade

Firstly, I would like to thank all the players that played third grade this year,
especially the 6 junior players from the u15 & u17's that played full time seniors this year
that back up after playing juniors in the morning.

We didn't go that well in the first few weeks of the year playing in the T20 competition
not managing to secure a win out of the 4 games we played.
The effort was there just I don't think the team suited this format.

In the 1-day competition we had a few wins before Christmas and pushed the top teams all the way
and only just falling short a number of times against these strong teams.
Towards the end of the season, we only had a couple of wins but again we were in every match.

A couple of highlights was seeing Jarrod Eyb scoring 397 runs for the year and topping the batting averages in third grade
and Wests future fast bowing stocks in the club are looking bright with
Harrison Rayner with 23 wickets Tom Mckinnley 15 wickets our leading wicket takers in third grade.
I can't wait to see these guys playing higher grades in future seasons.

I would like to all the guys that I played with this year
for all the help when needed and for making captaining this team such a great experience.
I would do it again in a heartbeat.

Thanks
Shane Rayner
3rd Grade Captain

Fourth Grade

Unfortunately, despite having enough players for four T20 teams, we didn't have enough registered at the time teams needed to be nominated and then there were already 16 teams with four pools of four so Cricket Illawarra couldn't find a spot for us.

So, we waited for the season proper to commence and commence we did with the best start in all my years at Wests with us being undefeated after four rounds. We then went through a four-week period where weather played its part and we lost each game in close manner including one where lightning hit with five overs to go with us only needing twenty runs to win resulting in us losing by three runs on DLS.

After another couple of losses, we finished the season off with another couple of wins at the end of the season including a comprehensive 10 wicket victory with an unbeaten opening stand of 160 with Lucas Madaschi bringing up his first ever seniors century, once again keeping our ability of winning the first and last games of the season continuing.
Congratulations to our leading run scorer and wicket taker
- Lucas Madaschi 471 runs
- Warren Weaver 22 wickets

Under 17A RED

(Stage 3 Level 4)

At the start of the year as a team we set ourselves the goal of finishing in the top 4 & playing in the semi-finals. After the home & away season we achieved our goal. The team finished 4th & played in the semi-final against the minor premiers & eventual premiers N.D Blue.

On this note our club should be congratulated on the decision that was made at the start of the year regarding the make-up of our two U17 teams. The easy decision, as other clubs do, would be to chase a title & create an "A" & "B" team. If we were to do this, one team would've had an excellent year, while the other would be battling each week & these boys may look for something else to do next summer. As it stood both of our teams finished in the top 4 & gave a good account of themselves in their respective semi-finals but more importantly, we had 27 boys playing cricket, in competitive teams who enjoyed themselves.

Even though it was great that the team achieved their goal of playing finals, my goal as coach, especially at U17 level is to help the boys develop & get the most out of their cricket. Whether it's just to have fun with their mates or if they have a desire to play grade. This year we had Tom, Harry & Josh M playing grade each week, but it was pleasing to see Callum, Euan, Alex, Prashane & Sean get opportunities to play some grade as well.

My other goal was to give the captains more responsibility in the way the team plays. Our captains Tom & Callum did an excellent job, they worked well together & most importantly the rest of the team respected their decisions.

As mentioned, the team finished 4th on the table but come the end of the season, we learnt the lesson that every game is important. In Round 1 we played Dapto. Bowling 1st, we didn't bowl or field at our best & Dapto scored 5-154. At the change of innings, we spoke about to chase the total we need to use the 30 overs. The boys batted well, in particular Callum (57rno), Josh M (34no) & Sean (22rno) & after our 30 overs we won the game 9-156. Fast forward to March, we finished 4th with 6wins, Dapto were 5th with 5 wins.

Having 14 players in the squad made it tricky at times to make sure everyone is involved & able to perform at the best of their ability. With the batting, Tom, Callum & Josh M all had outstanding years. Sean put his hand up to open the batting & did a good job for the team. Alex showed ability with the bat & played an excellent & important innings in the semi-final. After missing 6 weeks with an injury Prashane showed how much he was missed & how important he will be to the team next season when he came back & played some impressive innings.

In general, the team bowled well throughout the year. Again having 14 players to bowl 30 overs made things difficult & we made the decision that not everyone will bowl every week. With the ball Luke was again excellent & ultra-consistent. Alex also bowled really well all season & could be depended on to bowl tight overs. Noah showed promise & took some important wickets, particularly early in the innings when he could swing the new ball & Tom often took the responsibility of bowling the death overs when the opposition was looking to score. Harry bowled well all season without getting the wickets he deserved.

