### Season Review
The 2025–26 season has been one of growth, development and several significant achievements across both our senior and junior programs.

### Women's Cricket
One of the highlights of the season was welcoming our senior women's players to the club. This marks the first time since the 2004–05 season that Wests Illawarra has fielded a women's team in the Cricket Illawarra competition.

Although the side competed as a combined team with Albion Park Rail, they played under the Wests Illawarra banner and produced an outstanding season, convincingly winning the Division 2 premiership. Congratulations to all involved.

Looking ahead, the club is working towards implementing several initiatives during the off-season with the aim of fielding a standalone Wests Illawarra women's team next season.

### Senior Men's Competition
This season also saw a significant increase in senior player numbers.

The introduction of an additional Fourth Grade Red father-and-son team, initiated and captained by Mark Whitmee, along with an additional Third Grade Red development team captained during the first half of the season by Bart Thompson, provided valuable opportunities for both experienced and emerging players.

As a result, Wests Illawarra fielded six senior teams for the first time in many years—a fantastic achievement and a positive indicator of the club's growth.

### Fourth Grade Blue
Led by Steve Ryan, our Fourth Grade Blue side finished 10th on the ladder.

While this was below expectations after narrowly missing the finals the previous season, the team's spirit and commitment remained strong. I have no doubt Steve and his team will return next season determined to improve.

### Third Grade Blue
Our Third Grade Blue team secured the club's only finals appearance in the regular men's competition.

After finishing sixth in the one-day competition, they produced an outstanding quarter-final victory over minor premiers Keira Black before eventually being defeated by a strong Wollongong side in the semi-final.

Congratulations to Brad Pearce for his leadership throughout the season.

### Second Grade
Second Grade experienced a challenging season.

Jason Kriss captained the side during the first half of the season before injury forced him to step aside. We are grateful to Marty Barrett for taking over the captaincy under difficult circumstances.

Despite fielding a very young team, the side finished fifth on the ladder and narrowly missed the finals. Unfortunately, circumstances beyond the club's control proved costly, with a crucial match against

University abandoned due to the wicket not being prepared. The loss of those competition points ultimately denied the team a finals berth.

## First Grade

First Grade endured a frustrating 50-over campaign, with several matches affected by rain or abandoned altogether, limiting opportunities to climb the competition ladder.

However, the story was very different in the Twenty20 competition.

The team once again proved to be the benchmark of the competition, suffering only one defeat while successfully defending their Twenty20 title for the second consecutive season.

Congratulations to Captain Kyle Brockley on another outstanding season of leadership, and to Cian Egerton for stepping into the captaincy whenever Kyle was unavailable.

### Player Development

Expanding the number of senior teams naturally created additional coaching and selection challenges.

This season saw Anthony McGuire appointed as Club Coach, taking on the difficult task of managing player development across four grades with varying levels of experience and ability.

One of Anthony's most significant achievements was establishing a dedicated development squad for our younger senior players. The additional coaching sessions provided throughout the season resulted in noticeable improvements in both skill development and player progression through the grades.

This initiative has laid an excellent foundation for the future of our senior cricket program.

## Junior Development Academy

Following the success of last year's Junior Development Academy, we continued the program under the leadership of Stephen Jenkin.

Stephen once again coordinated the six-week coaching program, providing excellent development opportunities for our junior players.

The academy will continue next season, with ongoing refinements based on feedback from our junior coaches to ensure Wests Illawarra remains at the forefront of junior cricket development within the Illawarra.

## Junior Club Success

Our junior club enjoyed another exceptional season.

Much of this success is due to the continued leadership of Paul King, who, despite announcing his intention to step down after eleven years as Junior Chairman, generously continued in the role throughout the season.

The results speak for themselves.

Every junior team eligible to play finals qualified for the finals series, with our Wests Blues defeating Wests Red to claim the Under 13B premiership. In addition, the club finished second overall in the Club Championship standings.

These outstanding achievements are a credit to Paul, our coaches, managers, volunteers and everyone involved in our junior program.

## Volunteer Recognition

Our club simply could not function without the incredible efforts of our volunteers.

I would like to sincerely thank Paul King once again for the enormous amount of work he undertakes behind the scenes, including preparing results, awards and presentation material for both our Junior and Senior Presentation Nights.

I would also like to acknowledge Linda King and Noah King for their outstanding work managing our club's social media throughout the season. Their regular updates showcasing weekend results, Player of the Round announcements and team information have significantly enhanced the club's profile within the Illawarra cricket community.

A special thank you also goes to Jason Kriss for his tireless contribution as Treasurer and for the countless additional tasks he performs behind the scenes. Jason's professionalism and dedication play a major role in ensuring our club continues to operate successfully.

## Looking Ahead

As our club continues to grow, so does the need for volunteers to assist with its administration and governance.

I encourage anyone interested in contributing to the future of Wests Illawarra Cricket Club to consider joining the committee. Fresh ideas and additional support will help ensure the continued success and sustainability of our club.

## Closing

The 2025–26 season has been another positive chapter in the history of Wests Illawarra Cricket Club. From the return of women's cricket and the expansion of our senior program to the outstanding success of our junior teams and development pathways, there is much to be proud of.

Thank you to every player, coach, manager, volunteer, sponsor, family member and supporter who contributed throughout the season.

## Sponsors

On behalf of everyone at Wests Illawarra Cricket Club, I would like to sincerely thank all of our sponsors for their continued support throughout the season.

A special thank you goes to our major sponsor, Wests Illawarra, whose ongoing financial support enables the club to continue operating at a high standard. Without their commitment, many of the opportunities and initiatives we provide for our players simply would not be possible.

I also extend our appreciation to all of our Gold, Silver and Associate Sponsors. Your support is invaluable and plays a significant role in the continued success of our club.

Finally, on behalf of the management committee would like to thank all our players, parents and supporters of our great club for their involvement and we look forward to continuing to grow our great club into next season and beyond.

*Mark Waldock - President*

# Treasurer

Season 25/26 Treasurer's Report

I am pleased to report that the Cricket Club recorded an operating profit of $2,195.29 for the period ending 30 June 2026.

