Subject: RE: What is the status of SSVF - Are you taking applications

Good Morning Jim,

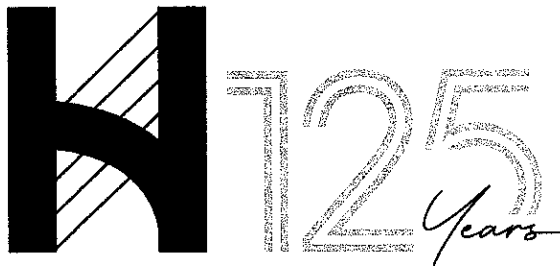

Thank you for reaching out and for your continued dedication to supporting our veterans. We truly understand the urgent need to provide services and support for those who have served our country, and we share your commitment to ensuring their well-being. At this time, however, we are in the final stages of our grant spend down, and our case managers are currently at full capacity. We have assisted over 1,100 veterans which is over the amount required by the VA for this grant year.

As a result, we are unable to accept new referrals or conduct additional screenings at the moment. Please rest assured that once we are able to reopen the queue for screenings, we will notify you immediately. We genuinely appreciate your patience and understanding during this time, and we remain committed to serving our veterans as soon as resources allow.

Warm regards,

Latricia Nation, BS, MBA, MPhil, PhD (ABD)
