Cricket Illawarra – juniors	Paul King
HONORARY VICE – PRESIDENTS	Mr. Ron Hales
HONORARY AUDITOR	Mr. Graeme Warren
PUBLIC OFFICER	Robert Cauduro

President

The Season

What a great season for the club, from the establishment of the Wests Illawarra Junior Cricket Academy this season to provide our junior players additional coaching in the off season. This concept then developed into an avenue to provide coaching of our junior players and our junior coaches.

To establish the Academy, we needed to open our junior player registrations early, as result we were able to establish junior teams and coaches well ahead of the season start. A big thank you to Stephen Jenkin in coordinating and running the academy and preparing the 6-week coaching sessions, also our senior players that assisted with coaching at these sessions.

We were able to field an addition 2 junior teams this season. Unfortunately, no premierships in the Juniors this season but our Under 11 Reds and Under 17 Reds made the semi-finals. Another positive from the season, we finished 2nd in the Junior club championship.

A big thankyou to Paul King as he has announced at the end of the season, he will be standing down from the position of Junior Chairman after dedicating 11 seasons to the role. Paul has done a fantastic job over the past 11 seasons, and we are going to have a job to find someone to fill his shoes. Thanks again Paul for your great work for the club.
To rate our senior season, I'd have to say it was a bloody good one from our First-Grade team winning the T20 competition to having our First, Second and Third grade making the semi-finals. Congratulations to Kyle Brockley, Jason Kriss and David Potts in captaining your teams to the finals. Both our fourth-grade teams proving to be competitive with Steve Ryan's 4th Grade Blue team only missing out on making the qualify final by a point and Cameron Lamb's team finishing 11th.

But what an achievement for first grade team beating Keira in the semi-final to take on Wollongong in the final. A fantastic show of grit with our No 10 and 11 young gun fast bowling cartel Harry and Tom to snatch the win from Keira with 4 balls remaining in the innings. Great Job Tom Mc Kinlay and Harry Egerton

The final against Wollongong wasn't the result that we were looking for, some crucial catches dropped early but the boys fought back with the ball to restrict Wollongong to total that was within our batting capabilities of chasing down. Unfortunately, it proved too big a mountain to climb.

A big congratulations to Kyle Brockley on his leadership on the field, Kyles achievements in bringing a team of young guns together and guiding them to the T20 wins and to get the boys to the final was fantastic for the club.

The success of our senior teams during the season secured the club the fourth position in the club championship, this is the best that we have done in several years well done Devils.

The most encouraging achievement for the club this season was reflected in the number of players that have played their junior cricket with the Devils and have continued to play their senior cricket with our great club.

We were represented by young and old Wests juniors in the various grades as follows:

First Grade – 7 Juniors
Second Grade – 9 Juniors
Third Grade – 10 Juniors
Fourth Grade Reds – 7 Juniors
Fourth Grade Blue – 7 Juniors

Not a bad effort to retain so many junior players for the club which is massive compared to other clubs in the association. Just for the record Wollongong had 1 junior player that played in the final.

The success of our club is the work that is put in off the field, I'd like to thank our committee for their contribution throughout the season, a special mention to Jason Kriss for his job looking after the club's finances and all the other

work that gets lumped in with being on the executive. Again, Paul King for all his work over the seasons with the junior club, we look forward to you to continue helping the club in the future.

Great Season Devils let's take the club to another level next season.

Huge thanks to our major sponsor Wests Illawarra who continue to provide financial sponsorship year after year, that provides the assistance that we need to continue to grow our club.

Mark Waldock – President

Treasurer

The Cricket Club recorded an operating loss of $887.80 for the period ending 30 June 2025. There were a number of factors that contributed to this loss, but the main ones were as follows:

1. Increased costs of cricket balls
2. Ground fees now payable on turf wickets for washouts (previously, Wollongong City Council didn't invoice Clubs for games not played)
3. The Club absorbing many increased costs, including catering costs on presentation night

Luckily, the Club sourced new sponsorship opportunities this year. Via his new business Fantasy Donuts Dapto, long-time player and 4th Grade Captain, Steve Ryan, provided generous sponsorship support this year. Thank you Steve for this support.

The Club was also successful again with some other grants from Cricket NSW and Cricket Australia, which assisted in our development of the game for juniors and female participation.

We were also lucky to have continued sponsorship from Wests Illawarra Leagues Club. The Club has been a long-time partner and sponsor of our Club, and without their generous support, the Club would need to increase its fees for members or complete a lot more fundraising events throughout the year. Please continue to support the Club that supports us.

The Club continued to receive support from a couple of long-term sponsors, whilst also generating new sponsors throughout the year. A list of all these sponsors is as follows:

- Wests Illawarra Leagues Club
- Fantasy Donuts Dapto
- New England Constructions
- Napbuild
- Maguire & McInerney Solicitors
- Figtree Travel
- Terry White Chemist Woonona
- Woolworths Figtree
- Enhance Petroleum
- Illawarra Premium Food & Beverages
- Wild One Distribution
- Polava
- IMB Bank
- Bellforce Premium Wholesale Meats

Thank you to these sponsors for your support.

The Club will need to continue to generate new sponsors each year, or consider alternative fundraising events, to keep membership fees from increasing. If there are any players with links to local business that could consider small sponsorship amounts, we encourage you to source this for the Club.

The Club continues to invest in coaching, with the continued appointment of a Club Coach to support the development of our players. The Club Coach (Stephen Jenkin) worked closely with our younger players, and we trust this investment in the Club will see some medium-to-long-term improvements to both individual performance and the Club results.

The other significant expenses continue to be the traditional areas of practice & development (e.g. costs of cricket balls), council ground fees, umpire's fees, club presentations and clothing & uniforms.

Thank you to the players and parents who assisted with our first Bunnings BBQ fundraising event held this year at Bunnings Kembla Grange. This fundraising event raised well-needed money for our Club, and we encourage all members to continue to support these events with your volunteering efforts.

The budget for season 2025/26 has been prepared covering all traditional club operations, and this has been submitted to Wests Illawarra Leagues Club for their continued support and consideration. Subject to this continued support, the Cricket Club will remain in a strong position to continue to develop and foster cricket in our local region.

We look forward to seeing everyone again in season 2025/26.