This is a tremendous result considering the Club had an additional $11,672.04 in operating expenses this year. The Club had to absorb the additional costs of Cricket NSW now running the administration of Cricket Illawarra, with this decision being made within a month or so of the season starting. Whilst this decision assisted in the smoother running of the overall competitions, it did add extra costs to each Club.

There were a number of factors that contributed to this profit this year, but the main reason was the extra revenue generated in season 25/26. Most of this revenue was generated by the following:

1. New sponsorship arrangements developed (see sponsors listed below)
    a. Additional $5,000 in sponsorships received
2. Canteen sales throughout the season
3. Increased senior player numbers
4. Another successful Bunnings BBQ

The Club was also successful again with some other grants from Cricket NSW and Cricket Australia, which assisted in the development of the game for juniors and female participation. One of the grants also allowed the Club to purchase new storage containers, which are placed next to the training nets.

We are also extremely proud and lucky to have the continued sponsorship from Wests Illawarra Leagues Club. The Club has been a long-time partner and sponsor of our Club, and without their generous support, the Club would need to increase their fees for members or complete more fundraising events throughout the year. Please continue to support the Club that supports us.

The Club continued to receive support from a couple of long-term sponsors, whilst also generating new sponsors throughout the year. A special shout out to President Mark Waldock who continues to generate new sponsors due to his relationship with local business, whilst also contributing significantly via his business New England Constructions.

A list of these sponsors is as follows:

- Wests Illawarra Leagues Club
- Fantasy Donuts Dapto
- New England Constructions
- Maguire & McInerney Solicitors
- Figtree Travel
- Terry White Chemist Woonona
- Miss Sparkles (Cleaning)
- P F Gringeri Constructions
- Wollongong Medical Specialists
- Napbuild
- IMB Bank
- Wild One Distribution
- Bellforce Premium Wholesale Meats

Thank you to these sponsors for your support.

Thank you also to the Club members who took out a Home Loan with IMB Bank during the season. For privacy reasons we don't know which Club members they are, but 3 members refinanced their home loan to generate 3 x $500 for the Club. This $1,500 was a welcome additional to the Club's operating account.

The Club will need to continue to generate new sponsors each year, or consider alternative fundraising events, to keep membership fees from increasing. If there are any players with links to local business that could consider small sponsorship amounts, we encourage you to source this for the Club.

The Club continues to invest in coaching, with the appointment this year of experienced Coach Anthony McQuire. Anthony added real value to our Club this year, especially with the development of our younger players. Anthony's appointment, along with the continued support of Stephen Jenkin via our academy and women's program, will hopefully see some medium to long-term improvements to both individual performances and the Club results.

The other significant expenses continue to be the traditional areas of practice & development (e.g. costs of cricket balls), council ground fees, umpire's fees, club presentations and clothing & uniforms.

Thank you to the players and parents who assisted with our first Bunnings BBQ fundraising event held this year at Bunnings Kembla Grange. This fundraising event raised well needed money for our Club, and we encourage all members to continue to support these events with your volunteering efforts.

The budget for season 2026/27 has been prepared covering all traditional club operations, and this has been submitted to Wests Illawarra Leagues Club for their continued support and consideration. Subject to this continued support, the Cricket Club will remain in a strong position to continue to develop and foster cricket in our local region.

We look forward to seeing everyone again in season 2026/27.

*Jason Kriss - Treasurer*
*Life Member #23*

# Junior Chair

The 2025/26 season was a great season for our juniors.

In the junior Competitions we fielded 11 teams including one in the mid week girls competition.

Unfortunately not being able to field a U17 side cost us any chance of winning the club championship. Had we been able to ,we would have easily run 2nd and potentially challenged Keira.

We had great success on the field,  with all teams competing in “competitions” qualifying for the finals. This saw us end the season with;

- 1 Premier - 13B Blue - congratulations to Drew Ferns and his side.
- 2 Runners Up - 15A and 13B White
- 4 Semi Finalists - 11A, 13B Red, 13A and 15B

Once again we ran an amazing Cricket Blast program, under the guidance of Zachary Stewart. Thank you to Zachary and a special mention to Sean Phillips who turned up every week to help.
On a Saturday morning we had 44 participants, and we also ran two holiday programs resulting in us having 56 participants in our Blast Programs.

Overall - more than 160 boys and girls played cricket with Wests in 2025/26, with 20 girls across the various formats

I would like to thank

- Our major sponsor – Wests Illawarra Leagues Club for their ongoing support.
- Our club President Mark Waldock and Senior Committee for their support of Junior Cricket each season.
- Our Coaches, Managers, Scorers & Umpires – for their support of junior cricket.

Pleasingly I was able to establish a new junior sub-committee and start to hand over some of the roles that we require to perform each season. I would like to thank the following people who helped throughout the year.

- Drew Ferns – Presentation MC
- Matthew John – Presentation Photography
- Linda King – Junior Social Media Coordinator and Presentation Certificates
- Lucy and Michael Martin – Clothing
- Brad Pearce – Presentation Coordinator
- Brad Shoobert – Female Cricket Coordinator
- Zac Stewart – Saturday Morning Blaster coordinator and School Holidays
- Buddhika Keerthirathne – Junior Social Media
- Mark Tyler – Child Safety Officer
- Adam Smith, Nathan McInnes and Mark Whitmee – grading days and age group coordinator

Thank you to Adam Smith for offering to take on the role of Junior Chair for the 2026/27 season.

*Paul King - Junior Chair*

# Head Coach

The 2025/26 Season was a season marked by development of young players in the senior program. Results were inconsistent but we saw a large number of younger players making debuts in higher grades and gaining exposure to a higher standard that will reap rewards in the coming seasons.

This investment in the youth of the club came from the inception of the Development Program which focused on the group being exposed to fitness, fielding and technical aspects of the game which saw them improve their skills, and gain greater confidence in their ability with a number of personal best performances highlighted throughout the season.

The First Grade continued their T20 competition dominance to win back-to-back premierships, and third grade Blue had a very successful season reaching the semi-finals with some excellent performances throughout the year.

We also saw some outstanding individual performances throughout the season, with 11 centuries and 5 five wickets hauls across the club.

I would like to thank all of the captains who led the club this season for their leadership, time and efforts, and to all of the committee and volunteers at the club who without their effort and dedication the club doesn't function.

