Members of E.B.A., M.C.B.A., &

Founded 1906

Message from the EBA President - Arthur Hockley.

Fellow Bowlers,

The EBA is 100 years old. What does that mean to us – the bowlers of today?

It means the foresight shown by Dr. W.G. Grace and his colleagues has been fully enacted and realised. Our game has gone from strength to strength over many years and it is incumbent on all of us, at all levels, to maintain and enhance our game as our forbearers have done.

Yes, our future is challenging but it can also be exciting and rewarding. Bowls, as a sport has been very much enhanced by association with Sport England. To further our improved standing, the EBA is setting up our own Trading Company to provide services for Counties, Clubs and Members. This will be called Bowls England Limited.

Sport England has approved funding for a Facilitator, who will provide professional guidance in our negotiations towards the Unification of Bowls. New sponsorships have and are being negotiated and the English Bowls Youth Development Scheme is advancing apace.

Much is going on, so let us together, care for and nurture what we have in bowls, be aware of the improvements and changes, where necessary, that are being made, so that we can secure the future of bowls for another 100 years.

Arthur Hockley
President.