Regards,

Jason Kriss – Treasurer
Life Member #23

Junior Chair

The 2024/25 season proved to be a year of development and growth for our junior club. The inaugural Wests Junior Academy ran in the preseason with over 50 participants taking part. The program was a huge success for players, and coaches, who also had the opportunity to learn from the club's experienced and seasoned coaches. A big shout out to Mark Whitmee who had the vision and with some gentle hounding of the committee it finally came to be. Thanks to head coach Steve Jenkin, 1st Grade Player Udara Jayasundara and the many other coaches at the club who offered their time to assist with the delivery of the program.

On the back of the academy, we saw substantial growth with over 130 players registering for junior cricket, which saw us field 2 extra sides. We continue to lead the way in growing girls' cricket, fielding two U16 teams. We had 34 females participating in junior cricket this year. The next step is to see the older girls transition into a Senior Woman's team.

Whilst silverware eluded the club, our 11A Red and 17A Red sides had narrow semi-final losses. We were extremely competitive in all grades, seeing us finished 2nd in the club championship. Notedly Wests fielded two teams in 5 of the 6 competitions, with the winner in those 5 all being clubs that only fielded one team.

Once again, we had strong numbers in our Junior Blast programs with 37 participants on a Saturday morning, and another 9 attending a School Holiday Clinic. A big thanks to Paul Brockley for coordinating, Jenna Purcell for running and the senior players that attended each week to help our next generation of players.

I would like to thank the following:

- Major sponsor – Wests Illawarra Leagues Club for their ongoing support.
- Club President Mark Waldock and Senior Committee for their support of Junior Cricket.
- Our Coaches, Managers, Scorers & Umpires – for their support of junior cricket.
- Mark Tyler- Child Safety Officer
- Paul Brockley – Clothing, School Holiday Clinic and Saturday morning Blaster Coordinator
- Jenna Purcell – Saturday morning Blast
- Neale Benson - Equipment, grounds maintenance, presentation and U17 Coach

As we draw stumps on another season, it is also time for me to draw stumps on my junior involvement at wests. This is my final season with a child in junior cricket.

My family's journey at the club started some 15 years ago in the Milo In2 Cricket program. Along the way I started coaching and 11 years ago I took on the role of Junior Chairperson. I am proud to say that 15 years later both my boys are well entrenched in the senior ranks, and I had the privilege of watching them play 1st grade together this year.

I would like to thank Neale Benson and Mark Waldock who have been with me every step of the journey. They are fantastic contributors to our club and have always provided me with encouragement and support.

I would like to thank my wife Linda for her behind the scenes help and unselfishness in allowing me to dedicate the time required to perform this role. To my sons Noah and Thomas, thank you for all the odd jobs I made you do, for staying back late all those times whilst I chatted to parents and just generally putting up with me.

My hope is that I have left Wests Illawarra juniors in a strong place, with a focus on development, growth and transitioning to seniors to continue into the future.

Paul King – Junior Chair

Head Coach Report

Many things changed from the previous season, four new captains, a fifth team, large numbers of junior signed to play senior cricket. This was before the season started.

Changes continued, firstly during the season first grade taking out the T20 tournament against the highly fancied Wollongong team.

Three teams making the semi-finals (1, 2 and 3's) 4 (blue) missed by the smallest of margins.

First grade played in their second final of the season, going down to Wollongong in the 50 over grand final.
Can I also thank Marty Barrett and Bart Thompson they did for training when I was unavailable and forced to resign as coach through injury.

Finally, the club conducted a preseason academy type program for our younger juniors for the first time.

First Grade
Led this season by Kyle Brockley to two finals. Kyle leadership enabled the best to come from the older players as well bring younger players from the clubs' juniors through to very good top-grade performances. The team played a total 27 games winning 14 wins.

Top run scorer was Udara Jayasundara 677 runs with a high score of 121. Best with ball was also Udara with 40 wickets best figures of 4/13. He was closely followed by Robert Cauduro and Harry Egerton.

Second grade
Led this season by veteran Jason Kriss they were successful in making the semi-final and again Jason help develop a number Wests juniors through to grade. The team played 24 games for 14 wins.

Best with the bat was Marty Barrett with 477 runs and high score of 80. With the ball the team's best was Harrison Rayner with 32 wickets another junior who made great advancements. His best was 5/32.

Third Grade
Another club life member (with Jason) this time David Potts took over the third-grade captaincy and took a very mixed age group to the semi-finals. The team played 23 games for 10 wins over all formats.
Best with bat was David Potts with 272 runs, a best of 36 runs. Best of the bowlers was Euan Egerton 23 wickets, his best was 4/31.

Fourth Grade (blue)
Steve Ryan kept his steady hand on the tiller of his fourth-grade teammate again this season and did his consistent good job.

The team played 22 games with 9 wins and finished one point out of semis. Best with bat was Steve with 408 runs, best being 100 runs. Best with the ball was Ryan Boncompagni with 27 wickets and his best was 3/7.

Fourth Grade (red)
Led by Cameron Lamb who took on the position when it suggested Wests enter a second fourth grade tea. As with the blue tea the reds had changes forced on them due to pull outs in higher grades. The reds had a large number of u15's fill in and Cameron all opportunities to taste grade cricket.

The team did not play in the T20 competition and played 16 games for 4 wins. Best with bat was Kyan Lamb with 292 runs with a top score of 60. Best with the ball was Michael Martin with 17 wickets with his best being 4/34.

I would like to thank the team captains, Paul King and Mark Whitmee for their support in the selection of teams each week. To Paul especially where his work started most Thursdays and finished on Saturday morning with the final places filled with juniors.

Junior pre-season program

This season with hard work from members of the junior club we put together a five-week program that was meant to increase the skill level of not only players but coaches as well. Big thanks to Mark Whitmee and Paul King for getting the ball rolling.

Also, the coach development part of the program could not have been achieved without the support of Paul Brockley, Udara Jayasundara, Matt Ohara, Mark Whitmee and Michael Knight as well as all the junior coaches who took the opportunity to improve their own skill areas in coaching cricket.

The academy type program was tailored to improve and expand the skill level of the junior players. It was created to dovetail into the season proper.

We had more than 50 players attend each week during the five-week program. The program looked at re-establishing the players skill levels and skill acquisition in all areas of cricket.

Stephen Jenkin
Head Coach

First Grade

The 2024-25 season was an exciting ride for 1st Grade on reflection, filled with moments of triumph, resilience, and the emergence of some exciting junior talent. From the first ball to the final over, the team showcased its devils fighting spirit, proving why we are now among the strongest contenders in the 1st grade competition.