In the field sometimes concentration cost us & we missed moments in games, but the team were always committed in the field & always backed each other. In the field Josh E was a standout but everyone had their moment where they contributed to the team. Special mention to Sean who also put his hand to wicket keep & continued to improve as the year went along.

I would like to thank & congratulate all of the boys in the team. Their attitude & commitment made it easy to run training & enjoy the Saturday's.

I would also like to thank the parents for their help & support at both training & the games.

Marc Phillips
U17A Red Coach

Under 17A Blue

(Stage 3 Level 4)

In 2023-24, the Club assembled 2 teams with players progressing from the previous year U15 A & B. Being a single Under 17A competition (7 teams Illawarra area only), the grading and splitting of players proved challenging to get the right team balance for the benefit of all. Team construction occurred primarily on age range & mateships, with the team strengths comparable. The Blue team contained the returning top age players, while the Red team the younger former U15A players, with the younger previous U15B & newcomers spread equally across both teams.

The Blue team consisted of 13 good-natured players all with ranging skill sets. The underlying season team goal was to potentially qualify for the final series, as many had not done so before. Ultimately the Blues finished 3rd on the ladder over 17 rounds (7 wins, 6 losses, 2 byes, 2 washouts), just ahead of the Reds 4th (6 wins, 7 losses, 2 byes, 2 washouts). A good Club result in its development policies.

Given the team player skill sets and the competition playing conditions, the season aim was maximising opportunities for all, while also advancing the overall team performance. All players were given roles on a day to ensure all were involved and develop an understanding of team dynamics & operations. All players accepted the process resulting in good team harmony, supporting each other no matter what and the enjoyment it created.

Pleasingly, all players did impress at various stages over the season. Many did improve their skill level and belief, with many surpassing their previous personal bests in all areas.

To the season proper, after a wake-up call round 2 (Keira), a more committed performance win round 3 (ND White), a washout round 4 (Dapto), the team started to gel and improve understanding their roles, having a strong win round 5 (Wests Red). Then came two reality check games – round 6 (ND Blue) & round 7 (Wollongong). The second half of the season results became consistent. Round 9 (Keira) close loss, strong wins in round 10 (ND White), round 11 (Dapto), round 12 (Wests Red), then a narrow loss round 13 (ND Blue), plus a pressure game win round 14 (Wollongong). In the makeup rounds, round 15 (Dapto) a big win, round 16 (Keira) a likely semi-final test game unfortunately washed out, before the final round 17 grudge match (Wests Red) with a tough close loss.

Overall during the season, the team batting approach was fairly strong & committed when believing and working in partnerships. Fielding for the most part was solid with great catches taken & team runouts consistently performed. Unfortunately, the team 'Achilles' was the bowling discipline at times (conceding on average the most extras (14 wides & no-balls) per game of all teams).

The semi-final (Keira) game result ended as 'what could have been'. Asked to bat first the team accumulated a competitive total although dismissed 4 overs short against a well-disciplined attack. Early great team fielding pressure had most of the name batters out cheaply (5-51) with Keira very subdued & quiet. Unfortunately, the team 'Achilles' arose with multiple extras wides plus no-balls (being boundaries) & the subsequent free hits (also boundaries) against their top batter, turning the tide which ended up proving to be the difference.

