Sapphire Memory Stones™

We create a one-of-a-kind lab grown Sapphire Memory Stone™ that honors your loved one by transforming their cremains into a lasting symbol of love.

Through our proprietary process, your loved one's cremains are exposed to extremely high temperatures, similar to the conditions deep within the Earth where natural sapphires are formed. During this transformation, the cremains take on a beautiful blue hue, becoming a genuine Sapphire Memory Stone™. Sapphire is the second-hardest material on Earth, surpassed only by diamond, making it a powerful symbol of strength, endurance, and eternal love. Each Sapphire Memory Stone™ is uniquely crafted, just as every life is one of a kind. Available in Sterling Silver or Gold settings.

Pendants include satin cord.

Life Print Memorial Keepsakes®

Life Print Keepsakes are created by using a combination of traditional jewelry techniques, modern technology and your loved one's fingerprint. Offering a physical touch to a loved one's life, they are created from two-dimensional ink prints that are then replicated onto, .925 sterling silver, 14k rose, yellow or white gold. All of the designs can be custom engraved on the back. These cast pieces are quality family heirlooms that can be passed down from generation to generation. Many families choose to have Life Prints made for the entire family and close friends. The various and unique custom combinations allow for a beautiful, personal, and lasting connection to the ones we love.

Spiritual

Going Home
ENG-009

The Lord's Prayer
Our Father, Who art in heaven, Hallowed be Thy name.
Thy kingdom come: Thy will be done on earth as it is in heaven.
Give us this day our daily bread. And forgive us our trespasses,
as we forgive those who trespass against us. And lead us not into
temptation, but deliver us from evil. For Thine is the kingdom,
and the power, and the glory, for ever and ever.
Amen.