At the season launch I stated that we could challenge ourselves for and look to win both competitions, which when looking back at the faces in the room, probably thought I was on a different planet. Well to all those that were there that night, look what can happen if you believe you can do it.

We wasted no time making an impact. A string of commanding performances in the T20 competition saw us head towards the final, where we played with precision and confidence to claim the T20 trophy. Our ability to adapt, seize key moments, and play aggressive yet intelligent cricket sealed the victory. An achievement that was highlighted with both the experience and youthful energy within the team.

Our One-Day campaign was equally compelling. Determination propelled us into the final, where we ultimately finished as runners-up. While the team may have fallen just short of completing the double, our performance throughout the season proved that we can take on the best and push them to the limit.

Beyond trophies and results, this season also marked that the commitment to develop our junior players as the club's future stars will continue to be our strength. Nic Nicastri, Harry Egerton, Tom McKinlay, Noah King and Archie O'Hara emerged as seasoned first graders within the team, showcasing skill, composure, and a hunger for success. Whether it was clutch batting performances, disciplined bowling, or outstanding fielding, these young lads proved they belonged at this level, adding invaluable contributions to the team.

It would be a remiss of me not to mention the outstanding contribution of Udara Jayasundara with both bat & ball. The great man finally scored his first century (121) for the club while compiling 677 runs and 40 wickets for the season. Congratulations also to Nic Nicastri on him scoring his maiden first grade ton (100)

At the end of the season, the team can look back with pride, as I do - A T20 Trophy in the bag, a runner-up finish in the One-Day competition, and a team that continues to evolve, bringing together our experience and youthful exuberance. With these foundations the team should now look ahead to the next season, ready to build upon their successes and aim for even greater heights.

Thank you to all of those within the club that assisted, supported and probably didn't believe! Well, it was an exciting ride with its ups & downs but that's who we are. In the words of Big Ange Postecoglou and PM Paul Keating, this season was one for the True Believers!

Kyle Brockley
1st Grade Captain

Second Grade

The 2024/2025 season can be rated a successful one for our 2nd grade side. A good blend of experienced and young players ensured we were very competitive throughout the season, with a feeling that we could beat any side that we played. Unfortunately, our inconsistent batting after Christmas also meant that we could potentially lose to sides we had the ability to beat comfortably.

Our team was sitting first on the table heading into the last T20 game. Unfortunately, we lost the last round to the eventual T20 premiers in University, dropping us out of the top 2. With only the top 2 qualifying for the T20 Grand Final, our focus quickly turned to the premiership proper.

The team played some really good cricket prior to Christmas, which meant we finished in the top 4 and played semifinals. Unfortunately, we were beaten convincingly in the semifinal against a red-hot Wollongong side.

Our young batsmen in Josh Minovski and Thomas King showed real potential with the bat, with both earning first grade debuts throughout the season. Our more experienced batsmen in Martin Barrett, Mark Whitmee, Bart Thompson & Sandy Korala were also amongst the runs throughout the season, with both Martin and Sandy also making their Club first grade debuts.

Well done to these players for contributing significantly to our team and for those that also made their first-grade debuts.

On the bowling side, I genuinely believed we had the best attack in 2nd grade. Our pace battery of Tyler Davidson, Trey Thompson & Bryn Newton troubled most opposing batsmen, whilst our medium pacers of Harrison Rayner, Kazi Shadik and Bart Thompson were consistently amongst the wickets. Josh Minovski also bowled some very good spells of left arm spin, getting us back into some games off the back of his bowling.

Congratulations to Harrison, Tyler & Bryn for leading our wicket taking. Tyler has been a star in 2nd grade for a couple of years now, whilst both Harrison & Bryn surprised with their wicket taking ability. Hopefully a steppingstone season for these players into the future.

Our 3rd grade team were also blessed to have several younger, talented players fill in for the team throughout the year. The future is very bright for our young bowlers in Mitchell Swaby, Austin David, Euan Egerton & Jonty Clifford who all played roles when called up, whilst Jack Thomas & Joel Mikleus showed promising signs with the bat. We hope these players will force their way into higher grades more regularly next season.

Some of the season highlights included the following:

1. Mitch Swaby hattrick versus Corrimal
2. Bryn Newton & Tyler Davidson sharing an unbeaten 22 run 9th wicket partnership to get us across the line against Port Kembla in a low scoring game
3. Harrison Rayner's 5 for 32 against Balgownie
4. Tyler Davidson's 4 for 10 off 7 overs versus University
5. Martin Barrett's 4 half centuries throughout the season, including a top score of 80. Martin led our scoring with 458 runs.
6. Fielding efforts of Bryn Newton & Kazi Shadik, who both took some great catches & created some runouts.
7. Bart Thompson & Harrison Rayner won the respective 2nd grade batting and bowling averages.

Congratulations to our 1st grade side who won the T20 competition and also made the 1st grade grand final. A great season for this young team led capably by captain Kyle Brockley.

Thank you to our committee for running a very successful Club off the field, which led to great results on the field. These people are volunteers who give up a lot of time throughout the year, with senior president Mark Waldock & junior president Paul King leading from the front. Well done to all who contributed to this success.

Thank you also to Club Coach Stephen Jenkin for his efforts in coaching our Club, as well as his selection efforts in getting 5 sides on the paddock each week. It isn't easy when the Club has players pulling out late or several unavailabilities each game, meaning there are always late calls to junior players on a Friday or Saturday.

A final thanks you to all of my 2nd grade players who supported my decisions as captain throughout the year, as well as making sure the covers were always put on or taken off on a Friday night and Saturday morning. These jobs are sometimes laborious but are a must to ensure we run successfully as a Club.

I look forward to an equally successful season next year.

Jason Kriss
2nd Grade Captain

Third Grade

The 2024/25 Season would have to be considered a success for 3rd Grade and Wests Illawarra Cricket Club. Congrats to Kyle, JK, Steve and Cam for their successful seasons in their respective grades. As far as 3rd grade went, it was a season where we probably over-achieved at times and unfortunately underperformed at season's end when it counted.

The season started with a tough fortnight of T20's which we quickly worked out wasn't our game or style. A disappointing loss to Wollongong in round 1 when we were bowled out for 80 chasing only 90 set us off on an undefeated 14-week stint that saw us sitting 1st with only 2 rounds to go. A tough last month saw us finish the regular season in 4th and lose to eventual grand finalists Wollongong in the semi-final.