### First Grade

Led again this season by Kyle Brockley, the team continued its dominance of the T20 format with back to back premierships and consistent performance throughout the season losing only one game.

Unfortunately, this consistency did not flow over into the one day competition this season, however there is some exceptional young talent within the team, with the likes of Archie OHara, Nic Nicastri, Harry Egerton, Cian Egerton, Tom McKinley, Josh Minovksi, Noah King, Bryn Newton and Hamish Copeland. As they continue to develop their experience in first grade in the next few years there is a very strong chance of this team seeing consistent success if they can stay together as a team.

Also a big congratulations to Nic Nicastri, Cian Egerton, Harry Egerton and Udara Jayasundara for their selection in the Greater Illawarra representative team, culminating in a victory in the Country Big Bash Final at the SCG.

### Second grade

Led for most of this season by veteran Jason Kriss we saw the further development of a large proportion of our junior talent coming through the club. The seconds saw a large number of younger players making the transition from juniors and lower grades in previous seasons and gain valuable exposure to playing on turf. I have no doubt that these players will continue to develop and improve to provide long-term success for the club in the future.

A special shout out to Krissy who has been the heart and soul of this club for his entire career and brought up the career milestone of 400 games for the club in what has been an outstanding career highlighted by his passion for the club and his focus on putting the club and younger players first above personal milestones and achievements.

### Third Grade

This season we saw the club field two third grade sides which allowed further development of our young talent into senior cricket. At times due to availability the thirds' teams were regularly changing but each team successfully navigated these changes with some outstanding performances and young players experiencing senior cricket and others gaining the opportunity to be promoted into second grade for a taste of higher grade cricket. With a continued focus on developing young talent the club is well placed to see greater success in the coming years.

Another big congratulations to David Potts who achieved the outstanding milestone of 600 games for the club, what an amazing example of longevity and loyalty to the club

## Fourth Grade

This season we saw the club also field two fourth grade sides with the introduction of a father and son team led by Mark Whitmee. This was a great initiative for the club which gave fathers the special opportunity to play with their sons and also allowed the young junior players to develop in senior cricket under the guidance of the experienced fathers playing in the team. This saw some outstanding performances from both the young developing players as well as the stalwarts there to guide them. Again, the focus on junior development and transitioning of young players into senior cricket will ensure the club continues to grow and be successful long into the future.

*Anthony McQuire - Head Coach*

# First Grade

The 2025–26 season was one of genuine pride and achievement for Wests Illawarra, marked again by winning one of the two trophies on offer, thus being the best and taking out the T20 competition. The squad demonstrated resilience, depth, and a commitment to playing this format for each other and that was evident from the opening round to the final ball of the last game.

While we didn't perform to our full ability in the One-Day competition, we are a far better side than we showed at times. The results didn't always reflect the quality within the group, and it's clear that to be consistently successful in this format, we need to bring greater resilience, discipline, and commitment to the key moments of matches. The talent is there, the capability is there, and this season has reinforced the importance of maintaining those standards across the full 50 overs.

Even so, the One-Day campaign produced several outstanding individual performances. Archie OHara delivered one of the great innings with a commanding 166, a knock that set the tone for our approach and showcased his ability to dominate an opposition attack. Udara Jayasundara added a composed and technically excellent century, anchoring the side at crucial stages and providing the stability we needed in tight contests. Consistent contributions from Udara, Nicolas Nicastri, and Archie ensured we remained competitive throughout the campaign and built a strong platform in most matches.

Our One-Day bowling unit delivered two of the most memorable performances in recent club history. Cian Egerton produced an extraordinary spell of 7 for 19, a rare and exceptional achievement that dismantled the opposition and will be remembered for years to come. Not to be outdone, Harry Egerton claimed a superb 5 for 27, a performance built on discipline, accuracy, and the ability to strike at key moments. These milestone efforts were central to our success and reflected the growing maturity and confidence within our bowling group.

The T20 competition win, once again highlighted the strength and character of this team, culminating in back-to-back premierships. The group embraced the fast-paced nature of the format and consistently delivered in high-pressure situations. I was fortunate to contribute with a score of 99, an innings that helped set up our campaign and reflected the aggressive but calculated approach we aimed to play with. Udara continued his outstanding season with a powerful 73, while Archie added a valuable 59 that kept momentum rolling at an important stage of the competition.

Our T20 bowlers were equally impressive, producing match-winning spells throughout the campaign. Cian's 4 for 8 was a devastating display of control and intent, while Udara's 3 for 9 and Harry's 3 for 11 provided crucial breakthroughs in matches that shaped our path to the title. These performances highlighted the depth and versatility of our attack and reinforced the team's ability to adapt to different conditions and match situations.

Across both formats, the squad needs to demonstrate a stronger culture built on accountability, effort, and a genuine desire to improve. The emergence of younger players, combined with the consistency of our senior group, has created a balanced and competitive environment that positions the club well for future success. The lessons from the One-Day competition — particularly around resilience, commitment, and maintaining standards under pressure — will be important as we continue to grow as a group.

It has been a privilege to lead this team, and I am immensely proud of what we accomplished together and look forward to what might be achieved in the seasons ahead.

*Kyle Brockley - captain*

## 2nd Grade

The season began with strong optimism as we launched into our T20 campaign. Confidence was high early, with convincing wins in our first two matches setting a positive tone. However, inconsistency in our bowling and fielding—particularly in catching—proved costly, as we went on to lose five consecutive games. This run saw us slide down the ladder, ultimately finishing 9th. Despite the results, the group continued to compete with determination and showed resilience throughout a
challenging period.

A standout moment of the T20 season was Thomas King's remarkable innings against Dapto. In a display of powerful and intelligent batting, TK produced an outstanding 108 not out, including 9 fours and 5 sixes. Chasing 5/174, he carried his bat through the innings in a near match-winning effort, with the team falling just short at 2/171—only three runs shy of victory.

The one-day competition presented a different set of challenges for our 2nd Grade side. Across the season, we dealt with five abandoned matches and utilised 30 different players, making it difficult to build consistency and cohesion within the team. Despite this, the group performed strongly, winning 8 of 13 matches.

Unfortunately, a lack of bonus points saw us narrowly miss the finals, finishing 5th.
This was a disappointing outcome given the effort and commitment shown by the players, particularly in the final five weeks of the season.