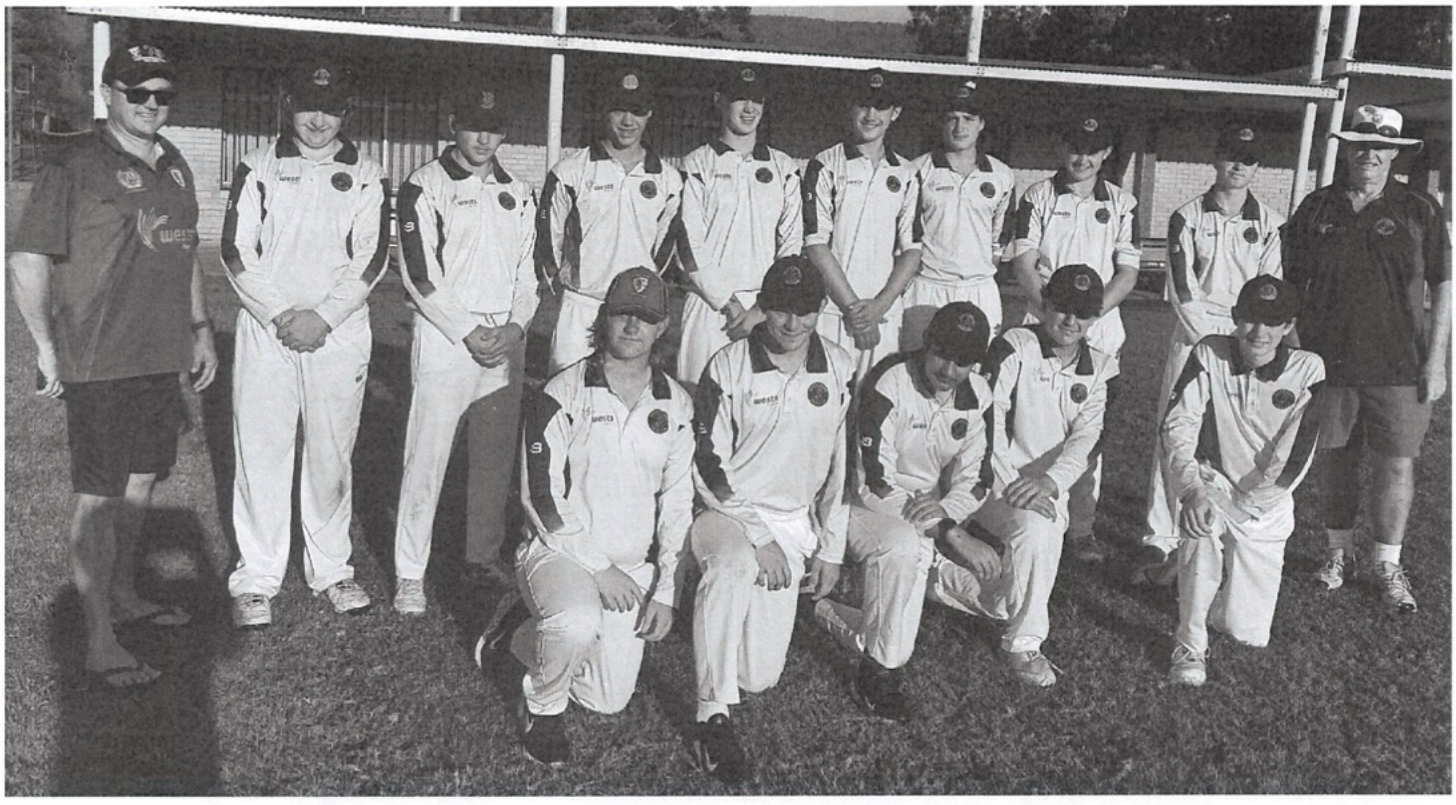

Many thanks for their support and assistance;

- Team Manager – Matt Davidson providing coaching & umpiring support, while acting as a sounding board.
- Our dedicated scorer – Scott Frazier (Live Scoring), with assistance by Mr's Mikleus & Armitage.

Finally, to the team, I trust you had fun, did enjoy the season, and learned something along the way. It was a roller coaster through some periods. Most importantly the respect and encouragement you all displayed towards the team environment is the key ingredient to being successful. Remember, pay attention to the basics, believe in yourself and the performances and results will happen!

Well done and congratulations. I hope all players will continue and advance their game again next season.

Neale Benson

Under 15 A

(Stage 3 Level 2)

The Under 15A team had a bit of a roller coaster season. It is always challenging when two teams combine together for the first time, even more so when they are from previous U15A and 13B competitions.

It was a slow start to the season, winning one match out of the first five games. We had a bye and a wash out and then won ten games in a row. What an amazing effort by all the boys. The team finished the regular season a close second and narrowly lost in the semis to the eventual winning team.

There were some of the outstanding performances throughout the season, Oliver Wright and Archie Ohara with the bat were regularly top scoring most weeks, with regular strong support from Tom McKinley, Jed Burton, Josh Okeefe, Cameron Kelly and Kyan Lamb.

With the bowling, Tom Mckinley, Josh Okeefe, Cameron Kelly, and Jed Burton bowling was strong all season. There was great support from Kieran Phillips, Arnanaf Rahman, Will Mc Leod and Lachlan Bateman.

The improvement and enthusiasm from Robert Burke, Eli Smith, Will Turner, Arnanaf Rahman and Lachlan Bateman was great to see, and their individual performances improved throughout the season in all forms bat, bowl and fielding was one of the key factors for the team's success later in the season.

A special thanks to Chris and especially Trav, for their coaching expertise throughout the season. It was a joy to see all the boys improve in all aspects of the game, especially the boys stepping up from the U13s comp. Thank you again.