Our bowling unit was as good (probably better) than any other attack in 3rd grade. In 15 completed games we bowled the opposition out 13 times and only conceded 200+ once (on a tiny Helensburgh Oval). Austin "Ozzie" David and Euan Egerton were our regular opening pair and bowled with pace and skill (both finishing with over 20 wickets each). Both Oz and Euan are bound for higher grades in the coming seasons. It won't be long until Euan is opening the bowling in 1's with his brother or with Austin! Our bowling strength was shown in the dept of bowling options we had. Mitch Swaby in his comeback season was extremely economical, Jake "The KFC Kid" Frazier took valuable wickets every time he bowled, Jason Russell used all his wiley experience with his dangerous swing bowling with part timers Cal Da Costa, Lachie Neal and Jack Thomas all taking important wickets when called upon.

Unfortunately, our Achilles heel was our batting. As good as our attack was in bowling teams out, our batting line-up failed too often (especially the big games at season's end). Too many times, our lower order/tail was required to get us across the line. But as we learnt to do and I said to the boys throughout the season, we learnt to "win ugly" and won several games that we would have lost in previous seasons.

The strength of 3rd grade this season was that our success was not on the back of one or two individual players (where other clubs really relied on). At times, everyone contributed whether through a few runs, wickets or a great catch in the outfield. We truly were a "team" in that regard which is reflected in closeness of the batting and bowling statistics for the season.

A few gutsy team results to mention are: Round 4 v Helensburgh. Bowling Helensburgh out for 121 we were 8-73 before a 51-run partnership saw us get the win. Round 12 v Balgownie. Bowling Balgownie out for 161 we were in deep trouble at 7-80 but managed to scrape through to 9-165 to score an unlikely win. Round 14 v Keira. Bowling Keira out for 153 we were 6-89 then 7-113 but finished at 8-154.

And a few individual performances that rate mentioning...Jake Frazier v Keira in round 8: 5-30 (8 overs) and 64. Adam Coughlan-Ryan scored an even 50 in the same game. Lachie Neal v Port Kembla in round 10: 6-12 (6.3 overs) and Jason Russell v Keira in round 14: 3-14 (7 overs) and 78*.
I don't like to single many guys out from what was a great team effort throughout the season, but I must mention two guys.

- Jason Russell came into the team around the halfway mark of the season. Being aged over 18 automatically made him one of the couple of old guys in the team. Jas brought experience, confidence and much needed talent to the team. The remarkable part of Jason's performances each week was the fact he played with a busted hand/knuckle and most weeks had his hand heavily strapped. Thanks mate, you were a major part of the success the team had and our run into the semis. Thank you
- Cameron Kelly was the youngest in the team at only 15 years old. What Cam brought to the team was skill, desire and the love of cricket. Cam had some good performances with bat and ball at times during the season, but most of all, an amazing set of hands in the outfield. Unfortunately, Cam was 12th man for the semi-final but true to the character of Cam, especially from someone so young, he took this with true composure and came along semi-final day, dressed in his whites and helped out with fielding for 30 odd overs or so for us. Thankyou Cameron. You are a quality cricketer and a quality young man who has a huge cricketing future ahead.

Thank you to Mark and the WICC for the confidence they placed in me to lead 3rd grade. I've always seen 3rd grade as the stepping stone for young players coming up from juniors and breaking into the top grades, so thank you for the vote of confidence.
Thank you to my fellow selectors Kyle, JK, Steve R and Cam for selections each week. A huge thankyou to Steve Jenkin and Paul King. Without these guys, we would not have been putting 5 teams on the field each week. The amount of weekly unavailabilities and late pull outs made sure Steve and Paul were kept busy all week, working their magic to fill teams!

Thank you to the parents who came along to support each week...The Kelly's and Da Costa's in particular for bringing along their gazebos for us every week (very very much appreciated guys), Chris Swaby for bringing along an esky and slab of water at Figtree one stinking hot day, Steve Thomas for all his chats and laps around the ground while watching Jack bat and Scott Frazier for keeping Jake fed and happy.

And finally thankyou to the squad of 14-15 guys who played 3rd grade throughout the year. I know we surprised many teams throughout the season...we probably surprised ourselves a little at times as well. I have not enjoyed a season of cricket in the last 15 – 20 years (maybe longer) as much as I did this year and this was because of the great bunch of guys (kids) we had. I look forward to seeing you all back next season to go a few games deeper than we did this year.

#proudtobeadevil

David Potts
3rd Grade Captain

Fourth Grade - BLUE

Season 2024/25 can easily be described by saying ' Oh so close " as we missed a finals berth by 1 solitary point. Despite finishing 7th on the table and missing the top 6, we were only a couple of victories away from placing 2nd.

We were in and around the top 6 for the first half of the season before a second half that you wouldn't believe if it didn't actually happen. Over a five-week period we beat the team coming 3rd comfortably, followed by a 1 run loss to the team then coming 3rd with myself breaking my rib early in my innings and being unable to contribute with the bat.

The next week saw us lose by 3 runs to the team coming 4th with us being 2 batters down after losing our most consistent batter and winner of our batting award Jason Russell to 3rd grade not to be seen again for the rest of the season.

If that wasn't bad enough, we then lose the next week by 2 runs to the team coming 5th leaving us mathematically a chance to still make the top 6 if results went our way.

Alas, despite winning our final game of the year, losing to 3rd, 4th and 5th by 1,2 and 3 runs cost us dearly as I believe if we hadn't lost 2 of our top 3 batters during that period, taking a win off those 3 teams and giving us those wins we should have won, would have seen us 2nd on the table. So near but so far.

Leading bowlers for the season were Warren Weaver and Ryan Boncompagni with 25 dismissals.
Leading batters were Lucas Madaschi, Steven Ryan and Jason Russell.

In was particularly pleasing to see so many junior players coming through to grade cricket. Thank you to these junior players for filling in many weeks, as we hope you are the future of our Club.

Hopefully next season will see us on the other side of those close results and in finals contention.

Steven Ryan
4th Grade Blue Captain

Fourth Grade – RED

It was the first time for some time that Wests have fielded a second 4th grade team which is exciting for the club. The West 4th grade Red team was a brand new team made up of a mix of new players to the club, juniors transitioning into grade cricket along with a few existing players. This was my first time captaining, along with a completely new team was challenging, though enjoyable.

It took a few weeks for the team to find its feet and get some wins on the board. Though most weeks it was challenging as the club regularly had shortages in the higher grades meaning the two 4th grade teams were scrambling for players at the last minute. This often meant we never had the same team week to week and the strength of the team varied also. Though everyone enjoyed the fact that if they were available, they got a game and was played in the right spirit.