The team also faced adversity with the loss of two experienced players, Bart Thompson and captain/wicketkeeper Jason Kriss, who were both forced to end their seasons early due to health issues. In response, 3rd Grade Blue captain, life member, and the club's most capped player, David Potts stepped in. Taking over the wicketkeeping duties, David brought invaluable experience, leadership, and a strong competitive mindset, which helped guide and inspire an otherwise young Side.

There were several individual highlights throughout the season. Hamish Copland made an immediate impact in his first year at the club, scoring a superb 100 not out against University on his 2nd Grade debut. Joshua Minovski also delivered a standout performance, claiming his first five-wicket haul—5/17 off 8.3 overs against Corrimal.

Three players who impressed this season through their improvement were Harrison Rayner, Jack Thomas, and, in my opinion, the club's most improved player, Joshua Minovski. Josh was outstanding with both bat and ball and played a key role throughout the season.
Congratulations also to Josh Minovski and Bryn Newton, who were part of the Premiership-winning 1st Grade T20 side.

It was also pleasing to see several 2nd Grade players earn 1st Grade debuts, including Bryn Newton, Joel Mikleus, and Euan Egerton. Their progression reflects the club's commitment to rewarding performance and developing young talent.

In summary, while there were many positives to take from the season, the final standings were disappointing given the quality and potential of the squad. With greater consistency and continued commitment, this group is well placed to achieve stronger results moving forward.
I hope everyone involved enjoyed the season and look forward to seeing everyone return for season 26/27.

*Martin Barrett - captain*

## 3rd Grade Blue

The team started the year with David Potts as captain for the first 8 rounds before David was asked to move up and be the permanent second grade keeper. Over these first 8 rounds this saw the team start with 6 wins and just the 2 losses. Lee Turner started the year off with a bang scoring 2 x centuries in the opening 8 rounds and should be commended on these efforts.
Scoring runs at the start of the season seemed to come with ease, with the team scoring 200+ runs 5 times over the opening 8 rounds, only failing once to reach 200 when batting first.

However, in the later part of the year, we struggled to reach 150. Yes, some of our top order batters moved up to second grade where they saw out the rest of the season but some of the players who were given the chance to be a top order batter failed us on too many occasions. When your team is struggling with early wickets being lost, these players need to learn to put the big shots away and rebuild an innings. This might involve scoring at 2 runs an over for a period of the game but it is what is needed and what let us down in the latter part of the year.

I take great pride in making sure as a team the fielding is of the highest standard and for the most part of the season I couldn't fault the standard of our efforts in the field. I think the fielding drills that were put in at training this year definitely filtered through to our performances on the field, and I feel like we were one of the best fielding teams in the 16-team competition. Luke Davis was exceptional in the field as was Michael Martin. This allowed us to build pressure and roll teams for low totals.

The team finished the season in 6th place after 17 rounds with 8 wins, 5 losses, 3 no results and 1 draw.

The first round of the finals saw us take on Keira Black the minor premiers, some excellent bowling and tight fielding saw us restrict them to 188. The team batted really well to get the runs just 6 down with 9 overs to spare. This meant that we were to play Wollongong the following week for our chance to make the Grand Final.  We were sent into bat and unfortunately our top/middle order failed after a reasonable start being 1/25, soon after we were reeling at 6-40. Thanks to a magnificent first-time grade half century to Cameron Kelly, we limped to be all out for 122. In a rain interrupted afternoon, Wollongong reached the target just 4 wickets down to knock us out.

Overall a pretty successful season, Cameron Kelly(30), Luke Davis(22) and Steve Hancox(20) all bagging more than 20 x wickets each, and in the batting department Lee Turner(374), Cooper Ward(362) and Steve Hancox(304) all contributed with the bat through the season.

Whilst I wasn't chosen as the original Captain for this team, I enjoyed being given the opportunity to lead this team for the second half of the season. Thank you to each of the players who represented the team, there were lots of positives to build on and I can see the youth of the club coming through and guiding this team to success in the coming years.

*Brad Pearce - captain*

## 3rd Grade Red

The club made the decision to run a second 3rd Grade side this and I had the privilege of looking after the team.

The side was set up with a view to the future so excluding a few wise old heads the majority of our squad were under the age of 20. It was a great experience getting to play and mentor some of our junior players I had been involved with in previous years as a coach.

Whilst we didn't have the number of wins we would have liked, we were extremely competitive throughout the season. Our young bowling attack was consistently very good, often attracting praise from the opposition. In Austin David, Kieran Phillips and Alex Minovski we have some great young fast bowlers who I believe will push for 2nd grade in the coming seasons.

Where we let ourselves down was with the bat, often starting well but failing to capitalise on good starts. Special mentions to Cooper Ward and Lachlan Neal who did a great job at the top of the order for us. Cooper was rewarded with some games in 2nd grade and Lachlan will get his chance soon. In the middle order Max Thompson had a breakout season, which was a great reward for the efforts he put in at training, culminating in his first half century and an opportunity to play in a semi final with our other 3rd grade side. Kyan Lamb started the season well with the bat and gloves seeing him earn an opportunity in 2nd grade.

A big thanks to Bart Thompson who filled in as captain when my inevitable hamstring injury happened at the start of the One Day Competition. Thanks to Jason, Mario, Anthony and Marc for their help throughout the year on and off the field with a young side.

I hope this young side comes back next year hungry, more experienced and ready to challenge for 2nd grade selection.

*Paul King - captain*

## 4th Grade Blue

Season 2025/26 for 4th grade Blue was a bit of a mixed bag on the field with regards to results. As per the norm with 4th grade, having a consistent team week in and week out is always our biggest problem,  we only had the same 11 players in consecutive weeks once over the whole season.

After winning in round 1 we struggled to get back to back wins until later in the season when with five rounds to go we were able to go on a run of wins with a possible finals berth in the offering but then came across the misfortune of weather over the final couple of rounds, with a washout against last place totally ending our chances and then finishing off with the last round in a strong position when the rain came and ended the game with another no result.

I'd like to congratulate everyone who played in this team this season for their efforts on and off the field in making this team such a close-knit group.

Our leading run scorers this season were Steven Ryan 459 runs and Lucas Madaschi 442 runs. Our leading wicket takers were Jesse Newnham 15 wickets and Ryan Boncompagni 15 wickets.

