Golf Cart Policies & Information

Hours: 8:00am—6:00pm

1. All cart operators **MUST** have valid driver's license which allows them to operate a motorized vehicle in the state in which they reside and proof of insurance.
2. This is an electric golf cart, which requires periodic charging. The charger is on the golf cart—do not remove from the premises. Charger should be kept dry. Be sure the cart has a good charge before leaving for an extended ride. **ALWAYS** unplug the charger before moving the golf cart. **ALWAYS** re-charge when not in use, you cannot overcharge the golf cart batteries. When you sense that the cart is losing power (i.e. sluggish, slowing down), it needs charging. An overnight charge should last a couple of days of normal use. Make sure you have plugged both ends into the proper outlets and that the meter is registering that it is taking the charge. If the meter is not registering make sure the cords are plugged in correctly and fully.
