

EMERGENCY BRIDE'S KIT

The following gives you a handy list of items that you may require during the course of the day. Please feel free to print out this page and use it to your advantage. If you have any suggestions for any items that should be included, please feel free to Contact Jason's Dj Service. This is just a general list to include and it can take many forms, it should be easily accessible to you at the Ceremony in the dressing/changing room and assigned to a bridesmaid or family member to bring to the reception. The most important thing to remember is to make sure a RESPONSIBLE person has the wedding rings!