I hope that everyone returns next season and we can try and push for a finals position as I know we have the ability to do so.

*Steven Ryan -  captain*

## 4th Grade Red

After the 2024/2025 season, I wanted to try and organise a father and son side. I started to recruit some dads from the junior sides, and we ended up with enough fathers and sons to field 2 sides. This was great, as it gave us plenty of numbers for 'old man injuries' (of which there were a few during the season!). We were going okay throughout the season, at one point sitting in 6th position on the table. Unfortunately, we fell away at the business end of the season, finishing 9th and only missing the semi-finals by 2 wins.

The main reason for the father and son side was to have the pleasure of playing cricket with our boys. We all had an opportunity to bat and bowl with our sons at least once during the season. I hope everyone enjoyed the experience as much as I did. Being able to play cricket not only with my son, but also with the boys I have coached and watched grow up, was a privilege.

Special mention to Luke Galea, who I "adopted" as my son and who scored plenty of runs during the season - 488 runs, average 44.36. A few of the young men were able to shine with bat and ball throughout the season: Ryan Yeo - 95 not out, and bowling figures of 4-20 and 6-21; Arlie Martin - 81 runs, and 3-4; Thomas Whitmee - 86 not out; Carter Cleghorn - 5-45 and another 4 wicket haul, just to mention a few.

The highlight of the season was the catching, or lack thereof… haha. We saw Paulo Baldassari replicate the great Fatty Vautin one-handed catch. I'm not sure who was more surprised - Paulo or the other 10 of us in the field - but a great catch! The catch of the year must go to the most elegant of the 'old man' fielders, Trent Yeo, who, while moving backwards, managed to trip over his own feet, do a backward roll, and stick out his hand. Somehow, the ball stuck in his hand. The batsman nearly fainted, and the other 10 fielders were crying with laughter. Trent then got up and did his trademark cartwheel… well, an attempt at one anyway…

We nearly saw a hat trick this year. If only the fielder (Jon) was able to grab a catch that went directly to him! To everyone's surprise, the fielder in question (Jon) tried to convince everyone that the ball didn't carry to him (nice try, Jon!). The bowler in question didn't hold a grudge (much). He took the disappointment well (not), telling everyone for the next month that he should have got a hat trick. It would have been his second hat trick within a short 45-year period.

I hope everyone enjoyed the season and will return for more punishment in the coming year!

*Mark Whitmee - captain*

# Women and Girls Team Report

In the 2025/26 pre-season the club's executive formed a sub-committee to establish both girls and women's teams for the club.

This followed the previous two years success of their girls' teams.

Paul Sutor who was the mainstay of the organising committee for the junior teams and their success, was on this committee with Brad Shoobert and me.

I must thank both Brad and Paul who were not only leaders in the establishment of the teams but the work around training and games.

**Girls Stage 1 team**
Wests entered a stage 1 team into the Cricket Illawarra competition.
This team went through the competition undefeated with great wins throughout the season.

Brad coached this team and worked hard to get the team together on training and playing nights. With 10 wins during the season, they enjoyed each week with the learning style of the competition and coaching of Brad.

The team played 9 players through the competition, led by Kimberley Turner. Kim led the 186 runs, followed by sisters Ashby and Quillyn Ashby 179 and 128 runs respectively

Finlay led the wicket taking with 8 at an average 11.25 followed by Annabelle Bugg 7 wickets. With good all-round performances Emilia Bijo Xavier, Evelyn Craig and Holly Nutland.

Great season from the girls and Brad.

**Women's senior team**
The Senior team was initially made up of the 7 of the stage 2 girls from the previous season and mum Tiffany Ferns.

As the first game of the season was advancing quickly and after discussions, the She-Devils merged with the Albion Park Rail Razorbacks. We took the name She devils- razorbacks.
Again, Brad took responsibility for the training and Brad, Paul and I helped with game day responsibilities.

The team utilised 20 players over the season and played the last 6 games with a squad of 16 players. The team was led by Carlee Gilly and Joely Suttor.

The competition structure was that nine teams played in round 1 with the competition being restructured into two grades for the second half of the season based on the points table after the first 8 rounds.

The She Devils- Razorbacks were placed in the second grade with Corrimal, Dapto and Northern Districts Aqua. The team went through the second-grade competition undefeated with a good finals' game, with five wins.

Performances
Batting

| | |
|---|---|
| Amelia Valdez | 287 runs with an average of 287 |
| Carlee Gilly | 194 runs with an average of 48.5 |
| Ava Browne | 150 runs with an average of 150 |

Bowling

| | |
|---|---|
| Carlee Gilly | 7 wickets with an average of 9.29 |
| Joely Suttor | 6 wickets with an average of 5 |
| Kimberley Turner | 5 Wickets with an average of 8.4 |

Fielding

Harper Smith led the fielding with 4 catches from 8 games.

The team was fully supported by Ashley Chapman, Olive Stevens, Audrey Gorgijovski, Amari Ferns, Mia Shoobert, Ava Kelly, Isabel Caroll, Saraya Pearce.

We would like to make special mention to Tiff not only for her work on the field and training, but the desire to play; with more than once travelling long distance to get back to Figtree to play on a Friday evening.

Great season with great results, well done girls.

*Steve Jenkin - coach*

# Masters (O40s)

WE WON!!!!!!!

This year we re-entered the overs 40s competition organised by the Greater Illawarra Veterans Cricket Association (GIVCA). We played 6 of 7 games, winning 4 ( 1 by forfeit) and lost 2

Somehow we won the competition on points by playing more games than the others.
The competition is semi-competitive, with most players slower than they used to be. But the beauty of this competition is that everyone pretty much gets a go. Retiring @40runs or 40 balls give the majority of the players on both sides a bat and bowl.

I would like to congratulate all members of the team and hope to see you all again next season to retain the Cup and have more fun.

Cheers Barry Devil
40s manager

## Under 15A

Outstanding season had by all!

We finished the regular season in 2nd place on the table. Of the 18 rounds, we won 13 games, 2 games were abandoned, and we had only 3 losses.

