JUMPER MEDAL

Class 115 .60-.70m

Class 116 .80-1.05m

Two Jumper Medal classes will be held, to be divided between .60m and .70m jumpers, and .80m through 1.05m. To be judged on the rider's equitation style, technical merit, judgement, and execution of an efficient track. The judge will issue a numerical score based on the rider's medal round. One point will be deducted for every second over time allowed (if posted) and four points will be deducted for each knockdown or refusal. At the year-end show the top six in each class will compete in a flat work off. The points for placings from the year end show will double and be added to the current standings. In the case of a tie, the current standing points will have more weight than the year end points.