Throughout the season Locky and Kyan opened the batting most weeks and did a terrific job getting the innings going, along with Nathan, Preshane, Gavin, Mario and few others getting regular valuable contributions throughout the season which was great to see.

We had some great fielders in our team with special mention goes to Mario and Max who had hands like glue taking several awesome catches regularly. Kyan also was our regular keeper who did really well regularly taking his opportunities, especially after backing up from keeping duties in the mornings most weeks.

Overall, we were more of a bowling team this year with a lot of great bowling efforts. Some notable performers were Luke, Jesse, Michael, Alex, Jack and Tom. We regularly had 3 and 4 wicket hauls from our bowlers which was great to see. It was also great to see some of the juniors really step up and bowl really well in grade cricket.

Personally, it was a great opportunity to be asked to captain a side for Wests and to see new players, including fathers of Wests juniors coming back to the game. I was especially excited to mentor the juniors and for them to get a taste of grade cricket and to hopefully assist in their progression into grade cricket permanently. Hopefully the club can continue to expand and continue with the success from this season.

Cameron Lamb
4th Grade Red Captain

Under 17A BLUE

Our U17s had a challenging year in terms of results. The boys jelled well, got along with each other, and were a good bunch to be around.

Many of the players were balancing part-time jobs, school commitments, and senior training at other clubs, so getting more than a handful to junior training was difficult. My focus, therefore, was on encouraging as many of the boys as possible to consider grade cricket and to confirm that they wanted to play next year in the seniors, given this was their last junior season.

The team surprised themselves with a few good wins and finished the year with an emphasis on having fun on the field and remembering their junior experience.

Thanks to the parents who helped score, umpire, and set up the grounds—this was very much appreciated by Darren and me. Thanks also to Darren for being more than a manager, especially when I was away on work.
This signs me off as a junior coach—my innings has closed, and time has been called.

It has been a privilege, especially to share it with so many.

The one-on-one time during the long cricket trips with my son is one of the highlights of my life. I can only say thank you, cricket, for giving this to me.

Matt O'Hara – Coach

Under 17A - RED

The 2024-25 Illawarra Under 17A competition involved 6 nominated teams. The Club once again assembled 2 teams with players progressing from the previous year U15's. The grading and splitting of players proved challenging with final team construction occurring primarily on mateships, with the team strengths comparable. The Red team being the same returning top age players from the previous season plus a current keen U15 player to assist in equalising numbers across the clubs' U17 & U15 age groups.

The Red team consisted of 12 well-mannered players all with ranging skill sets. The underlying season team goal was to potentially qualify for the final series. The Reds finished 3rd on the ladder over 18 rounds (7 wins, 8 losses, 3 washouts), just ahead of the Blues 5th (5 wins, 10 losses, 3 washouts).

As always, the season aim was to maximise the players opportunities, given their skill sets and the competition playing conditions, while also advancing the overall team performance. All players were given roles on a day to ensure all were involved and develop an understanding of team dynamics & operations. Pleasingly most players accepted the process resulting in good team harmony. All players did impress at various stages over the season. Many did improve their skill level and belief, with many surpassing their previous personal bests in all areas.
Training wise on average 9 attended per week. Game day availability week to week did create some headaches with long term injuries, holiday plans, late or non-attendance, requiring late reshuffles in game plans.

To the season proper – Rd 1 (Dapto) a solid performance, Rd 2 (ND) a good team performance, Rd 3 (Keira) a wake-up call around attention to basics, Rd 4 (Balgownie) an improvement with missed opportunities in the field, Rd 5 (Blues) washed out. Rd 6 (Dapto) a solid initial bowling performance set up a big batting total, Rd 7 (ND) loss with a disappointing bowling & fielding followed by lacklustre batting, Rd 8 (Keira) washed out a blessing, Rd 9 (Balgownie) a close game loss with some missed fielding opportunities bowling first, Rd 10 (Blues) inter club bragging rights a close loss unable to recover from the early lost wickets.

Rd 11 (Dapto) washed out, Rd 12 (ND) a disciplined win in both bowling & batting, Rd 13 (Keira) a big loss – batting improved making a respectable score, however the bowling discipline & multiple dropped chances of their dominate players was food for thought & reflection. Rd 14 (Balgownie) again a committed team batting performance but missed chances in field proved costly in a close game. Rd 15 (Blues) inter club return match, win based on an all-round performance. Rd 16 (Dapto) & Rd 17 (ND) both composed wins. Rd 18 (Keira) another loss from a subpar batting performance first with no intent.

Overall, during the season, the team batting approach was fairly good & committed when believing and working in partnerships. Fielding was tentative, having its ups & downs, just lacking in those critical moments. The bowling discipline improved as the season progressed finally understanding consistent line & length can create pressure plus enabling the ball to swing and bring the fielders into play. In summary, consistently inconsistent unable to put the 3 facets together week to week to pressure those top teams.

Having not beaten the top 2 teams, the semi-final (Keira 2nd) approach – let us have a crack with a nothing to lose game! Batting first was a struggle on a heavy outfield plus no real team partnerships from undisciplined shots. Defending a small total the bowling finally showed control dismissing many of the guns cheaply. Keira was now feeling the pressure. A hot chance went missing, which could have made things interesting.

Many thanks for their support.

- Paul King & Marc Phillips – coaching, managing & travel assistance.
- The many parents involved with scoring & game day assistance.
- The multitude of players who backed up & assisted the grade teams.

Special mention of Joshua Minovski (batting) & Luke Davis (bowling), both qualifying for district averages, demonstrating their consistency over the season with their self-discipline and attention to the basics.

Finally, to the team, trust you had fun, did enjoy the season, and learned something along the way. It was a roller coaster through some periods. Most importantly the respect and encouragement you displayed towards the team environment is the key ingredient to being successful. Remember, attention to the basics, believe in yourself and the performances and results will happen!

Well done and congratulations. Hope all players will continue and advance their game again next season.

Neale Benson & Paul King – Coaches

Under 15B BLUE

I had the pleasure of coaching a great group of young men in the Under 15 blue side this year.

At the start of the season, the club wasn't sure if we should pick a 'Team A' and 'Team B' or try and select 2 teams as close as possible. We did the latter. It was a very difficult job, but what we came up with seemed to work well. We played each other twice and both games were very close encounters.