As the year progressed, the boys really came together as a formidable side. It was really pleasing to see as their coach. In the semi-final, we played Keira. It was a tight contest. We batted first and managed 3-115 runs after our 30 overs. The Keira boys bowled and fielded well. Our boys took to the field with confidence and maturity well above their ages. They were able to restrict the strong Keira side to 8-97 after their 30 overs. Our bowling and fielding were excellent. A special mention goes to Arlie Martin with bowling figures of 4-9, and Thisen Keerthirathne with bowling figures of 2-11. Great figures in a tight semi-final victory.

In the grand final, we played against Northern Districts. We batted first and managed a defendable target of 140 runs after our 30 overs, with Arya Mahantesh doing the damage with the bat, scoring 45 runs off only 24 balls—a great knock! We took to the field knowing we needed to bowl and field well against a strong Keira batting side. Unfortunately, it just wasn't our day. A few dropped catches and loose bowling led to a Northern Districts victory.

I was very proud of how the boys conducted themselves. They took the loss on the chin and will hopefully all learn and improve for the next time they play a grand final. I am a very proud coach and have very much enjoyed being a part of their cricket journey.

*Mark Whitmee - coach*

# Under 15B

The 15B's finished the season in third place with 9 wins and 7 losses and had the second best net run rate. Unfortunately a batting collapse meant they couldn't go further than the semi final where they went down to Wollongong.

Despite having 15 players in the team which meant not always getting a bat or as many overs to bowl as you would normally expect, the boys played the season with a great attitude and always gave their best on game day with best to no complaining.

It was great to see improvements across the board with batting and bowling, although the catching could still use a bit of attention.

The mateship, respect and appropriate sledging they gave each other was a joy to see and be a part of. Every one of them can hold their heads high with how they contributed to the scoreboard but also to how they contributed to their teammates enjoyment of the game of cricket.

*Andrew Hammonds - coach*

## Under 13A

The 2025–26 season was a fantastic journey for our Wests Illawarra 13A team, highlighted by determination, growth, and a strong team spirit that carried us all the way to the semi-finals—where we fought right through to the final ball.

From the first game to the last, this group showed outstanding commitment to improving their skills and deepening their understanding and love of cricket. Each player developed across all areas of the game, and it was clear week after week that the team was progressing both individually and collectively.

A standout feature of our season was our dominance in the field. We proudly called ourselves the best bowling and fielding team in the competition, and we had the statistics to back it up. Our discipline with the ball, sharpness in the field, and teamwork in pressure moments set us apart and kept us competitive in every match.
Equally important was the way the team came together. The players built strong bonds, supported one another, and represented the Devils with pride every time they stepped onto the field. Their sportsmanship and positive attitude were a credit to themselves, their families, and the club.

A big thank you goes to Brock, Harper, Harrison, Finn, Myles, Charlie, Mia, Judah, and Jack for their commitment, effort, and the time they dedicated to their sport this season. Each of you played an important role in making this team what it was. All of the players contributed throughout the season and each of you shared the experience of being the player that brought us back into the game with your own individual performance

We also extend our sincere thanks to all the parents for their ongoing support of the coaching staff and the team throughout the season. Your encouragement and involvement made a significant difference and helped create such a positive environment for the players.

Overall, this season was about much more than results, it was about growth, teamwork, and a shared passion for the game. Reaching the semi-finals was a great achievement, but the way this team played, supported each other, and represented the Devils is what defined our success.

*Adam Smith - coach*

## Under 13B Blue

I’m very proud to be writing this coaches report, with the Under 13 Blue team finishing Premiers for the 2025-26 season.

Our team consisted of experienced players, as well as those moving up in an age group and trying cricket for the first time. Every player should be extremely proud of the development they made in their game, with marked improvement seen from every single player in batting, bowling and fielding.

The team finished as Minor Premiers, winning 13 games and losing just two (may we add to the other two Wests teams!) with one nail biting tie. Many of our games were tightly contested with different players contributing to the teams results every week.

A number of players achieved personal bests, retirements and firsts and most importantly played in great spirit both with each other and the opposition all year.

A key call out from our Grand Final was the catching, with excellent catches taken to secure key wickets being a sign of the work and training that the team had put in all year.

Congratulations to Angad on securing the batting award and Tom on the bowling award. An additional call out to an unlucky Oscar who finished second in both awards, showing his all-round year.

The behaviour and camaraderie of the team was wonderful, forming friendships and supporting each other throughout, a wonderful group of kids and a credit to their parents. Thank you to the entire parent group for their support and help throughout the year and  to Lee Turner for his assistance with coaching and Phil for the majority of the scoring.

*Drew Ferns - coach*

## Under 13B Red

I would firstly like to commend all the boys of 13B Red for an excellent season. Throughout the year, there was clear and consistent development across skills, teamwork, and overall understanding of the game, along with positive results both individually and as a Team.

A major focus this season was on maintaining a positive mindset and consistently encouraging one another to be the best we could be. This was evident across many matches, even in challenging moments. It was particularly pleasing to see the resilience and personal growth of the players, not only in their cricketing ability but also in their character.

This was highlighted in our match against Northern Districts. After a difficult start, with several run outs and early wickets, the team regrouped during the drinks break and refocused on staying positive and concentrating on the task ahead. In that game, Cooper led by example with an outstanding unbeaten 63, helping to shift momentum and guide the team to a well-earned victory. Moments like this were a consistent theme throughout the season.

In addition to strong team performances, culminating in a fourth-place finish, there was also significant individual development. From those in their first season to those continuing to refine their skills, it was encouraging to see every player striving to improve and take something valuable from each training session and match. Specific mention to Matyas and Cooper for taking out the batting and bowling awards respectively.

We also had over half the boys in 13 Red named in the top 40 players in the league this year emphasising the contribution across the team. It was also great to see so many boys take on the leadership role in the team not just being named as captain but to lead through encouragement but also their positive actions.

Overall, this has been a highly rewarding season. The players should be proud of the progress they have made, both as individuals and as a team. Their commitment, attitude, and willingness to learn have set a strong foundation for future success, and I wish them all the best for the seasons ahead.

*Matthew Bubb - coach*

## Under 13B White

The 13B white team had an enjoyable season together this year. For most (if not all) of the boys, it was their first year in the age division, up from Under 11B's the year before. The boys all got on well and demonstrated overall positive camaraderie and obvious enjoyment of the game. As the season progressed, every member of the team developed in skill as well as improving in overall team cooperation and team spirit. The team developed an understanding of game strategy, stroke placement, running between wickets, and backing each other in the field.