Peter and I would like to thank all the parents for their assistance and support throughout the season. It was great to see the boys come together and bond as a team more and more throughout the season. There was a great spirit within the team and the boys always played in an enjoyable spirit with plenty of laughing and fun, especially when the boys got a wicket.

We really hope all the boys had an enjoyable season and come back next year to play for the devils.

Under 13 Girls Red

(Stage 1 Level 1)

Wests Red She-Devils

The 2023-24 season was one where the Wests girls' program showed it is the best in the Illawarra with the establishment of two teams in the junior development competition.

All the hard work done in the pre-season to spread the word about the growing competition paid off when we ended up having enough players for 1.5 teams.

We made the decision to push ahead with two sides and it didn't take long for us to eventually have more than enough to fill two sides.

Hopefully other clubs are taking notice.

The icing on the cake was the appointment of Sophie Gould as the assistant coach as part of the Cricket NSW grant that the club applied for. Her efforts were much appreciated by me as the coach of the Reds and Mark O'Keeffe with the Blues both at training and on game days.

And most importantly the girls loved having a female role model to look up to. I can see a few of our girls down the track giving back to the game in the same way by helping the next crop of young girls coming through playing cricket.

As for the Reds team, it was a season of improvement across the board. We ended up winning 7 of our 14 games.

All nine players who took part have improved out of sight.

We had two sets of sisters - Andie and Bridie, and Polly and Betsy - play for the team who are all becoming very good all-rounders.

Ava was our power hitter, smashing four boundaries in a row off one of the Illawarra representative bowlers in one innings, Joely was our most dominant player all round with the bat and bowled well, while Hannah and Annabel each improved out of sight as the season progressed.

Emily is developing into an effective fast bowler and could be a representative player if she sticks with cricket in the future.

All in all, it was a fantastic season and both our teams showed that the pathways are now in place for further growth in girls cricket.

It is essential that next season we have a Stage 2 competition for girls in the Illawarra and South Coast as many of the players have outgrown the Stage 1 rules and want to get stuck into a more advanced form of the game.

A big thanks to all the parents for helping out at training on game day, particularly Michael Martin for his willingness to help out as scorer, and to Paul King and Paul Brockley for their support with the girls squad.

Hope to see you all back on the cricket field next year. Go She-Devils.

Under 13 A

(Stage 2 Level 1)

At the start of the year, we made the decision to select an A and B team, which ended up proving very difficult to do. Some players were disappointed, and some were happy, but we trained together so there was no divide amongst the group, no 'us and them', so we could all help each other to improve our game, which I think worked well.
Michael Knight started coaching 13B and between us we ran training. The boys really responded well. Thank you Michael, you did a great job!

13A had a slow start to the year, losing our first 3 games of the season. However, the side stuck together and worked hard at training, having an additional hit on a Wednesday afternoon for those who could make it. The wins started to flow after round 4. We won 9 of the last 13 games and at one point, we were sitting 3rd on the table. I am so proud of these boys' achievements!

Sam Gruber came into the side at Round 6 and instantly made a great impression. His keeping and bowling were on the mark but his batting in round 6 surprised everyone when he hit the first ball he faced in 13A for a 6! He proved that silly selector, me, should have picked him for 13A from the start! Sam batted 9 times, scored 140 runs, averaged 23.33 and really made a great difference to the team. He started batting at 6 in the side, but after working hard in the nets, and improving throughout the year, I convinced him to bat 3, and he never looked back! You had a great season, Sam. Well done! I can't wait to see what lays ahead of you.

We lost Te McCreedy from the side, with his family moving to New Zealand. He was a bundle of energy, and everyone loved him. We all miss him very much and hope one day he will be back in Wollongong playing for the Devils!

Arlie scored 183 runs and averaged 20.33. He chipped in with some important wickets throughout the season. Great job!
Tinuka proved he is an all-rounder in the making, scoring 177 runs for the season and grabbing 10 wickers. Well done, mate! Theres much more to come in the years ahead of you.

Ryan, Thomas and Senuka scored over 100 runs for the season. Well done, boys!

In the bowling, young Thisen proved he is a bowler much more mature than his years. Some of his spells through the year were inspiring to the team. He played up a year and we are so glad he was with us!12 wickets with an average of 12.83! Great job! Keep on going, mate. We hope you stay with the Devils for a long time!

Jack Baldessari got 9 wickets and Senuka 8. Throughout the year I think we worked well as a team. When we needed someone to step up, there was always a player who did. Thomas, Ryan, Te, Jack Hammonds and Ben all contributed in games when the side needed them. The boys know they all have more to give with runs and wickets, but they are all team players first and foremost. They all supported each other to do well. That's a team, boys!