I had 14 players all up throughout the season. We had a group of 9 players that came over to Wests Illawarra from another club and 5 players from Under 13s from last year. It took the boys a few games to be a very solid unit and the friendships that were made will last a long time. They were very close. Everyone saw what a united side they had become, which made me a very proud coach.

We lost 1 captain, Vihas, halfway through the season when his family went back home to Sri Lanka. He is missed by all. After Vihas had gone home, we gained Pranav, who fitted like a glove.

All the boys had a good season. They trained hard and all improved greatly throughout the year. I won't single out anyone because they all contributed throughout the year in some way. We finished the year off in 5th place on the ladder, just outside the semifinals. We were very competitive against the sides above us on the ladder. We defeated a very strong Port Kembla side, and we should have beaten the Keira black and Corrimal sides, but on the day just fell short.

I think overall the boys had a great season. I hope they all enjoyed themselves and continue playing for Wests Illawarra in the future. As their coach, I am very proud of the improvement and dedication the boys showed with their cricket throughout the season. A big thanks to Paulo, Nick and Graham who helped along the way with umpiring and scoring just about every week. Thank you to the other dads who also helped. I couldn't do it without the group effort.

Hope to see you all next year!

Mark Whitmee

Under 15B RED

The players who came together to form the 15 Red side this season had significantly varied skills, experience and motivations for playing. This diversity presented challenges at training and in games but also provided opportunities for personal and team growth.

Ryan Yeo was appointed captain and he performed this role with enthusiasm, maturity and resilience. Thank you, Ryan, for committing to the demands of captaincy and for admirably leading the team.

From a purely statistically perspective the season could easily be viewed as an abject failure, with the team winning only one game. There is, however, far more to cricket than raw numbers and statistics. The team was (other than in a handful of games) competitive and could easily have won more games. More importantly, the team always played the game in the right spirit.

The team showed commitment, a willingness to learn and a desire to improve. This was evident in the consistently strong attendance at training and the attitude displayed at games. The boys stuck together and supported each other.

It was evident to all who watched the boys train and play that they enjoyed being together. They shared plenty of laughs and good-natured banter. Had this not been the case their results could have easily fractured the team. That they continued to play with a sense of fun and enthusiasm is a credit to their character.

The following two individual awards are derived purely from applying the club's junior award criteria to the players statistics.

Batting Award: Will MacLeod (299 runs at 29.9)
Bowling Award: Xavier Knight (17 wickets at 12.94)

The next two individual awards have been awarded at my discretion.

Leading wicket taker: Carter Cleghorn (19 wickets at 15.74)
Team player: Robert Bourke (awarded to the player who was the most selfless, team-minded and consistently committed to training and putting the team first).

Thank you to all the parents (particularly those who undertook the thankless and often stressful role of scoring) for your patient support throughout the season. Thank you also for encouraging your sons to play the game in the right spirit.

Finally, thank you to the club on another successful season and congratulations to all successful teams and players.

Michael Knight - Coach

Under 16 Girls BLUE

In Summary through the 2024/25 summer the girls had a fantastic season with constantly improving skills and team play really shining through as key results for this year. For most of the girls it was their first season of "proper" cricket rules moving on from Stage 1 soft ball games without dismissals.

The girls finished 3rd in a group of 4 all girl teams playing T20 evening games – Wollongong finished first, helped by a small highly skilled team of mainly representative players. Western suburbs fielded two large and fairly even teams with a range of skills represented throughout both teams. Port Kembla finished 4th and were developing a core group of younger girls who had less experience than most of the girls in the competition.

Our team - The blue She Devils managed to beat our sister team twice during the competition, but missed out on beating Wollongong, which the Red team managed to do, which placed us in the middle of the ladder which was a fair result.

All of the girls in our team contributed to scoring with the bat at different times during the season – Mia Shoobert and Maya Huetter were power houses with the bat and were at the top of the batting scores and averages for the competition. Nishka Sharma was reliable through the middle order with good support from Kulnoor Kaur and Olive Jameson. Madeline O'Keefe, Kimberley Turner and Annabelle Bugg all struggled at times with their first year of Hard ball, "Out You're Out" Cricket, but also persevered to achieve personal milestones throughout the season including all achieving retired not out innings, multiple boundaries and successful partnership batting. Ruby Owen and Dia Chunackara both hit the ball hard when they had their eye in and contributed to both excellent partnerships and pinch hitting when each of these approaches were required.

On the bowling front Ruby really shone, although a reserved individual, she let her bowling do the talking and regularly took multiple high value wickets. Olive Jameson developed as a fast strike bowler throughout the season, with a slightly variable radar who intimidated many an opposition batsman without even realising her own skills. Mia and Maya were solid and consistent with their bowling, often bowling through the middle overs and keeping runs to a minimum. Kimberley was an excellent opening bowler and often bowled at "The death" when required. Maddy developed her left arm mediums throughout the season, generally bowling tight overs and getting through her spells quickly. Annabelle surprised herself with some wickets and some much improved consistency when thrown the ball this year. Dia is a developing cricketer but contributed well through her bowling and was in great spirits throughout the season, enjoying the team atmosphere. Despite being super polite and friendly to all of the opposition players Kulnoor took her fair share of wickets (and then apologised to her victims!)

In the field all of the girls showed more awareness throughout the season with the more experienced girls passing on tips and skills to the rest of the team. Backing each other up in the field, encouraging talk and positive encouragement were pleasing to see, with the team really gelling as the season went on. Maddy, Mia, Maya and Olive all shone as wicket keepers at various times throughout the summer, and all the girls improved their catching skills.

The teams most notable highlight of the year was probably beating the Red She Devils in round 9 after losing to them in the local derby by just 2 runs on the last ball in round 6. As a coach, I was really pleased to see the girls move from an amalgam of Wests, Keira and Oak Flats girls who had never met each other at the start of the season, to a tight and supportive team by the end of the season who identified as Wests Blue She-devils and played cricket for each other as much as for themselves.

Mark O'Keefe – Coach

Under 16 Girls RED

The first year of the Stage 2 Under 16s competition was a success for Wests with our club fielding two of the four sides in the competition.

We split the squad into evenly matched teams and as coach of the Reds, it was fantastic to see all the girls improve as the season went on. For some of the players this was their fourth season of junior cricket, and they are ready to take the leap into the senior ranks next summer.

Wests are planning on fielding a team in the Illawarra women's Friday night competition and many of the girls from the under 16s will be more than up to the task.