Captaincy was shared among the group, with a different team member given the opportunity to captain each week. Attendance at training was predominately regular and the boys displayed a willingness to learn and improve their game.

For the majority of the season, Elden was our wicketkeeper who clearly enjoyed the role and displayed some great skill in catching some very fast balls, particularly from Steven! Elden was often aided by Evan who was able to back him up with some of the balls that missed his gloves.

Over the season there was a particular improvement in bowling, with all the boys reducing their extras as the games went on. The improved discipline was shared by all in the team as they all developed greater control and strength. All the boys took wickets throughout the season and clearly enjoyed celebrating with each other, demonstrating shared encouragement across the whole team.

There were also some great batting displays throughout the season with some impressive shot placement and strength off the bat. For some of the boys who were not natural with the bat early in the season, there were marked improvements and achievements in being able to retire not out and having the opportunity to go back out on the pitch was a great achievement.

The team were thrilled to make it through to the grand final and should be proud of their efforts to get there. While it was not their day against a very impressive Wests 13B Blue, the boys will learn from the experience and it has not dampened their love for cricket and appreciation of their team.

Thanks to Bijo for coaching the team this season – for your patience with the kids and your enjoyment in seeing the boys appreciate the game for all that it is. Thanks to all the parents for helping in the nets, scoring and your commitment to the kids and the team. Thanks also to Paul King for all your assistance throughout the season!!

*Bijo Xavier and Anna Grant - coach and manager*

## Under 13 Girls

With the 2025/26 cricket season coming to a close, it's time to reflect on the incredible journey the Stage 1 girls have had across the season.

With some of the girls having played previous seasons, we also welcomed some new players who have all progressed to achieve personal milestones throughout the season with career batting high scores, first runs, first boundary, first catch, first wicket, first run out which they all should be very proud of themselves.

Kimberley Turner led the team with the captaincy and developed well into the leadership role in what was a very successful season for the team going through undefeated with some brilliant individual performances, fantastic display of teamwork, encouragement and great displays of general sportsmanship in every game within the playing group.

Playing group:
Kimberley Turner, Finley Ashby, Quillyn Ashby, Emilia Bijo Xavier, Annabelle Bugg, Evelyn Craig, Holly Nutland and Zoe Lee.

Whilst there had been many highlights however these individual performances were standouts for the season:

- Kimberley Turner 51* off 24 balls (11x 4's) vs Dapto Rd 5
- Quillyn Ashby 4/14 off 5 overs vs Dapto Rd 5

Thankyou to all parents for getting the girls to and from training and game day, a special shoutout Elliott Ashby for assisting with training and game days throughout the season and Mia Shoobert who was official scorer.

It has been a privilege to be involved to guide and assist the development of a fantastic group of girls throughout the season.

I hope they have all enjoyed the season, and are looking forward to returning for next season as the future looks positive for juniors girls cricket for the She Devils!

*Brad Shoobert - coach*

## Under 11A

The 2025/26 season was a highly successful and rewarding year for the Wests Illawarra U11A cricket team, highlighted by strong individual performances and consistent team effort throughout the competition.

The team finished the regular season in 3rd place, recording 11 wins from 16 matches. This achievement reflected the players' hard work, growing confidence, and ability to perform consistently against strong opposition.

Batting was a major strength of the side, with several players ranking among the competition's best. Samuel T finished 2nd overall, while Jackson S (5th) and Thomas M (7th) also secured places in the top 10 batters. Their ability to build innings and form key partnerships played a significant role in the team's success across the season. Samuel T also achieved personal milestones, scoring both his first and second half-centuries during the year.

The bowling unit was equally effective, combining discipline and teamwork to regularly take wickets and restrict opposition scoring. Charlie T and Jackson S were standout performers, both finishing in the top 10 bowlers, placing 6th and 7th respectively, and each claiming 19 wickets for the season. A season highlight came from Tyler R, who achieved his first ever hat-trick—an outstanding individual accomplishment.

Fielding was another area where the team excelled. Their energy and commitment in the field consistently created opportunities and applied pressure on opponents. Jackson S (2nd) and Charlie T (7th) were recognised among the competition's top fielders, highlighting the team's all-round capability.

There were also several memorable individual performances throughout the season. Jax D delivered an exceptional all-round display in one match, recording his career-best batting and bowling figures in the same game—an impressive achievement.

The team progressed to the finals series and competed strongly in their semi-final against Keira Gold. In a closely contested and hard-fought match, Wests Illawarra narrowly missed out, losing by just 8 runs to the eventual premiers. Despite the result, the performance demonstrated the team's resilience and ability to compete at a high level.

Special mention must go to Hamish M, who played the final six games of the season and made a valuable contribution leading into the finals. The team also appreciates the efforts of Joseph T and Finley A, who stepped in throughout the year and provided important support when needed.

Overall, the season was an outstanding success. The players showed significant development in their skills, teamwork, and understanding of the game, while consistently displaying excellent sportsmanship. Their achievements this season provide a strong foundation for future growth and continued success.

Thank you to all players, parents, and supporters, especially to Jane S and Mark T, for their commitment and contribution to a fantastic season.

*Nathan McInnes - coach*

## Under 11B

It has been an absolute honour and a privilege to help coach an amazing group of young people this year. Our under 11B team had a year of highs and lows with each and every member gaining confidence and ability throughout. Every team member arrived at training and matches ready to try their best and most importantly have fun.

There were many amazing moments throughout the season including players' first wickets, first boundaries and first hat-tricks. Some matches were more challenging than others, whether this be because of the conditions, the time of day or the team we were playing, regardless everyone gave their best. Even on the hottest of days or during a sudden downpour every player was ready to do their part and support their team.

Throughout the season players developed their skills and ability. At the start of the season many had not participated in organised cricket matches and had a very steep learning curve to understand the processes and sequences of a match along with developing their own skills in batting, bowling, and fielding. We saw great improvement in players skills as a result of working hard at training and during the week to ensure they could contribute their very best for the team.

