-Beaver Dam Outdoor

THE BEAVER DAM DIFFERENCE

Beaver Dam products are made with care, crafted from Tangent sustainable lumber, this HDPE material will not rot, crack or splinter and will last for a lifetime of memories in your outdoor space.

Color options

With many color choices this gives various options for different color combinations to match each setting, whether it be by the water or in your back yard.

Serviced-Minded

The services we offer are presented with genuine consideration for the customers well being, and to care for a great experience.

Niche Product

The variety of unique furniture and nautical accessories is what Beaver Dam is recognized for. Servicing you with niche product for your niche space is our goal, assuring customer satisfaction.

Warranty

Feel secured with warranties on our furniture. It is Beaver Dam showing confidence in the lifetime expectancy along with long-term satisfaction.

Stainless Steel Fasteners

The 316 marine-grade fasteners used will significantly reduce rust even with salt water exposure, optimizing lifetime on each product.

Hidden Fasteners

Have the pleasure of the knowing your furniture has very minimal visible screws, enhancing the look of each piece.

CREATING YOUR OUTDOOR OASIS

Living life outdoors brings a refreshment to your soul by taking in the beautiful scenery and nature of what our Creator has given us. So take a moment with your family or friends and sit around the evening campfire, watch the sunset or enjoy the faint breeze flowing through your porch. Wherever you may be Beaver Dam furniture helps you soak in the special moments, creating your outdoor oasis.

TANGENT®

SUSTAINABLE LUMBER

Tangent, as a premium plastic lumber, delivers unrivaled performance. It's our top choice for durable, low-maintenance outdoor products. The UV-protected, insect-resistant material won't splinter, crack, chip, or rot, ensuring a long-lasting, pristine appearance. Easy to clean and impervious to mold and bugs, Tangent lumber offers superior impact resistance compared to wood. With a range of vibrant colors and embossed finishes for aesthetics and slip resistance, it is not only practical but also environmentally responsible, featuring recycled content that meets FTC Green Guidelines and is certified by GreenCircle for sustainability.

Durable: It will not splinter, crack, chip, peel or rot and is impervious to insects.

Color Stable: Rich colors stay brilliant thanks to built-in UV protection.

Low Maintenance: No painting, staining, or waterproofing required.

Easy to Clean: Does not stain and is easily cleaned with soap and water.

Environmentally Friendly: Made from recycled materials in a closed-loop process.

SURF-AIRA COLLECTION

Beaver Dam warrants only products as indicated below.

FURNITURE

Beaver Dam warrants to the original consumer purchaser that its outdoor polyethylene patio furniture is free of defects of workmanship and materials. The warranty period is (20) years of residential use and (5) years of commercial use, with exceptions of certain parts explained below, from the date of sale. This warranty does not cover damage caused by unauthorized service or repair; alteration or abuse, normal wear and tear on materials, or any attempt to use the product in a manner or for a purpose other than for which it is intended. Beaver Dam will repair or, at its option, replace the defective product without charge. Should Beaver Dam choose to replace the product, and the product is discontinued, a substitute product of similar function and equal or greater value will be made. The sole remedy provided in this warranty is repair or replacement of this product. Any cost of shipping or handling will be paid by you.

Poly ethylene may scratch during normal use, fade slightly from exposure to sunlight, or stain after prolonged contact with liquid substances. These conditions are not defects and are not covered under this warranty.

Stainless steel fasteners are warranted to not fail structurally for the applicable warranty period if properly maintained. Swivels are warranted for (5) years of residential use. This warranty does not cover rusted fasteners or swivels, or structural failure due to rusted fasteners or and swivels, resulting from improper maintenance. Cushions are warranted for a period of one (1) year of residential use. Compression of cushions is not considered a defect.

To file warranty claim, contact your dealer. Your claim must explain the nature of the defect and include your name, address, and telephone number. This warranty gives you specific legal rights and you may have other rights which vary from state to state. As defined by federal law, this is a limited warranty.

PRODUCT CARE

All poly lumber products do not need to be painted due to being built with recycled plastics and pigmented colors. It will not splinter or rot, fading may happen very slightly over years.
