

**Alzheimer's
Society**

**In 2026, both the Ladies &
Men's Presidents are supporting
the Alzheimer's Society as their
chosen Charity**

Your money helps provide support from day one

We support tens of thousands of families living with dementia every year, and over 90% of people said our support services gave them useful information and made them feel more supported.

Our expert Dementia Advisers provide personalised support to people facing the huge daily challenges of life with dementia. Our services provide a network of emotional support, practical advice and a community that understands their situation.

But the path to a better world for people with dementia doesn't end there.

Your money funds vital research

Your support means that we can look to the future, investing in ground-breaking research into better ways of treating and caring for people with dementia. In 2023/24 we invested over £15 million into brand new dementia research – the largest amount we've ever invested in a single year.

For more information go to our Website: www.alzheimers.org.uk

Donate to Alzheimer's Society

Your donation will get us one step closer to a world where dementia no longer devastates lives.