The Reds finished the season equal second with Wests Blues to show that we managed to divide up the teams evenly. In our last match of the year we even got a few of the Mums to have a hit with their daughters in our Reds v Blues game and they now have an appreciation of how hard it can be to lay bat on ball out in the middle.

The Reds went 6-4 for the season with the highlight coming in the penultimate round when we beat the previously undefeated Wollongong side.

Joely Suttor was our top run-scorer with 160 at 53.33 with Olive Stephens racking up 104 at 34.67 and Ava Kelly tallying 91 at 13.

With the ball, Andie Lawson and Polly Higgins were our top two with four apiece with a lot of our wickets shared around.

It's pleasing that there is now a pathway for girls to progress from Master Blasters to Stage 1, then Stage 2 and into the seniors. Hopefully this crop of young talent will be the trailblazers for countless more Devils female cricketers for many years to come.

It has been a pleasure coaching the Reds this year - thanks to all the parents who helped along the way and most importantly to the players who were always dedicated and enthusiastic at training and on game days, building great camaraderie along the way.

Paul Suttor – Coach

Under 13A

The team developed and improved their batting. The players had a good defensive technique as a unit. Running between the wickets was an issue early on but something they improved on over the season. Shot selection was the main reason for loss of wickets and some of the younger players struggled to score runs. Thisen and Airlie had good years with the bat.

We worked on fielding technique and cutting down angles for ground fielding and most improved as the season went on.

Catching - is still a work in progress with the side but again an improvement was seen.

Bowling - The team bowled really well as a unit, and most had found their spot in the side. Judah learned how to swing the ball and developed his bowling a lot over the season. Our extras reduced and our attack was one of the stronger ones in the comp. Reducing run ups also helped the players bowl longer and more accurate spells.

Training - At times we struggled for numbers but it worked well. Having some parents helped but coaching one out was difficult when it happened.

Overall - taking 9 players didn't work out the best, I'd probably look to take 10 next season as players out really cost the team and injuries and holidays made winning games difficult.

Grounds - Not having a home ground or playing a single game at Figtree also has an impact on the team.

Players attitude - Overall the players bought in and had a great attitude this season, teamwork was high and we had barely any issues. As a coach I encouraged only positive chat on the field and spoke to any player that reacted poorly in any situation after a game or being dismissed.

Time schedule - Our team found it very difficult to get 30 overs in on any given match. Hurrying also disrupted good cricket and brought in poor technique.

Players:
Arlie - scored plenty of runs but working on shot selection. Defensively sound.
Bowled really well improved with swing and was suited to the new ball.
Fielded well and was a good leader in the side.

Harvey - Hits a long ball but struggled with defending and preferred to try and go big early on. Encouraged to try hang in there more and waiting for the right ball but played his own way throughout the season. Bowling, struggled with taking wickets and was working on accuracy.
Fielding needs to work on getting down and cutting the ball off.

Thisen - Batted and bowled really well. Defensively sound batting but still needs work on some shot selection and power. Bowling really well and often took the big wickets in games. Fielding, working on catching and technique should be his priority.

Judah - Bowling really well and developed swing and pace as the season went on. Developing into a really good opening bowler. Batting needs some work but he's keen to learn and was improving before he got injured. Fielding was progressing well.

Charlie - Batting defence was solid just needs to work on finding scoring shots. Bowled and fielded well and was keen to learn and develop.

Harrison - Bowled and fielded really well and was a positive player for the team. Coming from 11s Harrison struggled to work out when to attack and when to defend while at the crease. I think he will be better for the season though and bounce back next year.

Jack - Started as our keeper but decided halfway that it wasn't for him. Batting progressed through the year and he

worked hard on his batting. Working on spin bowling in the second half of the season and looks to have something with plenty of turn on offer.

Mia - looked really strong in the nets but didn't turn that into runs. The talent is there, and I think there are plenty of runs coming up for her in the future. Mia was good in the field and helped us by keeping in the second half of the year. She did a great job there. Her bowling was steady, I suggested she shorten her run up and she was working on that.

Vic - Solid all-round player and great addition to the side. Bats and bowls well and was very keen to learn. Scored lots of runs and took lots of wickets. Will do really well in 15s next season. Kept for us also and did a good job there

Steve Hancox - Coach

Under 13B BLUE

The 2024/25 cricket season has come to a close and it's time to reflect on what has been an incredible journey for the Wests Under-13B Blue team. This season was filled with exciting matches, great individual performances, and most importantly, a fantastic display of teamwork, captaincy and sportsmanship.

Season Highlights:

- The team showed incredible determination, winning several close encounters with last-over finishes. In one particular match, team chased down a score of a 160+ runs against Helensburgh, with Harper Smith cracking two critical boundaries in the final over to get us over the line.
- Our batting lineup consistently improved with multiple players achieving personal bests in runs scored. Brock Smith showed his immense improvement finishing 2nd in the 13B competition in terms of runs scored - 252 runs scored at an average of 42 with a strike rate of over 75.
- The bowling unit displayed sharp accuracy, with many matches featuring disciplined spells that restricted opposition totals. Bowling with great pace and accuracy, Finn Kelly finished 3rd in the 13B competition for wickets taken, at an incredible average of 6 and an economy rate of only 2 runs per over.
- Often an under-appreciated aspect of our junior game is in the wicketkeeping. For the majority of our season Lenny Ferns and Harper Smith wore the gloves and ensured our byes were kept to a minimum and they both gloved great catches throughout the season. Their 'chat' behind the stumps was classy and lifted the team each match.
- While not all highlights turned into Wests victories, we can't forget the unbelievable run chase from the Ferns siblings, Amari and Lenny. Wests were down and out, last wicket pairing and still needing 40+ to chase. The siblings locked into backyard battle mode and took it to the opposition to fall an agonising 2 runs short. It was an amazing effort and one they should both be proud of.