We managed to grab 4th spot on the ladder. We had to travel to Helensburgh to play a red-hot side. We beat them during the season, so the boys had quiet confidence they could do it again. The Helensburgh team were at full strength on the day, which proved a little hard for us to knock over again. Helensburgh got to 7-131 after 27 overs. Thisen bowled a great 5 overs, 2-9. Senuka and Jack B picking up 1 wicket each, plus 3 run outs. The boys gave it their all in the field. In the batting, we were going along steadily but the 131 was just too much for the boys to chase down.

We were all out for 91 runs in the 23rd over. Jack Hammer got 16 runs, Senuka 18 runs and Thomas and Arlie steadied the innings after we lost a few early wickets. In the end we fell short.

The way the boys carried themselves on the day was a credit to all involved. They showed respect to the other side, shaking the hands of their opponents and wishing them well in the grand final. They were very mature in defeat. I'm so proud to be involved in their cricket journey. They are a bunch of great young men in the making. I hope to continue working with them to achieve their goals in the future.

A big congratulations to Michael's side who won the grand final! Great job, boys! 13B was the only side to make the grand finals from Wests Illawarra.

2

Under 13 B

(Stage 1 Level 1)

A mix of novice and more experienced cricketers came together to form this year's under 13B team. Given the varying levels of individual skill, experience and confidence it took some time for the players to understand their role within the team.

A decision was made before the first game to appoint Harvey Martin captain for the entire season. Harvey's captaincy throughout the season vindicated this decision as he led with insight, fairness and maturity. Thank you Harvey for embracing the opportunity and leading the team with distinction.

It was non-negotiable that the team would play each and every game in the 'right spirit'. This included embracing some of the more quaint traditions of the game (such as announcing and then clapping the opposing captain before they faced their first ball) and, importantly, not engaging in any sledging or other behavior not in keeping with the spirit of the game. Throughout the season the team consistently showed respect for the umpires, opposition, each other and the game itself. Each and every player should be rightly proud of the manner in which they played the game.

The team consistently demonstrated a degree of commitment and professionalism far exceeding that of their rivals. The entire team could be counted on to be at the ground warming-up long before the team they were playing had arrived. After each match the team embraced the opportunity to honestly discuss the game with a view to learning and improving their performance.

The team's strength lay in its ability to consistently 'bowl out' the opposition. This translated into a confidence that any total could be defended. Throughout the season a number of relatively modest first innings totals were successfully defended.

As the team grew in confidence, experience and skill during the season they steadily banked a number of wins. They finished the regular season second on the ladder with a record of 10 wins and 4 losses.

The team played Wollongong at Sid Parish Park in the semifinal. Having won the toss Harvey elected to bat and a respectable total (having regard to the slowness of the outfield) of 4/83 was achieved. While a number of players batted with resolve and maturity to be retired not out, the total was largely achieved thanks to a 22 not out (from 25 balls) by Flynn Bottele. The team then bowled Wollongong out for 21 in the twelfth over.

The final was played at Thomas Dalton Park against a supremely confident and undefeated Keira Red team. Keira won the toss and elected bat. Keira were restricted to 56 runs after being bowled out in the sixteenth over. While the wickets were shared, Will Staples 3 wickets for 1 run (including being on a hattrick) was a highlight. Chasing a target (even a relatively small target) is never easy in a final. After loosing an early wicket the result, however, was never really in doubt as Mitchell Clarke smashed 23 runs off 13 balls as he partnered with Thomas Klein who retired not out. It was fitting that the winning runs were hit by the team's captain Harvey in the eleventh over.

Each player made significant and valuable contributions at various times throughout the season. These contributions might not always have been reflected on the 'score sheet' (such as not giving away their wicket while batting) but they were always valued and respected by the team. While cricket is first and foremost a team game, the following individual awards were well-deserved:

Coaches Award : for improvement, application and effort to Eli Rigter who dramatically improved his batting technique and retired not out on a number of occasions.

Coaches Award : the all-rounder award to Flynn Bottele who was the third leading run scorer scoring 124 runs at 17.71 and second leading wicket taker taking 13 wickets at 6.92.

Bowling award : to Carter Cleghorn who took 14 wickets at 6.93. Carter was consistently the team's best bowler and his pace was unmatched by any other under 13B bowler in the competition. His wicket tally could have been significantly higher had he had even a small amount of luck.