Our bowling saw a notable improvement throughout the season with some players struggling a little at the start but as the season progressed, improvement was seen across all players and many wickets fell as a result. Players' confidence with the bat also grew throughout the season along with our opponents' ability with the ball.  Batters needed to adapt to faster paced and sometimes unpredictable deliveries. Despite this, players faced every ball with bravery and determination.

It was great to see the teamwork within our group. Players looked after each other on the good days and the bad. They encouraged and supported each other when needed, gave advice when they thought it would help and of course celebrated together as a team. Every batter was acknowledged as they left the field and on more than one occasion, I saw team members rally around a player who had not had such a great innings, comforting them, encouraging them, and letting them know that they were always part of the team even when things didn't go to plan. On one occasion when a player misjudged a particularly quick delivery, I walked over to see if they were okay only to find the entire team following me onto the field checking on their team mate. They all truly cared for each other.

For most of our players this was their first season of cricket and for many it was their first taste of organised matches. We didn't win many matches but when we did, this group of young players really knew how to celebrate. Our first win was well deserved after weeks of challenges, and it was incredible to see our team leave the field with their heads held high knowing the perseverance and determination had paid off. Congratulations to all our players for an amazing season.

Ryan – for your determination and 'never give up' attitude
Stewart – for your team spirit and enthusiasm with the bat
Advik – for your enthusiasm with the ball and bravery to face every delivery no matter how fast
Lachlan – For your determination to be a better player each and every week
Emilia – For your bravery with the bat and ability to bring the team together
Levi – For your strong commitment to training and developing your skills
Sayul – for your fielding prowess and commitment to batting
Joseph – For your bravery with the bat and your determination with the ball

This season could not have been possible without the amazing work of our Team manager Helen who has coordinated our schedule, communicated with players' families and scored
every match. Helen's commitment to our team, club and cricket has been amazing. Thank you, Helen, for all your work.  Thank you to the families of our team who took them to matches and training every week, cheered from the boundary and supported all players. Thanks also to those who helped at training, assisted with umpiring and helped scoring at matches. Your support is greatly appreciated.

*Grant Knowles - coach*

## Under 10 Blue

It’s been an incredibly rewarding season from start to finish, and I’ve genuinely loved every minute of coaching this group of boys. Watching their growth—not just in skill, but in confidence, teamwork, and resilience—has been something special.

At the beginning of the season we were still finding our feet, but week by week the improvement was obvious, and by the end, we had become a team that could match it with anyone. The fact that we only just fell short against some of the top sides shows how far the boys have come and how competitive we’ve become.

More importantly, they played with great spirit, supported each other, and never gave up, which is what you want most as a coach. It’s been an absolute pleasure being part of their journey this season, and I couldn’t be prouder of the effort they’ve put in. There’s a lot to look forward to, and

I can’t wait to see what this group achieves next season.

**Josh Herbert - Under 10 Blue Coach**

## Under 10 Red

Season 2025/26 saw a great bunch of kids working as a team all while building great friendships. Whether in practice or on match days, the energy was high and the commitment to improvement was clear. Each player gave their best in every session, and it was fantastic to see them all supporting each other.

In batting, I saw significant improvement from last year with the kids refining their strokes and all contributing to the run tally. They showed excellent patience and focus at the crease, timing the ball well and knowing when to run. This year saw a lot of boundaries and some large totals posted by the team and by individuals. Everyone beat their personal best and exceeded expectations.

Their bowling skills have developed amazingly, bowling good lines and length which was helped by good practice bowling on Roy Johanson East's narrow pitch. This was highlighted in our second last game with only 2 no balls and 2 wides bowled. The urge for taking wickets and bowling dots was a high priority for the kids which was exciting to watch.

Fielding was next level this year with the kids improving in every aspect. Urgency to the ball to stop a run or create a chance for a run out was a step above. Their focus on each delivery, catching and backing up was amazing to watch. Everyone in the team contributed to being wicketkeeper this year and did an exceptional job. With some slick stumpings and some cracking catches, it was impressive to watch and to see improvement every time they put the gloves on.

I thoroughly enjoyed coaching the kids this season, it was so much fun helping them develop their skillset and watch them grow. I would like to thank the parents and the kids' siblings for their support, assistance and good vibes.
Well done, Under-10s! I can't wait till next season.

*Michael Martin - coach*

## Cricket Blast

Wests Illawarra Cricket Club has had an outstanding year of growth and success in the Woolworths Blast Cricket space. Across the season, the club delivered two holiday programs (one 2-day program and one 1-day program), alongside an 8-week Blast skills development program, which culminated in a once in a lifetime experience at the SCG for 15 lucky participants.

The 8-week Saturday morning Blast program engaged 44 individual participants and their families in a fun, high-energy and skill-focused environment. Across the program, players built core skills including catching, throwing, bowling and striking, before progressing into more advanced concepts such as power hitting and shot selection. Each week built on the last, with players growing in confidence as they took those skills into game situations, hitting bigger shots, taking wickets and taking screamers in the field. The mix of skill work and game based activities kept sessions engaging while maintaining a strong focus on development. The involvement of senior men's grade players added real quality, giving players the chance to learn from experienced cricketers and see high-level skills in action. A special mention goes to Sean Phillips, who attended all 8 sessions and helped bring great energy and atmosphere to every morning.

The holiday programs were delivered across three days, two in the September school holidays and one in January. These sessions were full of fun, laughter and development, catering to both new and returning players. Participants built on their cricket skills through engaging activities and game-based play, regardless of experience level. Each day concluded with a shared lunch, ensuring everyone left having had a great time. Across the holiday programs, 21 individual participants were engaged, representing a 133% increase compared to the previous year. I would like to thank Lee Turner, Kimberly Turner and Jack Baladassari for their help with the programs and their dedication to player development.

The season concluded with 15 participants selected to attend Day 1 of the 5th Ashes Test at the SCG, where they played Blast cricket on the field during the lunch break. Everyone had an absolute ball, smashing sixes into the crowd and taking wickets on a professional stage.

Overall, the club recorded 70 total program attendances across all sessions, highlighting strong engagement and repeat participation. In total, approximately 53 individual participants were engaged across all programs in 2026, demonstrating significant growth in both reach and retention. The Woolworths Blast program at West Illawarra Cricket Club has been a resounding success and is well positioned to continue growing in 2026/27.