Other notable highlights:

- Oscar Baguley had a breakthrough all-round season. Oscar's bowling improved out of sight claiming 13 wickets at an average of just over 14. With his batting and his big pull shot, Oscar made played several key innings for the team. One particular innings was against the team who finished 1st, Port Kembla. On the back of Oscar's blade he got the team to within a pain staking 2 runs shy of victory, scoring 20 out the team's score of 62.
- Angad Singh delivered many outstanding bowling performances throughout the season with an excellent economy rate. Angad often bowled without luck with many deliveries shaving the off stump or just missing the top of the bails. Angad became a regular fixture at the top of our batting order, taking on the new ball and opening the batting which can be a daunting task against quality bowling attacks.
- Christian Walton was turning the ball a mile by the end of the season. His accuracy improved immensely as did his confidence. Bowling 'leggies' is a very difficult cricket discipline and Christian had the opposition in spin at the end of the season. Christian's determination to improve was evident all season and he was a genuine leader in the team out on the field.
- Leo Olivera was the newest player to our team in 2024 having never played a game of cricket before. Well, Leo thought this game was easy and it took him 3 innings before he was dismissed! In one game Leo copped a ball in between all the padding forcing him to come off the field. When the 2nd last wicket fell, Leo bravely put on his helmet and gloves and returned to the crease – we were unlucky in the run chase, but Leo won the battle of toughness that day.
- Team Spirit and Development: Beyond the results on the field, this season was a testament to the growth and camaraderie of the team. We empowered a player each week to be the captain and executing their own bowling plan and setting the fields. All of the players enjoyed this responsibility and always came to the game well prepared. The captain led the 'talk' in the field and congratulated the opposition on their performances.

We were unlucky to miss the semi-finals with some close games not going our way, but our players proved they were more than good enough and were highly competitive.

A big thankyou to our parents, without your commitment and support the games are not possible. A special thankyou to Drew Ferns for all you do for the team and the development of our young players.

Adam Smith – Coach

Under 13B RED

It has been 4 or 5 seasons since I had the privilege of coaching junior cricket. We had a great group of boys that really enjoyed each other's company and supporting each other throughout the season.

Win or lose, most times after games all the boys had a smile on their face. Especially celebrating after Elis captain speech with one foot up on the esky full of soft drinks and delivering the devil of the week award for great performance of the day.

Wests Under 13b had split 2 teams up equally. This I believe helps the development of each player, even if a hand full of players were more talented than most of their teammates, they learnt that cricket is a team sport, and by encouraging and helping teammates through thick and thin, the game of cricket becomes more than just a game. Lots of life lessons were learnt of how to treat other by correcting the way they spoke to each other. Also respecting the umpire's decisions.

All players will be stronger and smarter next season.

I believe we have a team of super stars; it might not be now but with hard work and determination to get better anything is possible.

The one thing that every junior coach needs is a Dad that sets up the ground and scores. I was lucky enough to have Tom's dad David Klein. He was always there and an awesome help so us coaches.

I would also like to thank Scott Matterson for helping to coach at the start of the season as I was finishing of home renovations. The boys enjoyed his enthusiastic training style.

Bart Thompson – Coach

Under 11A RED

Wests 11A Red had a brilliant season. Coming into the summer, we knew this group had plenty of raw talent and enthusiasm, but what stood out most was their attitude, effort, and growth across the season. With a squad made up largely of players either in their first full year of cricket or playing up an age group or two, it was always going to be a season of learning. What we didn't expect was just how quickly they'd develop into a tight-knit, competitive, and confident team.

Week by week, all the kids improved in every facet of the game. Our batting developed from nervous pokes and wild shots into confident stroke play with smart running between the wickets. The kids began to understand the importance of building partnerships and rotating the strike, and they managed to record several new high scores as the season progressed.

With the ball, it was exciting to watch our bowlers develop greater control and variation. Early-season wide counts steadily dropped, and by the second half of the season, we were putting together disciplined bowling innings that really applied pressure to opposition batters. Fielding too became a real strength—some of the catching, diving stops, and direct-hit runouts we saw were unbelievable!

What was most pleasing was the sense of team spirit that grew each round. The kids supported one another, lifted their teammates, and played the game in the right spirit. Whether it was chasing down a tough target or defending a small total, they did it together, with a lot of heart and a lot of fun.

From a coaching perspective, it's been incredibly rewarding to see the kids grow throughout the year. They listened, learned, tried new things, and most importantly, backed each other and themselves. The improvement from the first round to the last was really impressive, and the results spoke for themselves. We were competitive in every match and managed to secure a spot in the finals, whilst it was challenging to lose in the Semi-Finals, the kids should all be really proud of their development and growth throughout the season.

Under 11B

The under 11B's started in earnest with no parent volunteering to coach. Despite not having any cricket experience or expertise, I accepted Paul's approach and formed a team mantra focused on developing skills, friendships and having fun. I believe these aspirations were realised.

The boys enjoyed training and games together and treated each other with respect. Skillsets developed over time, and the team experienced some success- leading to rides in each other's cars to celebration lunches at McDonalds on several occasions. I worked hard to teach the boys the importance of good sportsmanship, humility with success and guided them to manage disappointment as times- all character-building opportunities as they progress to adolescence.

Every single player improved their skills during the season, and this was pleasing to be part of. Some of our more experienced players excelled with the bat and the ball, and our newcomers' developed skills that they thought impossible for themselves to achieve. A significant reduction in wide and no balls as the season progressed provided tangible evidence of overall bowling improvement, and this combined with better fielding and general match awareness assisted us to be more competitive in the second half of the season.

Most of the parents helped in some capacity- being scoring, umpiring or supporting training sessions. Special thanks go to Oscar's father Brendan who turned up for every training session and often took on a role on game day. I appreciated this quiet and reliable support.

I'm confident the boys enjoyed their Cricket season and wish the all the best for the future.

Jake Pearson

Under 10's

Season 2024/25, saw a great bunch of kids come together, working as a team all while building great friendships. Whether in practice or on match days, the energy was high, and the commitment to improvement was clear. Each player gave their best in every session, and it was fantastic to see them all supporting each other.

In batting, I saw significant improvement, with the kids hitting some great boundaries, showing excellent patience and focus at the crease. Throughout the season everyone's bat strokes improved, hitting the ball all over the park rather than just leg side. Their bowling skills developed with their growing understanding of line and length, knowing getting this right would reduce the run rate and produce chances for wickets.

Fielding was a major area of growth. Early on, the focus was on basic skills like throwing, catching and patience in the field, however by season's end, the team displayed fantastic backing up, incredible catches, and epic runouts. Everyone in the team contributed to being wicketkeeper and improved every time they put the gloves on.

I would like to give a special mention to the younger kids, which made up half the team, these kids were aged between six and eight and held their own with the older kids. To watch them learn and improve was fantastic to be a part of. And not to mention the older kids of the group who were excellent role models and great leaders, showing the newcomers skills and game awareness. I thoroughly enjoyed coaching the kids this season, it was so much fun helping them develop their skillset and watching them grow. I would like to thank the parents for their support, assistance and good vibes.

Well done, Under-10s! I can't wait till next season.

Michael Martin - Coach