Batting award : to Xavier Knight who scored 178 runs at 22.25. He always looked assured while batting having worked hard to develop a solid technique.

Thank you to all the parents for their patient support throughout the season, particularly David Klein who more often than not undertook the thankless task of scoring. A special thank you also to Mark Whitmee and the entire 13A team with whom the team trained. Having the opportunity to train with and against more experienced and skilled cricketers (as well as having the benefit of Mark's considerable cricket coaching experience) greatly assisted the team's development.

Thank you also to the many club members who attended the final to support the team (particularly the many 13As who attended). To play the final supported by family, friends and club mates was a uniquely special experience for the team.

Finally, the boys should be rightly proud of their success in winning the under 13B premiership. They should, however, be even more proud of their teamwork, support for each other, comradery and the spirit in which they played the game.

Under 11 A Blue

(Stage 1 Level 1)

What a season it's been! As we wrap up another season, I wanted to take a moment to reflect on all the amazing things we've accomplished and the fun we've had along the way.

First off, let's talk about the cricket. All of the players have really shown some serious skills out there on the field. A few massive sixes, some classic catches and those lightning-fast run-outs, I've been blown away by not only the talent and determination the team of shown, but by how far they've all come in understanding the fine points of the game.

We may not have made the finals, but it's not just about the wins and losses. It's about the progress we've made as a team and as individuals. I've seen each and every one our team members grow and improve so much throughout the season, both on and off the field. Whether it's mastering a new batting technique or learning how to support your teammates when the going gets tough, you've all stepped up in your own unique ways:

Lenny 'Everywhere' Ferns, reminds me of Eddie Maguire – he just pops up everywhere and you can't take him out of the game! He bats, he bowls, he keeps and he fields, he was everywhere! Opening the batting can be a daunting task for young players, but not for Lenny. When the coach asked, 'Who wants to open', I knew Lenny's hand was in the air and then he'd get to work convincing someone to get amongst it with him. On the hottest of hot Saturday mornings when the coach would ask 'Who wants to keep?', Lenny would volunteer to put on the sweaty helmet and gloves. Lenny's love of batting could be noted with his very consistent performances, and he led the way in protecting his 'castle' which will serve him well in the years to come.

Christian 'Walking in with the Bowler' Walton is the ultimate team player. Christian epitomises the spirit of cricket with his sportsmanship, attitude and he is always the first into the wicket huddle. Christian finished off the season with a bang, top scoring in a thriller and taking a crucial wicket that helped the Wests Blues clinch a 1 run last ball win. It should also be noted there was not one training session, or one game where Christian did not offer to carry something, set something up or most importantly offer to get his coach a drink.

Oscar 'stay at the stumps' Baguley played in his first ever season of cricket and nearly took the spoils as the leading wicket taker! When bowling, Oscar's excitement for the game was on full display as he'd take off to field every ball until I told him Warney would never do that. Something I said must have clicked because Oscar started bowling some big ripping leggies (though he still fielded his own bowling). Oscar's batting improved so much that by the end of our regular season he topped scored for his school cricket team. Looking forward to those kind of performances for Wests in U13s Oscar!

Angad 'muscles' Singh would walk out to the centre with the heaviest bat in the team, but that didn't faze him! Angad enjoyed throwing that big bat at the ball and he possesses the cover drive that I can only describe as reminiscent of the great West Indies players of a Richie Richardson or a Desmond Haynes (not that these kids would know who I'm talking about!). Angad's bowling was so consistent that he'd consistently miss the op of middle & off stump and he would have to go down as one of our unluckiest bowlers – which proves that statistics in junior cricket don't always indicate how well the kids are playing.

Brock 'Marnus' Smith showed immense growth with the ball this season, dual leading wicket taker and very economical. In one game Brock had the outstanding figures of 1/3 from 3 overs, with 2 maidens - two maidens in under 11s is quite an understated achievement! Brock performed consistently with bat and by the end of the season he was developing a sound defensive technique that will benefit his 'out is out' cricket game. Brock is like Marnus Labuschagne in the field, a leader who always brings 110% effort and energy taking some exceptional catches, sliding boundary saves and diving runouts. Like Marnus, Brock is so keen on his cricket that

he'll have the grass stains on his knees before the match has started and you can hear him appealing from the Northern districts!

Finn 'Spiderman' Kelly's bowling would remind me of the great Glenn McGrath. Finn would give nothing away with his bowling and would be dirty at himself after being hit for four. Finn bowls with such an impressive accuracy level for a young player, conceding the fewest wides and no balls in the team and finishing joint leading wicket taker. Finn could make fielding look effortless with some exciting one handed pickups and runouts and taking catches that would just stick like he had Spiderman hands. Finn's batting improved throughout the season and he'll enjoy a little more freedom to build an innings in Under 13s.

