

HELPING HOMELESS VETERANS

ANNUAL COAT DRIVE

For the past 6 years, Arrow Exterminators has partnered with the Cherokee County Homeless Veterans Program, and GPCA, in hosting an annual coat drive for homeless Veterans. We have collected 25K+ coats to date. Veteran Service Organizations from GA and neighboring states come on distribution day to bring these coats to the veterans in their community. These coats are collected as fast as they are sorted.

- Coats can be all seasons, gender, and sizes including children size
- Coats should be gently used and in wearable condition
- Drop your coat collection off at the closest Arrow Exterminators Service Center on or before Nov 8th.