Last but not least, 'The Girls'. **Harper Smith & Amari Ferns.**

If anybody says that the girls can't mix it with the boys, I'll give them Harper and Amari. The girls would often pair up to close out our batting innings and they would put on many game changing partnerships.

There were several games where Harper and Amari's exciting batting partnerships had the opposition players in a panic and they even had the opposition parents applauding and cheering for our team!

Adam Smith

Under 11A Red

(Stage 1 Level 1)

The season saw growth in all the players, which is my job as coach. It's also my job to make sure they all have fun. I could not have done this without the help of Steve Hancox who was there at every training session with me throughout the season.
We played 15 x games for the season, to finish in 7th place.

- 5 x wins
- 9 x loses
- 2 x washouts

We missed out on making the semi-finals by 2 x wins and through the year we lost 2 x games by less than 8 runs.

Growth – My role as a coach is to help develop both the skills of all the players and to help them understand all the components of the game, not just batting, bowling and fielding. It's so important for each player to understand the importance of playing as a team, good sportsmanship and being there for your mate. It took some time but towards the end of the season I could see all the boys encouraging each other during the games. This lifted morale and ultimately lifted our performance.
Fun – it's so important to help each player have fun, we can get so focused on improving skills, or winning games that we forget the most important component is for them to have fun. I learned that playing games at training that had them all having fun whilst improving their skills was ultimately the best thing we could do.
Overall, the season was quite hard for most of the boys, but they all showed huge improvements and to the most part we were competitive with most of the teams in the competition.

With most of our boys moving up to the under 13's next season both Steve and my focus for the second half of the season was try and prepare the boys for next season. In the batting side of things, this obviously would mean putting a value on your wicket, no silly shots or silly running between the wickets. In the bowling side of things, we really focusing on getting more balls on the stumps rather than bowling express pace. And with fielding, encouraging each other and making sure you are always ready for the ball.

Congratulations to Harrison Bell, Jack Pearce, Samuel Causa, Miles Augustyn, Maan Barua and Rohan Barton on a great year. You should all be very proud of how far you have come, and I look forward to seeing all the boys back next season so I can see how they all progress with their cricketing careers.

Under 10 Red

(Stage 1 Level 0)

This year the Under 10 Reds started out as a newly formed team with 8 kids who were all playing their first season of 'real cricket'. 7 of the boys graduated from the Wests Illawarra Master Blasters program and 1 was playing organised cricket for the first time!

Being a first-time coach with a team of kids playing their first season of cricket, my main priority was making sure the boys were comfortable and enjoyed their cricket.

Round one was an away trip to Helensburgh, the boys made a great start to their cricketing career's securing a 34-run win on the road providing a great springboard for the season. Jack Tyler and Thomas McInnes picked up their first wickets and Jack scored a season high 28 runs off 15 balls including a cracking 6.

Jack's batting, and particularly his running between wickets was a regular highlight throughout the season, top scoring for the team with 215 runs at more than 15 runs per game. While Thomas was our most consistent wicket-taker, picking up wickets in 10 of his 13 games, he also delivered consistently with the bat with the 2nd highest batting average for the season.

Round 2 saw Arlo McClintock, Samuel Tyler and Atu Gauna all picking up their first wickets in a 24-run win over Wollongong in our first home game.

Arlo was our brand-new cricketer and quickly developed a real love of the game which no doubt contributed to significant improvements across the season with both the bat and ball, including a fine knock of 15 in round 12 where Arlo was our top scorer for the match.

Samuel was our most economical bowler, going for under 3 runs per over, he was also another player whose real passion for the game saw him make huge progress over the season, particularly with his wicket-keeping and batting, highlighted by his match-winning knock of 20 in our round 11 clash with Helensburgh.

Atu had a number of strong knocks with the bat, top scoring for us on a number of occasions, and also developed his bowling nicely throughout the season. In the back half of the season Atu started coming in off a longer run-up which saw him bowling with some real heat which will continue to cause batsmen problems in seasons to come.

Round 3 delivered another massive highlight for the season with Charlie Pearson picking up his first wickets and Jack Tyler bowling an incredibly impressive spell of 4-6 from 3 overs including his first double hat-trick!

Charlie was one of our most dependable players with consistently economical bowling, strong fielding, and a lovely batting technique which will see him score plenty of runs in the future.

Round 4 we suffered our first loss, but Jax Dunham picked up his first scalp with the wicket of the season, ripping it back in off the seam in a fine display of spin bowling. Jax regularly stepped up with his spin bowling and consistent batting helping the team to deliver in a number of difficult games.

Round 5 was another loss on the road, but Finn George picked up his first wicket in a game where he also top scored with a handy 12 runs for a fine all round contribution. Finn made huge improvements over the season, particularly with his bowling which became more and more consistent each game.

In round 11 we had a pair of brothers take the field for the first time, with 6-year-old Hamish McInnes making his debut. Hamish contributed nicely with both bat and ball, and is ready and raring to go for next season.

We had another debutant Arlo Craddock in round 12, Arlo played a couple of games for the team and showed great promise, we look forward to seeing more of Arlo's cricket next season.

Congratulations to the award winners from the team. It was great to see Jack Tyler recognised with an outstanding bowling award. He certainly deserved it and could just as easily have picked up awards for his batting, fielding or general contribution to the team.

Samuel Tyler received a coaches award for his brilliant attitude, development and consistently strong performances throughout the season with both bat and ball. Samuel was the youngest member of the team and contributed well beyond his years.

Thomas McInnes was one of our most reliable performers and contributed consistently with both bat and ball. Thomas was nominated by the parents as the 'Parent's Player' and receives a coach's award for this reason.

Last but not least, Arlo McClintock receives a coaches award for his exemplary attitude and commitment. Arlo was brand new to cricket and came to every training session and game with a thirst to learn and improve which helped him become or most improved player this season.

Junior cricket doesn't run itself, and so huge thanks go to the parents who brought the boys along each week and helped, particularly Mark Tyler who took on half the umpiring duties each week and stepped in to coach when I was away during the season. Special thanks also go to Jack McClintock and Kobie George for scoring matches throughout the season, and Maciu Gauna who was always on hand to help the boys out with warming up.

I really enjoyed the season. All the boys were a pleasure to coach and seemed to thoroughly enjoy their cricket. The team got along famously and improved out of sight. The kids were all on the younger side so all still qualify for under 10's next year and I'd love to have them back for another season of fun.

Woolworths Cricket Blast Programs

This season saw an increase in our cricket blast programs participants from 33 last season to 50 boys and girls, this was mainly on the back of the efforts in the early promotion of the programs by Paul Brockley.

Our Saturday morning Cricket Blast programs were run by Michael Piela and Jenna Purcell, with our newly introduced girls only Wednesday afternoon program being run by Jenna Purcell & Sophie Gould.

In addition to our Saturday Morning and Wednesday afternoon Girls only Blast programs the introduction of the school holiday Cricket Blast program was extremely successful, and they were run by Paul and our young club players both from the junior and senior club.

The club would like to Paul, Michael, Jenna, Sophie and the parents and club members for their efforts throughout the season to successfully deliver these grass roots programs that will in turn help to build a solid foundation for the club in the future.

See below an article from the Illawarra Mercury praising the Club for our girls only junior development program.

Wests having a blast while developing girls talent program

CRICKET

Agron Latifi

WESTS Illawarra Cricket Club (WICC) has smashed records on and off the pitch with its inaugural All Girls Only Woolworths Cricket Blast program.

An extraordinary 333 per cent increase in engagement was achieved during the six-week initiative which wrapped up on Wednesday, December 13.

Program co-ordinator Jenna Purcell said the six-week program was designed to foster a nurturing environment where young talents can thrive, focusing on honing skills while revelling in the sheer joy of learning the sport.

She said the initiative, made possible through generous funding from Cricket Australia (CA) and Cricket NSW (CNSW), represented a significant milestone for the club, amplifying opportunities for young female cricketers in the region.

"Notably, the club has experienced a commendable 58 per cent rise in junior girls' registrations, prompting the formation of two dedicated teams," Purcell said.

"To facilitate this growth, WICC has proudly appointed a female coach, along with a Female Blast coordinator, providing essential mentorship and guidance to these aspiring athletes.

"Moreover, WICC has equipped its junior teams with colored pants, kit bags, and top-notch cricket gear, reaffirming its commitment to nurturing a conducive environment for skill development and enjoyment of the game."

Looking ahead, the club was also excited to announce its upcoming Women's Social Smash in February - a five week extravaganza of spirited, small-sided cricket games tailored for a fun and social experience.

This initiative eliminates the need for specialised equipment, encouraging enthusiastic participation.

Additionally in January Wests Illawarra will host a School Holiday Program tailored for children aged five to 10-years-old.
